# Ulceby Parish Link

Volume 8, Issue 3  
August 2018

## Ulceby Parish Council Chairman's Quarterly Report May—July 2018

This quarter has seen the establishment of a seat on the new pavement near the Co-Op store and the re-siting of a new dog bin on Thornton Lane. The problem of the constant water leak in the High Street is being pursued by Anglian Water. After bringing it to their attention, NLC have recently applied a new tarmac coating to the pavement in Front Street but work on similar problems in Hallcroft and Abbey Road are still awaited. The new flower beds and troughs, detailed previously as part of the North Lincs in Bloom initiative, have now been established and dawn to dusk sensors have been fitted to the war memorial.

Due to the determination of one long-time village resident, together with the support of our MP Martin Vickers, Coun. Peter Clark and Coun. Richard Hannigan Vice Chair of NLC, agreement has now been reached with Highways England to re-site the designated diversion route of the A180 so that it avoids the village and runs through Brocklesby Park. This system will operate not only whilst the proposed upgrading of the A180 takes place shortly but will also become the newly designated route if the dual carriageway should be closed at any time. This new arrangement will be reviewed on a yearly basis. NLC Highways will also meet with Highways England to discuss improved signage and enforcement of the diversion route. They will also be asked to implement a contra flow on the A180 rather than implement a series of closures. To further try to reduce the number of lorries through the village, a possible weight limit is being investigated together with the extension of speed limits, although these actions are part of a longer-term plan.

The other major news this quarter follows a visit to the July meeting of two Anglian Water representatives who, with the aid of a PowerPoint presentation showed Councillors the proposed £200,000 refurbishment of the drainage system in the village, which is scheduled to begin in April 2019 and complete by the end of September 2019 and will involve work in Coronation Road, Carr Road and ...

### Your Magazine Your Say

This quarterly magazine is delivered free thanks to the contributions by advertisers. The editors are always interested in considering articles supplied by residents as well as organisations operating in the village. Contact can be made by email to: [editor.ulceby@gmail.com](mailto:editor.ulceby@gmail.com)

Taking children from School age up to 11 for 50 weeks of the year.

Breakfast club, After School Club and Holiday Club.

Second sibling discount during holidays.

The Schoolers have their own area which they have called the  
'Schoolers Den' which they have designed and decorated themselves.  
An ideal place to chill on the sofas before and after School with access to  
large flat screen TV, X box, Wii, iPads, Laptop for homework research,  
library area, board games and creative area.  
Always lots of activities on during the holidays.  
Contact us for more information and a registration pack.

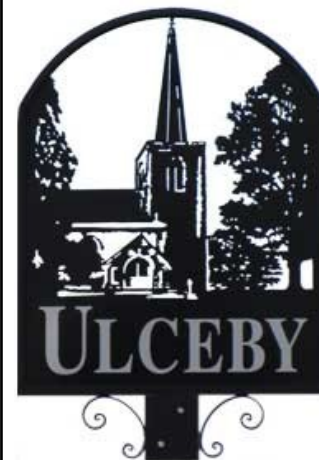

## ULCEBY PARISH COUNCIL CHAIRMAN'S QUARTERLY REPORT MAY – JULY 2018 (Continued)

Abbey Road, all areas which have suffered flooding following heavy rainfall. New lateral and non-return valves will be fitted in specific properties in Abbey Road by the end of this year and Anglian Water will also make a £60,000 contribution to the NLC proposed standardised drainage pipework intended for Coronation Road in the middle of next year. Part of the new AWA overall scheme will involve building a storm reservoir/lagoon at the Thornton Lane Sewage works. However, there is a strong archaeological interest in the proposed site and, additionally, the appropriate planning permission has to be obtained. Improvements will be made to the pumping station and all of the intended works have been designed to withstand a 30-years village growth capacity.

Three new Parish Councillors have been co-opted since my last report and repair and replacement of the bus shelter opposite the former Post Office has taken place. Some residents attended the June meeting to voice their concerns about the alteration in bus timetables and route changes but, following discussion, it was hoped that these alterations could be countered with the further use of Call Connect.

If you have any items you wish to raise, please attend any one of the regular Parish Council meetings, held on the third Monday of each month at 7pm in the Village Hall.

Dawn Macefield  
Chair

Ulceby Parish Council meet on the third  
Monday in every month at 7pm in the  
Village Hall.

Everyone is welcome to attend.

## VILLAGE HALL PLAY AREA

When I started as the caretaker at the Village Hall, over 12 years ago the play area was separated from the main field by a timber fence. It was an ongoing chore to replace some of these wooden palings on a weekly basis as they were constantly being broken, added to the fact that even with treatment, wood rots.

