

2018/19 - 27

A meeting of Ulceby Parish Council was held on Monday 19th November 2018 at 7.00pm in The Village Hall.

PRESENT : Cllr Mrs Macefield – Chairman,
Cllr Mrs Hulatt, Cllr B Jeffery, Cllr Mrs Smith, Cllr M Birtle,
Cllr C Rowland, Cllr M Berney, Cllr A Ogden, Cllr A Reeve,
IN ATTENDANCE : Mrs K Pickering – Clerk.
Cllr P Clark, 2 members of the public.

PUBLIC FORUM

- A member of the public advised that The Front Street planning application has been passed with a Section 106 agreement which has been allocated to Baysgarth leisure centre. The member of the public felt that as Ulceby was having the development surely the S106 benefit should come to Ulceby. Cllr Clark advised the meeting that the policy regarding S106 allocations has been changed and it can now be allocated to where there is a large recreational facility. Ward councillors have raised this policy change with The Leader of the Council. The member of the public also noted that a levy has been placed on the developers of a considerable amount which has to be paid to N.L.C. It was suggested that Ulceby should benefit in some way when development is taking place in the village.
 - It was noted that the planning permission has expired on the Church lane development land and that when this is reapplied for the S106 allocation should be kept for the benefit of the village.

9. NORTH LINCOLNSHIRE COUNCIL MATTERS

- i. Reports from N.L.C representatives – Cllr Clark advised that a meeting will take place this week regarding the implementation of speed limits in Ferry ward.

Cllr Hannigan sent a message to say that the proposed weight limit through Ulceby was going to consultation with various agencies and the consultation period is likely to end April 2019.

- ii. A180 Road closure/diversion route for A180 closure/village weight limit.
The Chairman suspended standing orders to allow members of the public participate in the discussion regarding HGV traffic through the village.

It was noted that the promised sign at the exit to the Truck Stop – instructing HGV traffic to turn right back onto the motorway network and not travel through Ulceby village – is still not in place. N.L.C have promised to put this sign in place immediately – Cllr Clark will follow this up with Cllr Hannigan and Wells.

A member of the public presented a petition with 150 signatures to Cllr Clark which demanded a weight limit through the village of Ulceby. The member of the public was advised to email Tanya Davies at Democratic Services at North Lincolnshire council to formalise the petition request and set the procedure in motion. It was suggested that the clerk writes to N.L.C advising that Ulceby Parish Council is supportive of the petition request for a weight limit through Ulceby. Cllr Clark will ensure the petition reaches the appropriate department at N.L.C.

Cllr Birtle asked for confirmation of who has the final say in implementing the emergency diversion route – N.L.C or the Highways Agency. Clerk to ask Ian Jickells to confirm.

Cllr Birtle provided statistics – taken from the flashing speed awareness sign – showing the number of vehicles and their speed traveling into the village.

A discussion took place as to when and why the B1211 was changed from an 'A' road to a 'B' road.

It was agreed that the diversion route – planned and emergency – need to be in place – avoiding Ulceby – BEFORE we are likely to be successful in securing a weight limit through the village. Once the revised diversion route is formalised weight limit through the village could be more achievable.

An email had been received from Inspector Anthony Tinsley of Humberside Police who has advised that he does not feel the level of HGV traffic through the village warrants a weight restriction and as there is currently no weight restriction through the village Humberside Police will not be involved further in this matter.

The Chairman reintroduced standing orders at this point in the meeting.

- iii. 20 mph school safety zone – this is an initiative from Cllr D Wells and the meeting agreed to write to N.L.C (Ian Jickells) advising that the parish council would like school safety zones introduced into the village and would like N.L.C to progress this matter.
- iv. New N.L.C matters: No new matters to report.
