Residents will have noted that double yellow lines have been extended on Front Street and that flashing speed signs have been erected at both main entrances to the village. These additions are an attempt at reducing the dangers of travel in the village, however, there is no news yet of a sign at the Truck Stop, directing lorries back towards the A180, thus avoiding them using our through-road. A resident commented on the extreme difficulties experienced on 21 December when the A180 was closed and all traffic had to be redirected through the village. Whilst it was acknowledged that the village route was a designated alternative if the A180 was closed, this decision was made several years ago by the Highways Division, since when volume, size and capacity of commercial vehicles had increased enormously and their passage through our village caused disruption and anxiety to residents creating a virtual ‘lock down’.

After discussion, the NLC representative, Coun Hannigan agreed to discuss this matter with the appropriate authorities in an attempt to see if an alternative route could be investigated.

A review of the condition of pavements around the village took place in the late Autumn and whilst some of those inspected were untidy but did not warrant attention, a watching brief would be kept on them. Repairs to pot holes along Front Street near the Fox would be made shortly and a complaint regarding the pathway along Station Road towards the Skitter, which is particularly uneven, would be pointed out to the Council. The positioning of a new flower bed as part of the North Lincs in Bloom display was discussed at the January meeting. The Clerk will obtain quotes for two flower beds at the grassed entrance to James Place and the cost of two flower troughs to be added to the fencing at the Village Hall. An additional dog bin will be purchased and sited further along Thornton Lane, close to the entrance to the sewerage works, to supplement the dog bin facility at the start of the Lane and a second bin purchased for use on Brocklesby Road.

Always lots of activities on during the holidays.
Contact us for more information and a registration pack.

Cont. from page 1

Five various planning applications were submitted at the January meeting and, after a full discussion and explanation by the Developer regarding the proposed arrangements to avoid flooding issues and the extensive facilities planned to protect the eco-system of the surrounding area of two of the developments, none of the five was objected to.

A complaint regarding the inadequate drainage and subsequent obnoxious smells along Abbey Road was discussed and the was Clerk requested to take this matter up with both North Lincs Council and Anglian Water, the latter having promised almost ten years ago to undertake remodelling in the area. Comments about the very slow response of the Police to 4 garage burglaries which occurred on January 4th were made and would be passed on appropriately. The Clerk was asked to obtain a quote for a better quality Union flag for the War Memorial and to arrange the purchase of a seat to be sited on the opposite pavement to the new Co-op store. To make the defibrillator more accessible in an emergency, Coun Wells (NLC) would make the necessary arrangements to ensure its’ smooth transfer from the current position at the school, to outside the new store.

Finally, I am delighted to advise that because of judicious monitoring of expenditure and careful forward planning of purchases, the precept will not have to be increased this year.

Dawn Macefield
Chair

ST NICHOLAS CHURCH

Bell-ringing - In Ulceby we are looking for some new recruits to learn this ancient art and keep the bells of St Nicholas ringing. Don’t be shy, it’s a right giggle and you don’t have to be religious, strong, musical or tall; you won’t whizz up, dangle your feet in the air and hit the roof nor do you have to be a church goer.

If you are interested there is a golden opportunity on most Thursday nights at 7.00 pm in St Nicholas’ Church, Ulceby. Please telephone first because we do not always meet every week. Contact details below. For more information contact Anne Shorland on 01469 588241 or anneshorland@hotmail.co.uk

WHY NOT JOIN YOUR LOCAL LOTTERY?
JOIN THE 200 CLUB AND HELP RAISE FUNDS FOR
ULCEBY VILLAGE HALL

We have some spare numbers - the cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £20, £10 and two of £5, which are made at the Vaynor Arms. The results are displayed in the hall and are announced at the Bingo sessions on Mondays. There is also a larger end of year draw.

In case you have missed the results last year, here are the winners for the second half of 2017. We would like to thank everyone for their continued support - in 2017 you helped to raise £952. If you would like to join for the current year please contact Shirley, tel. 588671, or email randshulatt47@gmail.com.

WHERE DOES YOUR MONEY GO?