The committee agreed that a metal fence would be a good idea but would be more costly than could be afforded. A letter was sent to Scunthorpe steel works asking if they could donate enough angle and round bar to build a suitable fence. Much to the committee's delight they agreed to donate over two tonnes of steel with the proviso that we went to collect it.

By utilising the existing concrete posts to bolt the fence to, new uprights would not be necessary. Unfortunately the concrete post were not all uniformly spaced, so making a standard panel was not possible, meaning that all the material had to be cut and welded in situ.

Gradually as the fence was built it was painted with black Hammerite until the work was complete. Over the years the fence has been repainted, again with black Hammerite, thanks to the school children from Ulceby St Nicholas School volunteering for their Life Style project. This lasted for many years, but as time went by it was clear that a major de-rusting and painting was needed.

The committee decided to apply to the CO-OP community fund for a donation towards the cost of repainting. Some CO-OP members selected this as the project they wished to support, and a generous amount of £549.92 was raised towards the cost from a percentage of their shopping costs, and from the 5p carrier bag charge. It had been suggested by community members that perhaps the fence could be brightened up so it was decided to purchase paint in blue, green, yellow and red. The metal was mechanically wire brushed to remove surface rust then a primer and top coat added.

We hope that the play area does indeed look brighter and thanks are given to the CO-OP, the CO-OP members who supported this project, and the dedicated volunteers who completed the task.

Fred

## DEFIBRILLATOR AT ULCEBY VILLAGE HALL

There is now a community defibrillator at Ulceby Village Hall located on the front wall at the right-hand end, which is accessible 24/7 to anyone in the vicinity who requires it in an emergency, meaning more lives could be saved. After a cardiac arrest every minute without CPR (cardiopulmonary resuscitation) and defibrillation reduces someone's chance of survival by 10%.

Defibrillators are very easy to use. If you come across someone who is not breathing or breathing erratically, the most important thing is to call 999 and start CPR. If you're on your own, don't interrupt the CPR to go and get a defibrillator. Find someone else to get it.

When they are at the unit, follow the instructions on it- dial 999, give the number on the unit, and they will be given a code to be able to open the unit and get the defibrillator out. Then all you have to do is follow the spoken instructions given by the machine. You don't need training to use one.

Once in position, the defibrillator detects the heart's rhythm. It won't deliver a shock unless one is needed. They are simple and safe.

## ULCEBY LINK PHOTO COMPETITION

This edition we're asking you to submit a photo you've taken of the village or surrounding areas that you think captures the spirit of life in Ulceby.

To celebrate their refurbishment, Tea@6 Tea Rooms has offered a prize of 'Afternoon Tea for Two' to the winner.

The winning photo will be included in the next edition of Ulceby News, as well as framed and hung in Tea@6.

Submit your photos by email to:  
**editor.ulceby@gmail.com**

By the 15th of September to be in with the chance of winning.

Afternoon Tea for Two

The winner will be selected by the editor after the closing date. There is no guarantee that a winner will be selected if there are no suitable submissions. The winner will be contacted by email after the closing date and must consent to their name and winning photograph being published by Ulceby News and displayed in Tea@6. The prize will be available for one month after awarding. The decision of the editor is final.

**Do you run a local business & could offer a prize for future competitions?  
Contact editor.ulceby@gmail.com for more information.**

## ULCEBY VILLAGE HALL

### Supporting Your Village Hall

There are a number of ways that you can help to support these facilities, and keep them in a good condition for everyone to use

- If you see an act of vandalism – please report it to the police
- If you walk your dog on the playing field – please clean up after it
- Join the Committee (a monthly meeting and helping at occasional events)
- Shop at the Ulceby Co-op and help raise funds for the village hall
- Book the hall for your children's party or other event (contact Claire on 01469 588842)
- Join the 200 Club (see our website or contact Shirley on 01469 588671)

## ULCEBY FC (Continued)

Back to on-the-field matters, pre-season is now well up and running and for the season ahead we find ourselves in Division 2 - which is fairly bizarre considering we finished bottom of Division 3! However, with a number of new signings and hopefully a much stronger squad to boot, we're looking to have a real go at it and genuinely believe we have a chance of threatening the top end of the table for a change. It would be great to see as many Ulceby folk as possible down at the Village Hall cheering us on throughout the season also.

