ULCEBY PARISH COUNCIL CHAIRMAN'S REPORT MAY – JULY 2019

Currently the Ulceby Road Safety Group have been unsuccessful in their attempts to obtain a weight restriction through the village, however, with support from our North Lincs Councillors, letters have been written by the Transport Division to a dozen local hauliers, requesting their co-operation in limiting the speed of lorries along the A1077. It has also been agreed that the flashing speed limit signs will be retained and that the 30mph limit will be extended throughout the whole village, to include Ulceby Skitter. It will also be extended along Brocklesby Road to the limit of the street lighting boundary there.

The increase in air pollution in the village, caused by heavy goods vehicles, was an important consideration by NLC when refusing permission to the Developer to build the proposed 90 properties at the end of Station Road. Many further discussions are under way regarding road safety and, although progress may appear slow, the Safety Group continue to work tirelessly in their efforts to improve safety in our village. Our NATs representative has obtained agreement for the installation of temporary 'golden rivers' along Station Road to monitor speeding motorists and this information will be used to help to determine future action to be taken by the Authorities.

A request to grant planning permission for a four-property development behind the Fox Inn was objected to by the Parish Council on the grounds that the proposed entrance and exit (through the pub car park), the subsequent difficulty accessing the pub storage facilities, together with an overall increase in the current heavy flow of traffic through Front Street, all presented safety issues.

SMITH & WALKER

OPTOMETRISTS

◆ BARTON IMMINGHAM WINTERTON ◆

Children and Adult Sport Specs available now in Immingham

The latest sport protection has arrived at Smith & Walker in Immingham and is ideal to protect the eyes (and spectacles) while playing sports.

The latest models come in 2 sizes (ideal for adults and children) and a range of colours and can suit most prescriptions. The lenses are made from PNx which is a hard-coated material designed to be almost unbreakable but still having tremendous clarity.

More and more sports clubs and schools insist spectacle wearers wearing suitable protection when playing football, rugby, tennis, etc and these models are both comfortable, firm and very protective.

They cost from £ 89 including prescription lenses and at Smith & Walker we take all the appropriate measurements to get perfect vision and fit.

Chairman's Report Continued from page 1

Again, for safety reasons, Keigar Homes are to be asked, where possible, to avoid deliveries to their development at the rear of Church Lane at school starting and finishing times. In the interest of children's safety, The Parish Council have agreed to fund the refurbishment of the surface of the play area at the Village Hall.

Two new road signs to replace those broken – one at the entrance to Church Lane and one at Model Farm Lane – are on order and, additionally, a request to NLC to erect 20 mph signs in Church Lane will be made. Complaints regarding the quality of the grass mowing in the village, currently undertaken by NLC, have been received. This service may become the responsibility of the Parish Council in 2020 when a more diligent approach to the mowing will be the norm. It was agreed that a fixed flower ring on the village signpost at West End would be purchased to replace the flower troughs there which have been moved, successfully, to Halmshaw's corner.

In conclusion, may we request that wherever garden hedges front on pavements throughout the village, that, in the interests of pedestrian and wheelchair users' safety, these are trimmed tightly back.

ULCEBY VILLAGE HALL

Our latest announcement is that the village hall will be closed for one week in August, while essential electrical works are carried out to replace the ancient circuit boards with modern consumer units, so that we meet up-to-date safety standards. This is being paid for by the proceeds from the recent fundraising and donations over the last year, and we would like to thank everyone for their support. The closure will not affect the play area, playing field or pond area, which will be accessible as normal.

Our next fundraising event will be an evening with Paul Hazell the comedy hypnotist - see page 18 for more details.

The slide in the play area has been replaced, funded by our Co-op Community Fund grant, as the original had broken. Although initially there was a slight problem with loose screws, these have now been fixed and the new slide is safe to use.

We would like to thank the volunteers who do a great job by cutting the grass on the playing field regularly, to keep it usable by all. If anyone would like to join the team, you would be very welcome.

We would also like to thank the volunteers who have recently spent time in tidying up the pond area, as access had been getting difficult due to the growth of brambles, nettles and other weeds. These people are just setting up a new group Ulceby Fishing Group (UFG). If anyone would like to join this group, please contact Andy Reeve on 07590 124248 for details.

