Ulceby Parish Link

Volume 7, Issue 3

August 2017

ULCEBY PARISH COUNCILChairman's Update May to July 2017

Before the May meeting proper began, the Annual Parish Assembly took place. Basically, this meeting is always held before the May meeting each year when one of the Councillors is appointed Chairman and various donations to organisations and charities, discussed the previous March, are finally agreed. Arrangements are in hand for a new dog litter bin to be sited at the area of the village pump in Coronation Road, and the large pothole at the corner of West End is taking longer to repair because the current road works at the new Co-op store are taking place immediately before the necessary road repairs to the pothole and are delaying any repair work.

The Clerk is pursuing further information with North Lincs Council on the road closure at the Memorial on Remembrance Sunday and Councillor Bell has agreed to become the local contact in place of Mr P Sandberg who has held the post for many years. After discussion, it was agreed that action would be taken to improve the overall appearance of the War Memorial with the Clerk enquiring about a grant which may be available for this work. At the July meeting the cost of a new flagpole, rope and two new flags were discussed and when further costs were ascertained, hopefully by the next meeting, a decision on renewing the same will be made. In short, it is hoped that all the improvements will be in place before Remembrance Sunday and that the Annual Remembrance Service will take place in November as normal.

Consultations on an extension of double yellow lines in Front Street closed in April and because one resident had objected, this matter has again been referred for discussion at NLC. In order to reduce speeding, the 30 mph limit on Brocklesby Road will be extended approximately 200 yards towards the bridge over the motorway and, beyond that, at the boundary of North Lincolnshire, when entering the village, a new 50 mph limit will be established.

Always lots of activities on during the holidays.

Contact us for more information and a registration pack.

Continued from page 1

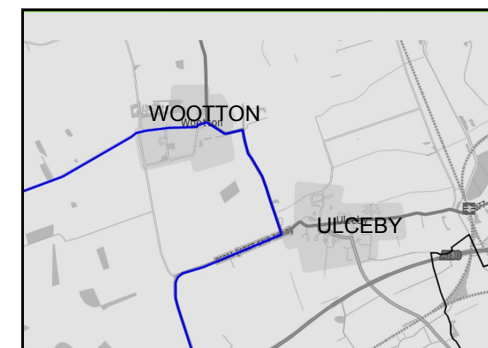

The new village notice board has been ordered and the work of installing it outside the Village Hall awaited. The village is again troubled with overhanging hedges which are a danger to pedestrians and small children and we would urge residents to maintain vigilance at this time of year. The most recent NATs meeting where anti-social behaviour in Ulceby had been reported, has resulted in a greater police presence in the village. There have, however, been reports of bogus people calling at homes in the village, sometimes purporting to be Meter Readers and all residents are urged to be extra vigilant of any callers.

We still have a vacancy for a Parish Councillor to join our team and if you are interested, please contact Mrs K Pickering, Clerk to the Council on 01469 588192. We would be delighted to have you join us!

FITNESS CLASSES AND THEIR FAMILIES

RAISED £1080.00 SUPPORTING

THE SUNSHINE WALK

In April a Scottish themed Sunshine Walk was held in memory of villager Wendy Lindley. It was the second year a team of family members and friends have got together and raised more than £12,000 by organising various events. The money is donated to national and local cancer charities.

The organisers would like to take this opportunity to thank everyone who has supported their fundraising events.

Barre Fitness Classes Starting in September at the Village Hall

Barre fitness classes are a total body workout with emphasis on core and posture. Barre mixes elements of Pilates, dance and yoga, with the moves choreographed to motivating music. Barre lifts your seat, tones your thighs, abs, arms and improves posture.

Barre fitness is a no impact class which can include all or some of the following elements:

Barre work stood & floor
Resistance Bands

Hand weights / Exercise Balls
Stretching

Some of the floorwork can be adapted to standing at the Barre or chair work.

Places will be limited, for more information text or call
Judith 07986981199.

A letter has been received from a disabled/Blue Badge holding parishioner in the village with regard to parking, and inconsiderate road users, and has highlighted some points:

Drivers parking their vehicles on the pavement

Can drivers who park on the pavement bear in mind that they are making life for wheelchair and pushchair users difficult. Users of mobility scooters, and mothers with pushchairs and young children are forced to travel on the road.