We have managed to secure a fantastic sponsorship deal with JP Woodcrafts (can be found on Facebook @OakTreeFarm1) for the forthcoming season and they will be providing us with a very smart brand new kit. Company owner James Pearcey will also be signing on for Ulceby as a player and we welcome him on board in both capacities. If any other local businesses would be interested in sponsoring us by providing match balls or training wear (your company logo would be printed upon), then please do contact us via our Facebook page (@ulcebyfc). Any help is so very much appreciated.

We would also like to place on record our sincere thanks to the Village Hall Committee for their continued help with providing the facilities that allow the club to continue year-on-year, and also the two local pubs of the Fox Inn and Yarborough Arms who have been lovely enough to provide us with kits, food and their hospitality following games for a number of years now - we most certainly wouldn't still be running without them. Thank you!

That pretty much covers the current affairs of our wonderful little club as the season approaches. We have been asked to provide The Link with regular updates regarding Ulceby FC which we will be delighted to do. In the meantime, please search for Ulceby FC on Facebook (@ulcebyfc) and be sure to give us a like to keep abreast of all the news and goings on from within the club. We can't wait to get cracking!

One final point, we all wish Carl Phillips a speedy and successful recovery from his Cruciate Knee injury. Carl has played for Ulceby for a number of years and is an invaluable member of the club, both on and off the pitch.

UTU.

All the best,

Mark Chapman (Joint Manager).

## **FRIENDS OF ST NICHOLAS CHURCH RESTORATION UPDATE AUGUST 2018**

Work is well under way to replace our Church roof, with the scaffolding and a temporary roof now in place to ensure the building remains dry whilst work is carried out. This is an exciting time for our whole community because after six years of hard work and fundraising which you have all contributed to, the church is no longer in danger of closure.

Our whole aim since fundraising started in 2012 has been to renovate the church to enable us to provide a warm, dry building for continued worship but to also enable use by the wider community for various activities.

The overall project will cost in excess of £300,000 and this has been made possible through the successful offer of a grant of £217,500 from the Heritage Lottery Fund and the local community who have helped us raise over £37,000. In addition, funding has been secured from the National Churches Trust, Allchurches Trust, Lincolnshire Churches Trust and Marshalls Charity collectively.

We were delighted to receive a grant of £30,000 from North Lincolnshire Council towards the cost of installing a new toilet and a refreshments-serving area. To establish these facilities it was also necessary to include the installation of water and sewage pipes so, all in all, the work required to upgrade our 800-year-old Grade 1 Listed Building has been a really big project but, in a few more months' time, all your generosity and support of our fund raising efforts will be obvious.

## ULCEBY FC

With the Scunthorpe & District Sunday Football League at an all-time low regarding participating numbers, it's great to see one very special club still flourishing, our very own Ulceby FC!

Over the past few years we have seen many long-standing grassroots clubs from the likes of Goxhill, New Holland, Barrow & Barton come and go – and locally in the Scunthorpe Sunday League alone only two teams remain in Barton Broncos and Ulceby FC. To put that into context, only eight years ago there were no fewer than eleven!

Dating way back to around 1930 (we're unsure of the exact year, if anyone knows please get in touch), Ulceby has boasted a football club in some form or another, with various name changes over the recent past, mainly to coincide with much needed sponsorship funds, but the club has remained in tact and passed through many hands. It is now believed to be one of the longest running clubs in Northern Lincolnshire and that in itself is something to be extremely proud of.

On the cusp of the club entering it's 88th year, we have big plans for the season ahead.

Firstly, last season was a bit of disaster in all honesty as we finished bottom of Division 3. We battled as hard as we could, but with dwindling numbers squad-wise making it extremely difficult for manager Jay Maddison to be able to compete, it was an uphill battle from the very beginning.

We did manage to reach the semi-finals of the League Cup, but a very poor first half showing saw us trailing 3-0 at the break and despite clawing it back to 3-2 early in the second half and pushing strongly for an equaliser, we were eventually caught out and ended up losing 4-2. It would have been nice for the club to reach the final, something that hasn't been achieved for over 30 years, but sadly it wasn't to be, maybe next season!

The end of the 17/18 season saw Jay relinquish his role as manager and club secretary - a job he'd held admirably for a few years, so myself and Ulceby legend Paul Blythin (entering his 30th year as an Ulceby player) have decided to give it a go for the forthcoming season and hopefully beyond.

The first thing we wanted to do was design a club crest, something symbolic that portrayed the history of the village, so we liaised with local lad and Ulceby player Alex Dunn who is extremely competent in digital design, and he came up with this lovely, strong design which as you can see incorporates the George Cross of Vivian Hollowday fame and the iconic church of St. Nicholas featured in the centre. We held a vote amongst the players with a few designs to choose from and this one won hands down. We hope the people of Ulceby like it.
