May 2017

**ULCEBY PARISH COUNCIL****Chairman's Report April 2016 – March 2017**

I will try to briefly outline here the achievements and decisions reached by the Parish Council during the last year. We have established the new Parish Council website at [www.ulcebyparishcouncil.co.uk](http://www.ulcebyparishcouncil.co.uk) and our thanks must go to the designer, Kyanite Ltd of Broughton. The Parish Council have continued in their efforts to restrict parking in Front Street where constant dangers are encountered when entering or emerging from Yarborough Court and we have also raised our disappointment with the local Police Authority over the lack of a police presence at the village memorial on Remembrance Sunday which restricted the annual two minute Silence held there.

Our donations this year have included sums to the Village Hall, to the 'Lives' Group and to the weekly Computer Club held at the Village Hall. We welcomed the Call Connect mini bus service which began operating in the village in May 2016 but expressed to our NLC representatives our regret at the reduction of the national bus services to and from Grimsby and Barton. We have purchased a new village notice board for use at The Skitter and, at the time of going to press, we have a new, larger notice board on order for use at the village hall.

Regrettably the area of Coronation Road and its' junction at Spruce Lane suffered flooding in June 2016 which resulted in a very well-attended Parish Council meeting in August when residents were extremely vocal in their concerns to Mr R Chapman of North Lincs Council. As a result of the many complaints, we have been assured by Mr Chapman that new drainage in the area will be completed by the end of March 2018. North Lincs Council have, however, undertaken temporary remedial work in the intervening period. A representative of Anglian Water was similarly subjected to strong questioning when he attended the September meeting and, whilst not agreeing to immediate works, Mr Moore said that it was possible that works could take place in the village by the end of 2020. He went on to explain that compensation is available to those people who have suffered flooding and our Parish Clerk has details should you need them.

Continued from page 1

We have suffered more than our share of heavy passing commercial transport during the M180 alterations which are hopefully now complete. We have plans to hire flashing speed signs in an attempt to slow any through traffic and, as a further safety measure, we have applied for a 40mph sign on Brocklesby Road, ahead of the 30mph sign to be installed to slow vehicles approaching the village from that direction. Regrettably, to meet increased costs and planned village improvements, it has been necessary for us to increase the village precept, meaning an increase of £2.88 per year for a Band D property, pro-rata for other homes.

Whilst this is just a summary of decisions and achievements of your Parish Council in this period, we would invite residents to attend any one of our monthly meetings at the Village Hall where we collect at 7.00 pm on the third Monday each month when the first 15 minutes of each meeting are set aside for any member of the public to raise items of concern. You will find a friendly, warm atmosphere amongst Councillors whose only concern is the welfare of the village and its residents and who constantly work on your behalf. They are a caring and concerned gathering of people and it is a pleasure to be part of the group.

Thank you  
Dawn Macefield - Chair

Did you know there are many ways you can find interesting facts about the village? One is our own website, [www.ulcebyparishcouncil.co.uk](http://www.ulcebyparishcouncil.co.uk), which provides information about our Councillors, our PC meetings (including minutes), the Parish Plan, a link to this magazine and other helpful links. Another is [Ulceby.net](http://Ulceby.net), which also provides helpful facts. Facebook has an 'Ulceby News' site, which also often provides useful information. If you are struggling with internet access, why not come along to the Computer Club (Thursday 1.00-3.00pm), where help and advice will be available!

## Ulceby Methodist Church

As the Secretary of Ulceby Methodist Church it is my sad duty to inform the people of Ulceby that the members of the church have decided that the Methodist Society should close.

This decision was ratified at a recent Circuit Meeting and will become effective at the end of August.

Many of you will think that the Methodists closed when the last of three churches in the village closed to worship in 2012 but, as they say, a church is not a building but a group of people who meet for worship. When the building in Front Street closed, the members began to meet in the home of our Treasurer, Mrs Beaton, and we enjoyed worship there very happily for some time, including a very memorable baptism. When it ceased to be possible to continue, we approached our friends at St Nicholas Church and were made welcome. For some time now we have met in the church on the fourth Sunday of the month with Methodist Ministers and Lay Preachers conducting worship and, God willing, we will continue to do so until 27<sup>th</sup> August when we will share worship twice; once in the morning at 10.45 when we will share a service with our Anglican friends and again in the afternoon at 3 pm when we invite anyone who wants to come to share our last service in the style that the Methodists became known for in Ulceby, with a good-old Sankey Sing-Song.

On behalf of the members of the Society I would like to take this opportunity to thank Mr & Mrs Beaton for their hospitality and, more recently, to the Parochial Church Council and members of St Nicholas' for their welcome when we needed a neighbour. To the Members of the Methodist Society, may I thank you for your love and fellowship over the years and all blessings to each one of you wherever you choose to worship from now on.