Another new group Ulceby Kickboxing Club is starting on 22nd August, with sessions on Thursdays 17.00 - 18.00 and Saturdays 10.00 - 11.00. This is a mixed Junior/Senior Class for ages from 5 years old. The first lesson is free, then £5 per lesson. More information can be found on their Facebook pages or at www.briggkickboxing.com, or contact Rob Bird on 07504 240439.

Forthcoming Events

Until the completion of the lighting and heating work, we are unable to be specific with regard to dates for forthcoming events but suffice it to say that we are planning a Christmas Tree Festival over two weekends in December plus a Service of Thanksgiving and Celebration when the Restoration Project is complete.

Local Support

We know that none of our achievements would have been realised without the fantastic support of our village residents and so a huge thank you to you all. We hope very much that when we stage our Service of Thanksgiving and Celebration, you will join us so that we can properly thank you all.

ULCEBY WI

We've recently had some interesting meetings. Westshaws nursery gave a great talk about baking with veg and brought some delicious cakes. Antiques expert Derek Clark spoke of his life with antiques. Last month we had Boggle Lane foods talking of what can be eaten from forage foods.

We have some more exciting things lined up. August is a meal out for members only.

September 19th We have a tai chi session

October 17th We have a cake maker to the royals.

November 21st We'll be having a Christmas craft session.

Then in December we'll be going out for a Christmas meal.

We usually meet at St. Nicholas Primary School, 7.30 on the 3rd Thursday every month.

Why not come along and see what we do, you can make new friends, have a fun evening and there is always cake !!

FRIENDS OF ST NICHOLAS CHURCH

Renovation Update

We are delighted to report that the installation of the heating is now complete! This means that we can now offer Services, events and activities in a really warm atmosphere. We have successfully applied to Wren (Communities Foundation) for a grant towards the installation of new lighting and wiring to be installed in the near future. Included in the original Heritage Lottery Grant was a specific sum to be used towards the display of items of local historical interest and, in this regard a supplier based in Thirsk, was approached and provided quotations for the making and installation of first-class bespoke church furniture. Consequently, when the flooring beneath the removed pews in the North and South aisles is made good after the heating installation, an order will be placed with this company for furniture of this kind.

You will be aware of the historical investigations being carried out at Church under the terms of the Heritage Lottery grant and although these are not yet complete, it has already been established that the pew ends down the centre aisle are from the 14th century and the rood screen at the forward entrance to the vestry originates from Thornton Abbey and is dated towards the end of the 15th century. All of this type of information will be collated and printed in a full Church booklet at the end of the project.

Art Project and Exhibition

Following the resumption and completion of the various art projects arrangements were made to hold an Art Sale and Exhibition in Church on Saturday and Sunday, 13th and 14th July. We are delighted to report that this, our first Exhibition and Show, was extremely successful with 30 entrants of all ages from throughout the local area, submitting over 150 pieces of fantastic work across all mediums. We estimate that throughout the Exhibition more than 150 people attended, resulting in an increase of funds of £618. Our thanks go to Ulceby Co-op, Morrisons of Laceby and Tesco of Barton, all of whom supported us by the provision of refreshments. Other projects are in the pipeline!!

We have been working hard behind the scenes on sponsorship and are delighted once again to announce that JP Woodcrafts will again be our main club sponsors. They are buying us a brand new kit and we can't thank them enough for their financial help and support.

We are also introducing player sponsorships for the season ahead, this will help keep the club in a good financial standing as the margins are so tight throughout the campaign. The sponsorships will help keep us stocked up with match balls, which due to the landscape around the pitch we get through so many of them and it's extremely costly.

Sponsorship packages are just £20 per player and at the time of writing we already have thirteen local sponsors on board which is fantastic and such a huge help to us, we can't thank them enough.

If you'd like to get involved, please drop us an email at ulcebcfc@outlook.com – we will advertise each and every company several times throughout the season through our social media channels (Ulceby Football Club on Facebook, @ulcebyfc on Instagram) as well as on our website at www.pitchero.com/clubs/ulcebyfc.

Our league campaign gets underway on Sunday, August 18th with a home game against AFC Galacticos and we're at home the following two weeks afterwards too, all with 10.30 am kick-offs. It would be great to see some more local people down there and please do come and introduce yourselves and have a chat (I'll be the mouthy one on the sidelines). We hope you'll like what you see and we'll try our best to have a very good season!

All the best,

Mark Chapman (Manager).

ULCEBY FC

Pre-season is now firmly under way for Ulceby FC as we prepare for a huge season ahead.

