Feb 2020

ULCEBY PARISH COUNCIL CHAIRMAN'S WINTER REPORT NOVEMBER 2019 – JANUARY 2020

At the November meeting there was a complaint from a member of the public regarding surface water flooding in Martins Road and Station Road which had caused sewage drainage problems. Cllr Hannigan (NLC) had discussed this matter with Anglian Water to ensure there was no repeat of the difficulty.

There has been much discussion at recent Parish Council meetings regarding the establishment of an adult outdoor gym trail at the Village Hall, to be funded by S106 monies already received from Property Development in the village. It was agreed that a trail would be a well-received addition to the village amenities but the questions of exactly where to site it, the cost of the extra public liability insurance incurred and responsibility for costs of future maintenance of the equipment were all concerns. The Clerk agreed to investigate these questions prior to the February meeting. The Parish Council raised no objections to a planning request from BT for the removal of the phone box on the corner of Front Street and Cllr Wells said that the highways maintenance department at NLC were aware of the existence of a large pothole in the road at the level crossing. Action would be taken to rectify this.

Gratitude to the local Police was expressed for the speed enforcement which had recently taken place and the Ulceby Road Safety Group reported that Cllr Hannigan had taken steps to ensure that when there was a complete closure of the A180, traffic will be diverted through Ulceby in one direction only thereby ensuring that the village would not be in a 'lock-down' position again. The Parish Council continue to support the URSG in their endeavours to make the roads through Ulceby safer for all residents.

Chairman's Report Continued from page 1

The Clerk advised that a representative from the Community Speed Watch group was scheduled to attend a meeting on this subject at Scawby on 8th January and she would report to the February meeting any new information she was able to glean. Coun Birtles would draw up a list of all outstanding highways matters raised with NLC by the URSG group and this would be available for the February meeting.

Further clarification was awaited from NLC on the question of establishing an allotment and wild life/environmental area in the field behind Station Road. The Clerk advised that she had spoken to Cllr Hannigan who was arranging a meeting between the appropriate authorities and the Parish Council. Quotations would be sought for the repainting, in the Spring, of all the village benches and the War Memorial. Regarding the proposed development of 90 new properties at the top of Skitter Hill, three village residents would advise NLC of their intention to attend and speak against the development when the Appeal was heard at Scunthorpe on 25th February.

The precept was set during the January meeting and comment made that it was the Council's intention during the coming year to improve further the floral displays throughout the village and, hopefully, to site a large illuminated Christmas tree in an appropriate village location in time for Christmas 2020.

Dawn Macefield,
Chair

Ulceby Parish Council meets on the third
Monday in every month at 7pm in the
Village Hall.

Everyone is welcome to attend.

WHY NOT JOIN YOUR LOCAL LOTTERY?

JOIN THE 200 CLUB AND HELP RAISE FUNDS FOR
ULCEBY VILLAGE HALL

The cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £30, £20, £10 and two of £5, which are made at the Yarborough Arms. There is also a larger end of year draw - the amount depends on the number of members - the more members the bigger the prize!. The results are displayed in the hall and are announced at the Bingo sessions on Mondays, and at Judith's fitness sessions.

In case you have missed the results last year, here are the winners for the second half of 2019. We would like to thank everyone for their continued support - in 2019 you helped to raise £1012! You can join at Judith's Fitness Classes, Bingo or telephone Shirley on 588671, or email ulcebyvillagehall@gmail.com.

ULCEBY VILLAGE HALL

The Christmas Fair in November had numerous stalls selling a wide variety of gifts, cards and decorations, and Father Christmas attended. £350 was raised for the village hall towards ongoing maintenance costs, and the Pre-School and St Nicholas Church also raised funds for their own organisations.

The Christmas party was enjoyed by the many children who attended, and each received a gift from Santa. We would like to thank the Fox Inn for providing the food.

The WI have moved and are now holding their meetings at the hall on the third Thursday of every month. Details of the topics of forthcoming meetings can be found on page 25.

