November 2016

PARISH COUNCIL AUTUMN UPDATE

The August and September meetings of the Parish Council were dominated with discussions about the flooding difficulties experienced in the village over recent years. At the August meeting, Mr Rod Chapman and his colleague, Mr Alan Drury from North Lincolnshire Council, listened to the many village voices who raised their concerns over the fact that, seven years after the worst flooding which Ulceby had known, no apparent steps had been taken to improve the situation. Mr Chapman was aware of the problems we had experienced and was taking action to improve the drainage position.

North Lincolnshire Council have scheduled work to renew the drainage system along Coronation Road and at the junction of Spruce Lane to take place before the end of the financial year 2017/18. This new system would also benefit the properties at the top of Front Street. Mr Chapman listened carefully to many personal accounts of flood experience and agreed that, prior to the planned drainage renewal, several houses particularly specified by residents would be visited by himself and Mr Drury immediately following this meeting, to try to find ways to minimise further problems. Mr Chapman also apologised for the absence of Mr Matthew Moore of Anglian Water who had promised to attend, and advised the meeting that he would make every endeavor to ensure Mr Moore's attendance at the September meeting.

At the September meeting, Messrs Chapman and Drury again attended and reported on the actions and drain clearance which had taken place as promised, and explained various other schemes which were being progressed to ease possible further drainage problems prior to the planned drain replacement.

Always lots of activities on during the holidays.

Contact us for more information and a registration pack.

Continued from page 1

Mr Moore of Anglian Water then addressed the meeting with regard to the foul water/sewage problems experienced, mainly, in Abbey Road. He explained that the boundary in which Anglian Water operated stretched from the Humber to London and the whole area and its' flood issues came under this umbrella. There may be some action taken by Anglian Water in the Abbey Road area towards the end of 2020 but, because of the size of the huge area covered by this Water Authority, if a greater need was deemed to be discovered elsewhere, then, regrettably, that problem would be given priority. Mr Moore stressed the importance of affected residents needing to ring the Anglian Water Authority **ON EVERY OCCASION THAT FLOODING OCCURRED** and request a form DD5 to complete and return to register the property. In so doing, the need for improvement in Ulceby would be increased. In other words, the more we complain, the more our needs and problems will be registered with the Water Authority, and this will move our village further towards the front of the queue for action!!

The Parish Council were not able to obtain a solid time commitment from Mr Moore and we would therefore take this opportunity to urge residents, once again, that if you experience sewage/foul water flooding problems, it is essential that you register this fact by telephoning Anglian Water immediately.

Your Magazine Your Say

This quarterly magazine is delivered free to all residents of Ulceby thanks to the contributions by the advertisers. The editors are always interested in including articles supplied by residents as well as organisations operating in the village. If you have a concern about events happening in the village or would like to include an article on a personal achievement or forthcoming event the editors would be happy to consider an inclusion.

Contact can be made by email to editor.ulceby@gmail.com

This was sent in by a parishioner, whose son used to live in the village, attended the village school, and may be known by many!

I would like to celebrate the marriage of Capt. THOMAS LIMB R.M. to Dr. LAURA-BETH PILKINGTON at All Saints Church, Gresford on 20th August 2016.

Thomas was brought up in the village and attended St Nicholas Primary School. Parents, David and Rosemarie still live in the village. Tom and Laura-Beth have settled in the New Forest, Hampshire, as they are both based in the south.

Tom sends his best wishes to all who knew him at school and around the village.

ULCEBY WI

Hello All!

We hope everyone is keeping warm through these autumn days and nights. **Ulceby WI** had its 4th birthday in October and look forward to our 5th!!

We plan to start getting into a festive mood for our **November 17th** meeting with a evening of creating wreaths and trees using books and magazines. Thanks to the talents of one of our very own members! This should get us in the mood for our annual members **Christmas celebration in December**. This is always a fun night of festive food (including cake!) and drink and the odd funny game or two.

This will bring us to the close of another fun year at the Ulceby WI. **January** starts with renewing and hopefully welcoming new members. We have some great evenings planned, please check the posters and Facebook for information. Please come along and give us a try if you're looking for something a bit different to do on a Thursday! We meet every 3rd Thursday of the month at St Nicholas School. There is no commitment to join, guests are welcome at the meetings for £3,50 (included tea/coffee and cake).

