ULCEBY PARISH COUNCIL – CHAIRMAN'S AUTUMN 2017 UPDATE

You will have noticed that, at last, the new notice board has been erected outside the village hall and because of the recycled material which has been used to make it, this should now stand for many years. The footpath along Brocklesby Road has been partially cleared back to allow better access to pedestrians but further work is necessary, and some of the hedges throughout the village have been tidied. The dog bin at the Village Pump has now been repositioned in Station Road where it meets the footpath through to Thornton Lane, and a new dog bin will be erected shortly, further along Brocklesby Road in the direction of the flyover.

Cllr Clark of NLC reported on a meeting he had attended with the Drainage Division of North Lincolnshire Council when he had been assured that the proposed replacement of drainage through Coronation Road/junction with Spruce Lane would be completed by 31 March 2018. Anglian Water would also be part of the scheme, thereby ensuring that only one set of road works would need to take place. However, Anglian Water placed a caveat that, should an emergency arise elsewhere, they would need to be free to attend that work in preference. As a consequence, it had been agreed that a two month extension to the commencement of the work might be necessary.

The extension of double yellow lines along Front Street have received approval and in an attempt to reduce traffic, at the completion of the roadwork's on the A180, we requested that a sign be erected at the Truck Stop, directing leaving lorries back towards the A180 to encourage drivers to avoid the village. At the time of writing, a sign is still awaited. Quotations for the hire of two flashing speed signs at the main entrances to the village have been received and agreed and these will be installed shortly following advice from the Highways Division regarding the best locations for them. Agreement has also been reached for a 'No Waiting At Any Time' area to be designated around all the roadway of the new Co-Op store.

We will be taking part, later in the year, in the North Lincolnshire in Bloom initiative run by North Lincolnshire Council and this will see a new flower and plant feature developed towards the village centre. We are also awaiting 3 quotations to continue with the already established Community Planting of summer bedding in the Millennium garden, Martins Road flower beds and troughs etc.

Finally, I am delighted to report that in the Best Kept Village competition, run by the North Lincolnshire Campaign to Protect Rural England, Ulceby was awarded first place in the Best Kept War Memorial Group. Two new flags have been purchased and repairs made to the flagpole and this year's Annual Remembrance Day Service will take place there in the usual way. Thanks must go to Councillors Bell, (Parish) Clark and Hannigan (NLC) all of whom have worked hard on our behalf to ensure that we received all necessary permissions to be able, at 10.45 on Sunday November 12th, to acknowledge at the Memorial, the debt we owe to those who gave their lives for our freedom.

Autumn Term News

The summer seems to have flown by and here we are several weeks into the term. Usually Autumn term is our quietest time but this term we have been really busy, welcoming several new families to our Preschool. It is lovely to meet new families, and welcome the siblings of some of our older children. We are looking forward to working together with you all. It was particularly nice to return to Preschool this Autumn as some of our families and Friends had been working hard to refresh the Preschool building.

We would like to say a huge THANK YOU to

Amy and Angela you did an amazing job, Michelle and Chazz (the new blinds are super) Millie, her new baby sister Robyn and family, Rebecca and Lindsay, Amy and Angela, Heidi, Kiera, Charlotte and Ann for lots of crafting resources and staff treats!. Greg and Carol for their gift of lots of lovely toys. Thank you also to Jo and everyone at The Fox who have raised money for us again.

Thank you to Crystal

We are also very grateful to Pete, Sarah and everyone at Crystal for donating a brand new refrigerator, we really appreciate their generous donation which will really benefit all who use our provision.

This term we have also replaced our boiler. The existing boiler had become less reliable, and so it was good to have a top of the range replacement installed before the cold weather sets in. Both of these new appliances mean that we can continue to offer a reliable service for many years to come, in addition to that they are more energy efficient and will help to keep our energy costs down.

Harvest at Church

In October the Preschool children and staff enjoyed a visit to Church to celebrate Harvest. We enjoyed singing songs, and placing the Harvest gifts at the altar. We live in a rural location so it was good to think about where our food comes from, and appreciate the work of Farmers and other Food producers. Thank you for all your contributions, which we understand Church will donate (along with other donations) to a local food bank. It is good for us to be able to give a little back after we have received so much.

Imagination Library

The Imagination Library was founded by Dolly Parton and is a selection of books that are posted out monthly to all children from birth to their fifth birthday. The specially selected books help children and their families and help the child with early reading, speech and communication skills. Our children have been bringing in their books to share with us all and we really have had fun sharing the books, pretending to be the characters, and making crafts. If you have a child under five who lives in North Lincolnshire and would like to register for Imagination Library please contact us – it is a free service.

Looking forward

We are looking forward to receiving our Sainsbury Active Kids resources soon, ordered using the voucher scheme Sainsbury ran in the summer. The children will love the new equipment we have all chosen so thank you if you have saved vouchers for us.

We also are hoping to see many of you at the Village Hall Christmas Fair when we will have special visit from Father Christmas. We hope that funds raised from these events will help us to provide even more resources for all our children.

Advent Timetable at St Nicholas Church, Ulceby

Advent, meaning "coming" in Latin, is the first season in the Christian calendar which begins four Sundays before Christmas (starting on 3rd December in 2017).

It is a season observed as a time of expectant waiting and preparation for the celebration of the Nativity of Jesus Christ. If you would like to come along and join us in worship, then there is a service **every** Sunday morning at 10:45am but included below are details of other special seasonal services.