Our preachers over these last few months will be:

April – Rev Nichola Jones of Barton	May – Rev Ian Wales of Brigg
June – Rev E Barrie Leah of Barrow	July – Rev Enid Knowles
August – Ecumenical Service and Sankey Sing-Song	

God Bless you all,

Brian Bowes

## COMMUNITY INFORMATION ABOUT NEW CO-OP STORE

Cube3 Construction Limited would like to take this opportunity to provide the residents of High Street and Church Lane in Ulceby, with information on the project we are currently undertaking on the existing Brockelsby Ox pub site.

The project involves the proposed construction of a new Co-op store with all new roads on to site, car parking, drainage and services including landscaping. This will also be carried out whilst we are on site

We apologise for any inconvenience caused whilst carrying out the work, and assure you that we shall endeavour to minimise the affect of the construction activities on Church Lane . We will attempt to keep you informed of any activities that may affect you over the coming months. Should you need to speak to a representative please see the contact information below.

To children, building sites appear to be an 'adventure playground' but they are dangerous places for children and also to adults. Temporary hoarding is installed on the open site boundary to keep the site secure. The hoarding will only prevent any one from accidentally wandering on to this site - it will not prevent those who are determined to get in.

Cube 3 Construction will notify the local primary school regarding the above project, and issue a fun booklet showing the dangers of playing on a construction site.

We thank you for your co-operation.

## ULCEBY SCHOOL ENDOWMENT TRUST

The Charity of Thomas Richardson

Registered Charity No: 508922

In 1722 Thomas Richardson bequeathed money and more than 20 acres of land for the education of the poor in Ulceby - subsequently The Charity of Thomas Richardson was set up. Under the Charities Act 1960 the Trustees were obliged to register the charity. The Charity Commissioners approved the Objects of the Charity of Thomas Richardson as follows: "A school for the benefit of the poor of Ulceby for ever by providing equipment, activities and special benefits for Ulceby St. Nicholas C of E school in areas where such assistance is not available from the local education authority" and the name was changed to Ulceby School Endowment Trust. The trustees have further extended the scope of provision to Ulceby residents whose children may need specialised equipment to aid their education. Any clubs or organisations who are providing educational programs may also apply for help although it must be emphasised that the trust does not give financial grants.

## ULCEBY PRE-SCHOOL AND WRAPAROUND CARE REGISTERED CHARITY 1003427

We are all enjoying the season changing and some bright sunny days. The children have seen leaves opening and the birds singing, it has even been sunny enough for the children to have fun chasing their shadows. We have had a super term but it has been a little sad for the Staff too, as after 25 years at Preschool Ruth has resigned as Manager. Ruth became involved with the playgroup, as it was called then, when she brought her children to the Village Hall to meet other children. Helping out as a volunteer, becoming Committee chair and then an employee Ruth has seen a lot of changes over her time spent with us. Ruth and Neil are very family orientated and although Ruth said she would like some time for herself, she already looks after her Grandson Harry a couple of days a week, and we know she would love more grandchildren so watch out Rebecca, Michael, Ben and Lucy! We will all miss Ruth but would like to say a big Thank you for all she has done, and see you soon because we are giving her a registration pack for Harry.

### WE NEED TO THANK YOU ALL TOO -

The community built Ulceby Preschool for our children. Our aim is to provide high quality preschool education and out of school childcare that is safe, affordable, flexible and fun. We work hard to keep our costs down and it is because of the support and generosity of the local community that we are able to do this.

We needed a new kitchen and have had a new kitchen donated and fitted by volunteers who gave up their own time and professional skills. Everybody is busy nowadays and time with family is precious, to donate time and resources is so kind. We have also been desperate for outdoor lights and, on the same day as the kitchen was fitted a very kind parent donated two lights that are both bright and economical to run. So for all that **THANK YOU** to - Greg and Carole, Sarah, Scott, Michael T (always there for us), Ryan, Kim, Ann and Howdens.

On April 8<sup>th</sup> we held an Easter Prize Bingo evening at the Village Hall. We are delighted to say we raised over £550, which will be used to buy new resources for our preschool and after school club. We have actually raised so much money that at the moment we are still deciding how to use it all. Some of the money will be used for outdoor equipment and craft items, and some put aside for the out of school children, who are going to help decide what new resources we should buy. We had a lot of support and help with this event from people we know and some new friends we have met, so

**THANK YOU** to - The Hunt Family, Sherry & her Family, Heidi, Angela, Michelle, Lauren at Etiquette Beauty, Seven Tea Four Tea Rooms Immingham, The Bingo Club & our caller Brian, Heather, Yvonne and the Co-Op and everyone who attended our event. We really couldn't have done it without you all, and the funds will help us make a really big difference.

