A member of the public expressed concern about matters relating to the highway on Pitmoor lane. An area of highway grass verge has been taken over as a private garden with stone marking the grassed area and an area of highway footpath has been removed and brick paved over – creating an entrance to a property over the footpath. The clerk was asked to make the highways officer and the enforcement officer aware of these matters and ask N.L.C to investigate.

There being no further business the Annual Parish
Assembly closed at 7.15pm.