Weightwatchers have started to hold sessions on Monday mornings at 9.30 am, and the number of members is steadily increasing.

Ulceby Kickboxing Club is continuing with sessions on Thursdays 17.00 - 18.00, but they have discontinued the Saturday morning session due to insufficient numbers.

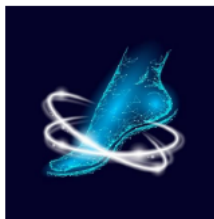

The Friday evening exercise classes have now changed to Mat Pilates, which seems to be proving popular - more details from Judith on 07986 981199.

Starting 15th February on Saturdays - Ulceby Twirlers 1.30-2.30pm for Baton Twirling, Cheerleading, Lyrical and Freestyle Dance for ages 3-15 years - contact Georgia: 07592679772 or Leanne: 07766196519.

There will be an auction on Sunday 8th March, which starts at 10am, viewing from 9.30am - full details on page 21.

A Psychic Night will be held on Friday 24th April - details on page 17.

We would like to remind you that Co-op members can nominate us as their chosen charity, and when shopping at Ulceby Co-op a percentage of the cost of any Co-op branded items as well as any carrier bag charges will be passed on to us, to help with the upkeep and improvements at the hall.

Now if the A180 is closed in both directions the traffic will be routed via two different routes, only one diversion passing through Ulceby.

Consideration of the traffic impact on the B1211 and Front St, Abbey Rd.

As part of an initial traffic review North Lincs Council have reduced the speed limit on the A1077 to 30mph. Brocklesby road speed reduction due.

Resurfacing Station Rd from Skitter Hill to the railway, due in March 2020.

Safer Roads Humber speed detector van that normally parks on West End road, relocation to within the village being reviewed.

Community speed watch:

Village residents checking vehicle speeds, trained by the Police.

Volunteers required, please email the Parish Council if interested.

Local Police are also carrying out occasional speed checks on the A1077.

Vibration monitoring on Station Rd has been carried out, results due Jan.

Council Officers have undertaken a route assessment along the A1077, reviewing signs and road lining. Signs are being updated now.

This does not help with the HGV and volume of traffic problems so in January 2019 URSG raised a petition for a 7.5 tonne weight limit through the village. With backing from the petitioners, Parish Council and three Ward Councillors this petition was presented to North Lincs Council. After much deliberation including a subsequent appeal, North Lincs Council refused the petition. This we believe is the only real way to control the excessive traffic volume and weights. Subsequently we have proposed a trial period of the 7.5 T limit or overnight curfew. Reply awaited from the NLC.

It should be noted in discussions with local transport companies by URSG and NLC there have been positive and supportive actions. One supporting the village was the Ulceby Truck Stop, regarding vehicles using the village route to avoid the queuing at the new Habrough roundabout, discussions continue into 2020. Please note the 7.5 T limit would only effect HGV's passing through the village, all the HGV delivering to shops, farms, household, etc. are exempt from the limit. So as you can see from the above the village has been neglected for many years and this must stop. We continue to strive for a safer village, for further information please contact the following people via email. stuie@trophytuning.com, martin.birtle@gmail.com, luvyllottie1@aol.co.uk

ULCEBY ROAD SAFETY GROUP

Update on actions to date and ongoing discussions for 2020

Our main objective is to make Ulceby Village a safer place for the community to live in, to allow the children to walk to and from school safely. All pedestrians to be able to cross the road safely and go about their daily lives.