Vehicles that park on the pavement also cause damage to the surface, which has to be repaired and the tax payer inevitably foots the bill. So please, have a little consideration for others.

Drivers who own a driveway but don't use them

Although the majority of villagers are sensible when it comes to parking, the small minority don't seem to care. This is very sad and upsetting. Consideration towards others goes a long way! If driveway owners keep their vehicles on their drive, rather than parking on the highway, more parking space is available for others.

There is a First Responder who lives in the village, and often has to park some distance away from his house. As a First Responder, he needs to be close to his car, so in the event of an emergency, he can get in his vehicle and go!

Also on occasions Blue Badge holders are forced to walk quite a distance from their car to their home. This seems unfair as they have blue badges for a reason.

Please can people stop and think when parking – "Do I really need to park here? Or should I go a few feet further and leave room for someone who really needs the space?" **Not all disabilities are visible**, though it doesn't mean they don't need a Blue Badge!

A little kindness costs nothing, but means so much.

Disability affects ALL ages, does not discriminate, and is not nice!

Some people think that the Blue Badge Scheme is available to the majority. This is simply not true!! The qualifying criteria for the Blue Badge Scheme is VERY strict, and contrary to belief, they aren't given away like sweeties.

If you don't need a Blue Badge, consider yourself lucky!!

WHY NOT JOIN YOUR LOCAL LOTTERY?

JOIN THE 200 CLUB AND HELP RAISE FUNDS FOR
ULCEBY VILLAGE HALL

The cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £20, £10 and two of £5, which are made at the Yarborough Arms. There is also a larger end of year draw - the amount depends on the number of members - the more members the bigger the prize!. The results are displayed in the hall and are announced at the Bingo sessions on Mondays, and at Judith's fitness sessions.

In case you have missed the results last year, here are the winners for the first half of 2017. We would like to thank everyone for their continued support - in 2016 you helped to raise £524! You can join at Te@six Tearooms, Judith's Fitness Classes, Bingo or telephone Shirley on 588671, or email randshulatt47@gmail.com.

FRIENDS OF ST NICHOLAS CHURCH

Fundraising Update—July 2017

Thank you so much to everyone who supported our Open Day on 1st July. Because of your generosity in buying raffle tickets, making cakes, sending bric-a-brac to sell, etc., we were able to add another £598 to the funds. In addition to the open day takings we received another £200 of loose change for the Mile of Pennies, an individual donation of £44. The Post Office have continued to sell books to raise money for the restoration project and have raised another £162.50 a namecard has raised £40 and we have sold some donated goods on Ebay bringing us another £82. An overall total of £1127 that came together on the Open Day, all as a result of your ongoing generosity and support.

Our Mile of Pennies feature, begun in March 2016, has now reached, thanks to you, the amazing total of £1148.00 which equates to 1640 yards (or 93.2% of a mile). With just 120 yards to go, we are confident that the Mile can be achieved in the next few months if you will please continue (as you already have) to fill jars with odd change and return them, when full, to the Post Office. (as of July 1st)

Don't forget to use your Co-op card when visiting the Co-op and if you haven't already done so, then we would be most pleased if you would nominate us as your charity of choice. In the last period we earned £640 from Co-op members who had nominated us as their chosen charity. Thank you.

Thank you all so much for everything – and please keep supporting us. **Friends of St Nicholas Church**

Good Luck to Amy, Ryan, and Toby who are going to start secondary school in September. We hope you will love your time there.

The Staff are also sorry to say Farewell to Mr Chris Smith, Head of St Nicholas School as he leaves to take up his new appointment. We have enjoyed working with him and thank him for his support, we like him so much we are thinking of telling him the secret to growing the biggest sunflowers, (but only if he promises not to tell).

Please don't forget to use your Co-op card when you shop at the Co-op. As one of the local charities nominated, please choose us as your charity to support when you log in to your Co-op membership account if you are a Co-op member. We would greatly appreciate your support.

DOOR-TO-DOOR SALES VISITORS

Some residents have reported unwanted visitors at their door. There may be more in the future so there are some simple signs to look for:

- They may say they are on community service, or recently out of prison or on work release

This is unlikely to be true, and often used as an opening gambit to shock or worry you.