Hope to meet some of you soon!! In the meantime, stay warm and safe and have a lovely Christmas! Any enquiries please contact Clare at cfct74@yahoo.com

ULCEBY VILLAGE ASSOCIATION ANNUAL GENERAL MEETING

Ulceby Village Hall
Monday 14 November – 7.00 pm

Ulceby Village Association is a registered charity, which manages the Village Hall and Playing Field for use by the residents and a number of voluntary groups.

It is run by a committee of volunteers, and we need more people to join us to help us maintain and improve the facilities.

This only involves a light-hearted monthly meeting and help at occasional fundraising events.

PLEASE COME ALONG TO OUR AGM
AND CONSIDER JOINING OUR COMMITTEE

St Nicholas Church Restoration Project

The Friends of St Nicholas Church are holding an event to celebrate the success of having been awarded a Heritage Lottery Fund grant for the roof repairs and improved heating system to the Church.

With the support of the whole village we have raised sufficient funds for the financial contribution we have to make towards this grant, and also towards the next application for the tower renovation. There is however, still much work to do in line with carrying out the grant and further fundraising to complete the internal works for a community space, which we would like to share with you.

We are holding this **free** event to thank the community of Ulceby and families and friends for their invaluable contributions and support over the last 4 years. Come and find out about the planned renovation works, planned community space and the heritage project.

We will have live music from North Lincolnshire Fiddle Club and Meadowsong.

When:	12th November 2016
Where:	Ulceby Village Hall
Start:	3pm
Ends	5pm

Light Buffet and refreshments provided.

ULCEBY PRE-SCHOOL AND WRAP AROUND CARE

REGISTERED CHARITY 1003427

The summer has flown by and here we are at the start of another academic year. Some of our children moved onto full time education at school this September and we miss them and their families. We would like to thank them for their support during their time with us at Ulceby Pre-School, it has been much appreciated and we hope they will keep in touch.

At the start of the new academic year we had an unusually high intake of children, some of whom are new to the village. It has made us think that with all the new build homes in our area, some residents reading the Ulceby Parish Link may not know much about our Pre-School and Wrap Around Care.

Established residents may remember that the original Pre-School was based for some time in the Village Hall, but dedicated fundraising, support and efforts from the local community helped raise enough money for the present building which is based within the school grounds today. This means that families can drop off and collect their children on the school site, which is both convenient and safe. We continue to raise funds for the benefit of our children and hope to see some of you at the Christmas Fair held at the Village Hall in November.

In May this year the regulatory body OFSTED inspected us and we were pleased to be judged 'GOOD' in all areas - we are determined to build on this success and are working hard to ensure we reach our next goal. We also celebrate 25 years as a registered charity, and by the time you read this we hope many of you have joined us at our termly open morning, shared happy memories and heard about our plans for the future.

It is our aim is to provide flexible, affordable childcare for Ulceby and the surrounding area in a friendly environment which enables the children aged 2-11 years to achieve their full potential. Please visit our Facebook Page, the Good Care guide or call in to see us. You will be very welcome.

We have been nominated as one of the local charities able to receive donations from the sale of carrier bags by the Co-op Local Community Fund. We will also get 1% of your spending on selected items if you select us as your chosen charity when you log in to your Co-op membership account if you are a Co-op member. We would greatly appreciate your support.

ST NICHOLAS CHURCH – ULCEBY

Gift Day Envelopes 2016

In this edition of The Link, you will have received a small brown Gift Day envelope. You will remember that each year at the time of our Patronal Festival (St Nicholas Day - 6 December), we post one of these envelopes through your door with a request for your support. This year it is being included with The Link delivery. We hope you will be able to make a monetary donation (however small) towards the upkeep and running of our village Church and place this envelope in the box which has been set aside in the Post Office.

Thank you.

Village Hall Updates

Toilet refurbishment - as regular hall users will know, the Village Hall toilets have received a major refit. Gone are the institutional blue and pink walls - instead the walls have been lined with a marble effect pvc cladding. There are new toilet suites and doors to the cubicles, new non slip easy clean flooring and urinal in the gents. The old hand basins and worktops have been replaced with stainless steel hand basins and push button taps. Both ladies and gents now have hot water supplied by instantaneous water heaters which only heat water when the tap is turned on. The ladies will be pleased that a fan heater has been fitted, energised by a timer switch, which should take the chill off the air. There are now baby-changing facilities in the disabled toilet. As well as making them more attractive for users, they are now more environmentally friendly.

Thanks are given to Shirley Hulatt for securing the funding from WREN and North Lincolnshire Council Community Fund for this latest improvement.