We had been waiting for Planning Consent for our proposed extension and, we are pleased to say that in January this planning permission was granted in full.

So with all this good news we are really looking forward to welcoming our new families and starting the summer term.

# YOUR VILLAGE HALL NEEDS YOU

**ULCEBY VILLAGE HALL ASSOCIATION** desperately needs volunteers to join the Hall committee to assist in the running and maintenance of the Hall .

This would entail about one hour a week to carry out duties such as ;

Routine checks of hall for weather damage

Checking for vandalism

Litter collection around hall, (these usually at a weekend)

Occasional minor DIY maintenance and

in the summer, grass cutting with sit on mower.

These duties are shared between all committee members .

We do employ a Cleaner and a Caretaker but other help is necessary too.

There are fund raising days where help is needed , such as Auctions and Christmas Fairs but only a few a year.

If some help is not soon found this may well result in curtailment of  
HALL activities.

Our village Hall is a VALUABLE amenity which other communities can only dream of-please help and keep it running to benefit all our own community.

If you can help please contact Mike on 588698 or Shirley on 588671.

## CO-OP COMMUNITY FUND

The last round of funding has just come to an end, and staggering amounts have been presented to 3 local good causes - Ulceby Preschool £574, Ulceby Village Association (Village Hall) £573, and St Nicholas Church £633. This has been raised from 1% of local purchases of Co-op branded goods, and charges for carrier bags. The next round of funding is now underway, so be sure to register your membership for your preferred charity by going to [coop.co.uk/membership](http://coop.co.uk/membership).

## Just a quick note from the Editor:

My husband has been trying to persuade me (for what seems like ages) to join the Ulceby WI. Anyway, last month, I finally took the plunge and went along and I'm glad I did! Together, there were about a dozen or so of us, messing about with clay! We were making ceramic shapes (which the instructor will 'fire' and glaze) some better than others!! My initial fears were quashed, and a fun and enjoyable time was had by all! (Plus they provide tea and cake!!!)

**Ulceby WI is held on every 3rd Thursday of the month  
from 7.30pm to 9.00pm  
Cost is £3.50 for visitors  
Membership fees available upon request**

*"Assuring you of our personal attention at all times"*

Just lately, there have been many comments made about 'lack of community spirit'. This is not the case! There are many of us who give our time (and skills) FOR FREE -there are too many to thank individually! If you have a suggestion, please TELL US!!

## ST NICHOLAS CHURCH RESTORATION PROJECT UPDATE

To try to keep you up to date with what is happening with the Restoration Project which you have so generously supported over the last 4 ½ years, we offer the following up to date news. A meeting was held in Church in March, attended by the PCC (St Nicholas Church Management Group), the Friends of St Nicholas Church and the Project Manager/Surveyor, Chris Mackintosh-Smith to discuss design and arrangements planned for the installation of a toilet and a servery and Mr Mackintosh-Smith assured us that all other necessary reports – as detailed in the last edition of the Link, were now prepared and ready for submission in May to the Lincoln Diocese DAC for their approval. Once agreement on all the repairs and alterations are agreed, Contractors will be invited to tender for the necessary restoration works which, it is hoped, will begin early next year.

As previously explained, it is necessary for us to continue fund raising to meet a shortfall in the Heritage Lottery Fund Award between the cost of extra heating and the domestic facilities mentioned above. April saw our first event of the year – 'Weddings through the Decades' when 29 wedding dresses kindly loaned by Ulceby "brides", dating between 1959 and 2016 were modelled by some lovely young ladies and which was thoroughly enjoyed by an appreciative audience. Thanks to your support a further £460.00 was added to the funds.

Our next event is the **ANNUAL OPEN DAY on 1st JULY** when there will be all the usual stalls, including bric a brac, tombola, raffle and, of course, the superb scones and cream for which we are famous!! There will also be another 'Tea and Memories' section where old photographs of village properties, people and weddings will be on view. 'Our Mile of Pennies' feature which has been operating since March last year, has now reached the grand total of £946 at a distance of 1351 yds! We only have to reach 1760 yds before the mile is complete and there will be lots of empty jars at the Open Day ready for you to take away and fill for us!!

You can also help us by registering with the **Co-op Community Fund local cause** where we can benefit to the sum of 1% when you buy Co-op branded products and services. Please go online at [coop.co.uk/membership](http://coop.co.uk/membership) and make the **Friends of St Nicholas Church your cause**. Also do please make a note of the date of our Open Day and come along and support us – your efforts have carried us such a long way and now the end is almost in sight. Thank you for everything you have helped us with so far and please keep going!!