Sunday 10th December 2017 starting 3pm Christingle

The annual Christingle service is a celebratory event that takes place in thousands of churches across the country to raise much needed funds for The Children's Society. The service is created specifically for children but can be enjoyed by people of all ages. Be amazed at the lighting of the Christingles in the darkness.

Sunday 17th December 2017 starting at 3pm Christmas Carol Service

Ulceby does its own version of Songs of Praise at Christmas. Start the festive celebrations in style by listening to familiar nativity stories and singing along to all your favourite Christmas carols whilst accompanied by traditional organ music. Guaranteed to lift the spirits and always popular in our community!

Monday 25th December starting at 9:30am Holy Communion

Come and join us to welcome the birth of Christ at a lovely special service on Christmas Morning in celebration and fellowship whilst the turkey is cooking. It's always lovely to see those people who attend just this once in the year.

All are welcome.

“Wot's goin' on?”

In this village there are two organisations that are devoted to the smooth running of village issues. One being the Parish Council and the other the Village Hall Committee.

The Parish Council meets every third Monday of the month and concerns itself with issues raised that affect YOU. There is a misconception that the Parish Council does nothing, and although its powers are limited it can affect how things are happening. Usually I sit alone in the meetings unless something (a planning application or flooding directly affects one of the villagers) is up for discussion. When this is the case, perhaps one or two residents attend, but planning and flooding are just two of the agenda items.

There are also a myriad of what are considered minor items ranging from mowing, flower arrangements, public transport, dog and litter bins, dog fouling - list goes on.

Do you know what goes on and more importantly do you care?

The Village Hall Committee is a registered charity and is concerned with the upkeep and maintenance of the hall and playing field.

Most of the normal tasks are carried out by volunteers, although a weekly cleaner and maintenance man are employed just to keep the hall in a safe and usable condition.

The main area that needs extra volunteers is the mowing of grass. There are a lot of residents who enjoy walking the dog on the field or just by the pond sitting or playing with their children. With so few volunteers to help it's down to a very few, and I will say ageing, residents to keep the field maintained.

Both of these organisations are run for you and you should get involved and state your views or donate a little time after all a little time or effort makes a big difference.

Reporting Petty Crime

A number of petty crimes occurring in the village have been reported to the editor. For the police to be able to act on these incidents they must be informed and residents are reminded that the police can be contacted by ringing **101**. All calls are then added to the crime figures for this area and are discussed with Parish Council representatives from the surrounding area at the regular NATS meetings.

Alternatively villagers can voice their concerns at the Parish Council meetings held on the third Monday of each month.

However, this doesn't just apply to petty crime. **ANY** acts causing **YOU** distress be these via the mail or telephone companies asking for bank details and passwords (which you should **NEVER** give out) should be reported.

ST NICHOLAS CHURCH –RESTORATION REPORT

After five long years of fundraising we are able to bring you news of the start of the restoration and renovation work at the Church! The major renovation work is being funded by The Heritage Lottery Fund which is part of The National Lottery, so thank you to all of you who play The National Lottery. Additional funding is from The National Churches Trust.

The beginning of December will see the initial work taking place at St Nicholas with the real project beginning in January 2018. Initially the roofing will be replaced where necessary and the building made water-tight. At this same time, with the award from North Lincolnshire Council towards the cost of installing a toilet, and servery, work will begin on laying the necessary pipework.

We have discussed with the Managing Engineer the possibility of having a 'Hard Hat Day' during the several months of renovations - a day on which residents will be invited to book a visit to the top of the Church to view the work progressing and see the surrounding area of the village. If you would like to be among those people using this opportunity, please speak to one of the Friends Association to give your name or email us at ulcebystnicholas@gmail.com or contact us via our website <http://www.stnicholaschurchulceby.org.uk>

We are now part of **Lincs Lotto** and earn half of every ticket bought. As a ticket holder you could win up to £25,000. Buy yours now and select our cause to further help with our work. www.lincslotto.co.uk/support/st-nicholas-church-ulceby

After the success which you gave us with the **Mile of Pennies Fundraiser**, we have started a new coin collection entitled '**Tower of Change**'. This is to start fundraising for the cost of the repairs to the tower – not covered with the Heritage Lottery Award – a new application for which will need to be made in another year or so. There are three exposed sides to the tower which is approximately 130ft 9in high. Each filled jar of 2p's will cover an approximate height of 5 yards and net about £3.50. The total for the three exposed sides will amount to £1223.82 – each side netting £407.94. Empty and filled jars can be collected and returned to the Post Office.

This is an exciting phase for the Friends but we realise that it could not have been achieved without all the support and encouragement which you, the people of Ulceby, have shown us during this long fundraising period. We would like you to take every advantage of seeing the work as it develops between January and July 2018 and we will keep you updated with every further edition of the Link.

Thank you so much and please keep collecting for the 'Tower of Change'.

Ulceby Village Hall
Monday 13 November – 7.00 pm

Ulceby Village Association is a registered charity,
which manages the Village Hall and Playing Field for
use by the residents and voluntary groups.

It is run by a committee of volunteers, and we need
more people to join us to help us maintain and
improve the facilities.

This only involves a light-hearted monthly meeting
and help at occasional fundraising events, plus help
with light maintenance such as grass cutting.