The **Village Hall website** www.ulcebyvillagehall.org.uk has had a makeover. It has all the information on hall hire and regular events that take place. The new website also contains new pictures and information on the field and wildlife area. The committee would like to thank David Fell for managing the previous website which has run for many years. The site can also be accessed via a link on the Parish Council website www.ulcebyparishcouncil.co.uk.

Co-op Local Community Fund - we have been chosen as one of the charities able to receive funding from this, which means that we will get a contribution from the sale of carrier bags, plus 1% of your spending on selected items if you are a Co-op member. You need to log in to your Co-op membership account and choose us as the local charity you would like to support.

"Assuring you of our personal attention at all times"

Friends of St Nicholas Church and the Co-op Community Fund

As you will have read elsewhere in the Ulceby Village Link, The Friends of St Nicholas Church and the Church PCC, have been successful in being offered a Heritage Lottery Grant for roof repairs and improved heating for the Church. Your contributions so far have enabled us to put the required community donation towards the cost of that work.

As part of the renovation project, we would like to create an additional community space in the rear of the Church, to enable people to meet, to access computer terminals and the internet and reduce the social isolation of some of our residents. To achieve this, we need to improve the electrics, fit a toilet, install a server, provide Wi-Fi access and generally re-order internally. This is what our fundraising efforts will now focus on.

We have been selected to receive funding from the **Co-op Local Community Fund**. It means that we will get a contribution towards the project above. But we need your help. The more support we get, the more funding we could receive. So, if you're a Co-op member, log in to your Co-op membership account and choose us as the local charity you wish to support. If you're not a member, please join and support us!

Supported by

The National Lottery[®]
through the Heritage Lottery Fund

Ulceby secures Heritage Lottery Fund support!

We are thrilled to announce that St Nicholas Church, Ulceby has received initial support from the Heritage Lottery Fund (HLF) for its Raise the Roof - Down with Umbrellas project.

It is thanks to the National Lottery players - and most importantly to you (village residents, families and friends, local businesses, Friends of St Nicholas and the PCC), that this project will carry out the much needed work to the main part of the church including the roof, the stonework and the heating system.

Four years ago the Church was set to close. But that was before you all helped to fightand winto keep it open. We had a target of £25,000 to raise before we could put in a bid to the Heritage Lottery Fund. Many thought it would never be reached but this village thought otherwise and a total of just under £29,000 is the current result. Fantastic.

You have all helped in so many different ways: donating bric - a - brac and raffle prizes, baking cakes, filling loose change jars, attending Tea & Memories events, Open Days, table top sales, buying raffle ticketsand eating cream teasjust to name a few.

You have all helped to make this success possible. The restoration, when complete, will create a dry and warm building, not only to be used as a valuable additional venue but for concerts, exhibitions, meetings to be enjoyed. So as they saylets just do that and celebrate the success of what this community together has achieved. Enjoy!

About the Heritage Lottery Fund

Thanks to National Lottery players, we invest money to help people across the UK explore, enjoy and protect the heritage they care about - from the archaeology under our feet to the historic parks and buildings we love, from precious memories and collections to rare wildlife. www.hlf.org.uk

St Nicholas Church

Christmas Celebrations

As we are fast approaching the start of Advent on 27th November, the four Sundays before Christmas Day and the first season of the Church year, a period of preparation for Christmas for many centuries, this would be a great opportunity to welcome everyone from our community to come and join in the celebrations in our lovely ancient church.

11th December at 3:30 - A Christingle Service

Christingle is a beautiful celebratory event that takes place in thousands of churches and schools across the country, raising funds that help The Children's Society to continue its work supporting young people. As well as being a fun-filled activity to teach children the Gospel, Christingle creates cherished memories for the whole community too. Adults and young people alike enjoy the spectacle of the lit candles in the darkness and the opportunity to engage more deeply with their faith and is a powerful reminder of the message of hope and peace.

18th December at 3:00 – Christmas Carol Service

Our annual Christmas Carol Service is very popular with many members of our community, both regular churchgoers and once a year attendees participating. It's an opportunity to come along and have a sing along to all of the old favourite Christmas Carols accompanied by traditional church organ music in a church dressed up for the occasion. Afterwards there is always the opportunity to stay behind for a drink and piece of cake and a catch up with people you don't always see, guaranteed to lift the spirits.

25th December at 9:30 am Christmas Day Holy Communion

Due to popular demand, it has been decided to hold this year's Christmas Communion service on Christmas morning to make it more accessible to the whole community. Come and start this special day with the focus on Jesus and celebrate God's greatest gift to the world!

We really hope to see you, but whatever happens have a wonderful Christmas.