- They may present you with a laminated card

Does the card they gave you look official? A laminated card with a photo is not official identification. Do not trust something that seems home-made.

- They may be wearing no uniform

If they say there are there on behalf of a utility company (like your gas, electric or phone) then they should be wearing a uniform.

If you have any reason to suspect the person is not genuine then close the door with a firm "no thank you". You may also wish to report the incident to the non-emergency police number, just dial 101 from your phone.

TELEPHONE SCAMS

If you receive a call from people saying they are from BT, or Microsoft or any other official company and they then ask you to provide any account information or ask you to do anything with your computer - hang up the phone. These scam callers often call from abroad, and there is little that UK authorities can be done to stop them. Don't waste any of your time dealing with them. If you receive these nuisance calls regularly speak to your phone provider about caller ID or call blocking.

ULCEBY PRESCHOOL AND OUT OF SCHOOL CLUB

REGISTERED CHARITY 1003427

We have come to the end of another academic year, and none of the staff can believe how quickly time has passed, it hardly seems five minutes since last autumn.

This term we all enjoyed a lovely day trip to Hall Farm Park where the children enjoyed seeing all the farm animals. We walked the goats, had a tractor ride, fed potatoes to the cows, saw pigs, donkeys, llamas, guinea pigs, chickens and rabbits and played on the bouncy castle in the playbarn (some of the Parents and staff joined in too). We finished off the day with an ice cream. Thank you to everyone who helped make this visit possible including Jo and all her customers at The Fox who kindly raised money on the Bus Trip name card, we all came home tired, but made some lovely memories together.

Sainsbury Active Kids Vouchers

Thank you to all our parents and supporters who have donated Sainsbury's Active Kids Vouchers. We have joined the scheme for the first time this year, and received vouchers from families and friends. We ordered lots of resources for active play and are waiting for the delivery anyday, the children (and staff) are always excited when we get new things to play with and that counts the cardboard box as well!

Congratulations to Codie and Louise

Codie and Louise have been studying for their Level 3 CACHE childcare qualification, and have now successfully completed the course in just under a year. We are really pleased for them both, because they have worked hard, and they are popular with the children, their families and the staff.

We were a little sad though as Codie has now left to start a new job in Brigg. Codie has always said she wanted to work full time when her course finished, and started to apply for full time jobs in June, within a fortnight she had two interviews and was offered both jobs so Well Done Codie. We will miss you though. We are hoping that Louise will continue to enjoy being with us all, and wish her well as she is considering further studies alongside her work in Preschool.

Some welcomes and some Farewells

We have welcomed some new 2 year old children to our setting and look forward to meeting the children who are starting in September but will be saying goodbye to some lovely children. We hope all our Preschool children who enter full time education in September will be very happy in their schools, we thank them for their support and hope that they, and their families will keep in touch with us because we will miss them all.

Handy Lady

I am an honest, reliable, friendly person who enjoys housekeeping. Do you struggle with any of the following-

Cleaning, laundry, ironing, shopping,

I am also a qualified and experienced hairdresser. Do you have problems getting to a hairdressers? I do shampoo and sets, trims, blow-drying and perms.

References and recommendations available. If I can be of help with any of the above, please call for a chat.

FRIENDS OF ST NICHOLAS CHURCH Church Restoration Update – July 2017

Whilst there is no visible work going on in and around the Church it has been a very busy period with structural surveys of the tower and roof being carried out and reports written with regard to the condition of the church.

All work on the church has to have the approval of the Lincoln Diocese and Historic England and we are pleased to say that the roof repair modifications have been agreed by the Diocese but we are waiting for the approval of Historic England. Once these approvals are to hand, tendering for the work can begin. We hope to see work physically start to repair the roof in early 2018.

There was a £15,000 shortfall in the grant offered by the Heritage Lottery Fund for the roof repairs which we needed to make up from other sources. We were fortunate to be granted £8,000 from the National Churches Trust to help fill this gap. Further grants are currently being applied for to fill the remainder of the shortfall.

In addition to the Roof Repairs, the renovation project also includes installing a toilet and kitchen area and creating a useable community space. This will cost in excess of £38,000 which again is hoped to be funded largely with grants, but our recent fundraising will further support the shortfall. We then will have to repeat the roof repair project with a project to make urgent repairs to the tower. Thank you for your on-going support.