Of the amount each household pays to North Lincolnshire Council in Council Tax, approximately £22 is passed to Ulceby Parish Council in the precept. A proportion of this is spent on essential items, and the remainder is spent locally to benefit the village, as the Parish Council thinks fit. Some is used to improve the appearance of the village, such as flower displays and grass cutting around the church and playing field, and some to support local groups and organisations. If you are involved in such a group which is in need of funding, or are interested in setting up a new group and would like to apply for some financial assistance, there is an application form available from the website www.ulceby.net, or from Karen Pickering, the clerk to the council.

The precept was increased to £15,000 in 2016/17 (which amounted to an additional £2 per household for the year). In addition, some income is received from the cost of advertising in this newsletter, which more than covers the cost of its printing. Also a grant was received for new play equipment, arising from the building of the Gower Close development, which was spent on the football wall at the village hall.

For your information, the chart below gives a breakdown of how the precept was spent in 2016/17.
THE YARBOURGH ARMS

Please join Mary, Darrell and the team at the Yarborough Arms for an excellent selection of drinks and home cooked food. Our menu has been created by people who are passionate about delivering a selection of quality dishes for you to enjoy.

MAKE ULCEBY A MORE PLEASANT PLACE TO LIVE IN.

PLEASE CLEAN UP AFTER YOUR DOG

This matter is raised regularly at Parish Council meetings and the council is purchasing an additional two bins to be placed on the outskirts of the village. North Lincs Council have also been asked to ensure that these bins and existing ones are emptied regularly, as there have been recent occasions when they have been overflowing. If you fail to clean up after your dog you can be issued with a Fixed Penalty Notice, or if the case goes to court, a fine of up to £1,000. Being unaware that the dog has fouled, or not having a suitable means of removing the faeces is not a reasonable excuse for failing to clean up after your dog.

Whilst the majority of dog owners are conscientious, and clean up after their dog, there are still a few who give the rest a bad name. The playing field should also be kept clear as it is used by children.

Dog faeces are:-

1. **Dangerous** because they may contain the eggs of a parasite (the roundworm toxocara canis) that can cause blindness and other health problems, especially in young children.
   The eggs may be ingested when passed to the mouth by the hands - this can occur not only through contact with dogs but also other inanimate objects including the wheels of toys and the soles of shoes or contaminated soil or carpets.

2. **Dangerous** because they are a slipping hazard to people using the footpath.

3. **Unpleasantly Smelly** and a Health Hazard, when picked up on shoes or the wheels of pushchairs and wheelchairs and trampled into the carpets of innocent people’s homes.

If you see any offenders – please report them to North Lincs Council, phone number 01724 297000, or on the website www.northlincs.gov.uk using the ‘Report it’ button.
Healthy bones

Healthy bones Your bone health is largely influenced by your genes but it is affected by your lifestyle too. You can keep your bones strong by doing regular weight bearing activity (this means exercise where your legs and feet support your weight, such as walking, jogging and tennis) and by eating a healthy diet with plenty of calcium rich foods. Good sources of calcium include dairy foods, fortified soya products and canned fish (with bones). It is also found in fortified breakfast cereals, white bread, pulses and nuts such as almonds. Vitamin D is also important for strong bones and helps us to absorb calcium.

Most of us get the vitamin D we need from regular exposure to summer sunshine rather than from food. Try to go outside every day from March to October without sunscreen for short periods (around 10 minutes), although it’s important not to let your skin redden or burn. Try to do this once or twice a day, depending on how dark your skin colour is. You need to be outside – your body can’t make vitamin D from sunshine coming through windows.

The Government recommends that certain groups of people take a vitamin D supplement of 10 µg daily, including people aged 65 and over. If you think you could be at risk of not getting enough vitamin D, particularly if you stay indoors a lot or cover your skin for cultural reasons, raise this with your GP. Always speak to your GP before starting to take a vitamin D supplement or over-the-counter medicine on a daily basis.
Local Independent Computer Repairs for the home user.

Countryside Computers provides one off call outs to full support subscriptions. We are an independent local company based in Keelby supporting the Humberside area with hundreds of satisfied customers. We come to you, so problems can be sorted at your convenience.