Finishing second bottom of Division Two last season has indeed signalled our relegation into Division Three, to be honest it was to be expected as we severely under achieved so we have to dust ourselves down and get ourselves ready for a big season ahead to bounce back which I promise we will.

We held our annual presentation awards on May 11 before embarking on an afternoon out in Hull which was a great day. Notable awards went to Paul Blythin - an Ulceby legend who picked up the 'Hero' award for everything he does behind the scenes and within the club, Luke Crofts picked up the 'Most Man of the Matches' award, Scott Lee claimed the 'Managers Player of the Year' for a wonderful season in goal and Dan Cook took the Golden Boot award for his outstanding 20 goals, as well as the Players Player of the Year award.

Back to the season ahead, recruitment is going very well, with at least eight new signings committed to the cause and with the strength that the squad now possesses there's no reason whatsoever why we can't go and have a belting season.

We're looking to play a certain way, it's not just about picking eleven players and lumping long balls, we want it be attractive, we want the players to enjoy it and moreover we want it be a fun environment to be within.

We've already played four pre-season friendly matches, drawing our first two, winning our third against a much higher level opposition before succumbing to a very strong Brigg Town Reserves side in the Aaron Winstanley Memorial Shield at The Hawthorns.

Performances have been of a very high standard and the lads are really buying into the ethos on how we need to be playing next season, there are smiles on faces within the dressing room and the club is thriving. We now need everyone to pull together, players and staff on and off the pitch if we're going to realise our ambitions and help make Ulceby FC a force to be reckoned with.

ULCEBY VILLAGE HALL**

The cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £30, £20, £10 and two of £5, which are made at the Yarborough Arms. There is also a larger end of year draw - the amount depends on the number of members - the more members the bigger the prize! The results are displayed in the hall and are announced at the Bingo sessions on Mondays, and at Judith's fitness sessions.

In case you have missed the results last year, here are the winners for the first half of 2019. We would like to thank everyone for their continued support - in 2018 you helped to raise £1047! You can join at Judith's Fitness Classes, Bingo or telephone Shirley on 588671, or email [ulcebyvillagehall@gmail.com](mailto:ulcebyvillagehall@gmail.com).

## CALLING ALL CYCLISTS - AND THOSE YET TO JOIN US

One warm August evening my friend rang me to say that I was joining her on an off road mountain bike ride! Now this was something I'd never done before. So I dragged my ageing bike out of the shed and dusted off the dust and cobwebs, loaded it into her car and drove to the meeting point. There I was met by 3 strangers with their top of the range, full suspension bikes and matching gear...I thought, this isn't for me! I ignored my fears and apprehensive thoughts and we rode off in search of some hills. Obviously I was miles behind at the first sight of anything that resembled more incline than the bottom of a river bed and I just wanted to go home. To my surprise the other riders stopped, they waited for me, they encouraged me, they made me feel at ease and made me want to carry on. Now it wasn't easy, and I must admit I haven't ventured out on a mountain bike ride again, but the group of ladies belonged to Breeze, a section of British Cycling aimed at getting more women cycling.

2 years down the line and several rides (and falls) later, I am now a fully fledged Breeze ride leader, and in the age of equality, a Guided Ride leader, which is also open to men and children. Both Breeze and Guided Rides have been in the area for several years and much of the time they go unnoticed, just another group of riders on the roads, but we are more than that.

I thought I wasn't good enough, I wasn't part of the click, but there isn't a click, everyone is good enough and everyone is welcome. You don't have to have top of the range, carbon whatsit, electronic doodah bike and lycra thingys. You can be on a bike you borrowed from your mate, providing it's roadworthy, your jogging bottoms you wear round the house, and have a level of zero fitness, or you could have all of these and they are your pride and joy! We are here to support you. If you want to learn the local roads, start cycling in a group for the first time, want some extra company or train for an event, group cycling with Breeze or Guided Rides is an excellent way to do this.

If you want to give us a try then you can find lots more information on <https://www.letsride.co.uk> just join up and search local rides by postcode.

Facebook Breeze North Lincs, for ladies only. <https://www.facebook.com/groups/1592154214390450/?ref=share> and request to join.

Or Guided Rides North lincs, open to everyone <https://www.facebook.com/groups/158906387866693/?ref=share> .

Sign up and keep your eyes open for local rides exploring our beautiful countryside and cafes soon