Ulceby has the A1077 cutting right through it, there is only one continuous path through the whole village. There are no pedestrian crossings at all, most pedestrians need to cross this busy road at least twice to go about their daily business. To improve this, we have engaged with Ulceby Parish Council, North Lincolnshire Ward Councillors, the Council's traffic team, Highways England, the Police and other relevant Emergency services. One of our initial concerns was the amount of HGV traffic using the village on a daily basis, especially as there are two areas in the village where HGV's are unable to pass side by side without either using the footpath or pulling into the kerb side. The expansion of the Immingham docks and local storage areas to service them has not resulted in positive improvements to the traffic infrastructure such as A180 widening or a village bypass. Indeed, the A160 roundabout and gyratory has made some issues worse, built at great expense. Our local road (A1077) is simply not capable of carrying the bigger HGV's or increased volumes of traffic. Formerly a B road (B1358), it was changed to an A road (A1077) without any modification or improvements. The A180 was built to alleviate this traffic problem, only for it to return now. This problem is never more obvious to villagers than when the A180 is closed due to a DRUE (Diversion Resulting from Unplanned Event), traffic at a standstill in both directions, often for several hours. This has also had an effect on the B1211 and Front Street with increasing traffic trying to negotiate the small streets and the tight crossroads junction.

So what has been achieved, the following gives a quick update: - Getting the Council and Ward Councillors to acknowledge that we do have a problem with HGV's and other traffic in this village. Cllr Hannigan is supportive and has requested NLC traffic dept to implement an outside contractor review on the local road network, this covers all local villages. We have been in regular contact with MP Martin Vickers to ensure the national infrastructure is included in the discussions and any options raised.

NLC to engage with the local school, looking at school walking routes. Raised question of providing pedestrian crossings, review underway. Cllr Hannigan assisted with getting the DRUE route changed.

It was left unchanged following its 2019 review by Highways England.

ULCEBY VILLAGE HALL

Supporting Your Village Hall

There are a number of ways that you can help to support these facilities, and keep them in a good condition for everyone to use

- If you see an act of vandalism – please report it to the police
- If you walk your dog on the playing field – please clean up after it
- Join the Committee (a monthly meeting and helping at occasional events)
- Shop at the Ulceby Co-op and help raise funds for the village hall
- Book the hall for your children's party or other event, contact the booking officer Dawn on 07435 587394
- Join the 200 Club (see our website or contact Shirley on 01469 588671)

FORTHCOMING EVENTS AT ULCEBY VILLAGE HALL

ULCEBY WI

We finished last year with a Christmas craft session in November, then a lovely meal at The Fox in December.

We started the new year with a change of venue. We now meet at the village hall.

At our January 16th meeting we did pebble painting Pam Harrison and had some lovely results. Some with patterns, others with pictures.

At the February 20th meeting we Nina from the Grimsby charity, Not Home Alone. A really lovely charity for people with no family.

March 19th we have a lady talking about travelling on a budget.

April 16th is Westshores nurseries. They always give an interesting talk.

We meet at the village hall at 7.30 every 3rd Thursday in the month. Visitors are always welcome for the small fee of £4 which includes a cup of tea or coffee and of course cake. We also have a little raffle.

Why not come along, have a pleasant evening and make new friends.

NEW VICAR

We are pleased to welcome the new vicar Rev'd Peter Green to the village. He is vicar of 6 churches, altogether known as the Abbey Group and they include: St Nicholas Ulceby, St Andrew Wootton, St Lawrence Thornton Curtis, St Peter East Halton, St Denny's Killingholme, St Margaret Habrough. We look forward to him making a contribution in the next issue.

Your Magazine Your Say

This quarterly magazine is delivered **free** thanks to the contributions by advertisers. The editors are always interested in considering articles supplied by residents as well as organisations operating in the village. Contact can be made by email to: editor.ulceby@gmail.com

HIRED HELP FOR YOUR GARDEN

FOREVER AGAINST ANIMAL TESTING

Friday Chat Club

You are invited to Ulceby Chat Club who meet most Fridays between midday and 2 o'clock in the small room at Ulceby Village Hall.

The chat club is open to **all residents**, young or not so young, of Ulceby and the surrounding Villages.

There is an entrance fee of £2.50 which entitles you to a roll, with a variety of fillings supplied by **te@6 tea room** and a cup of tea or coffee, home made cake is also available and bingo - both cost a little extra but it won't break the bank and you stand the chance of winning!

If bingo is not your thing, we have a variety of games (dominoes, cards, connect 4 and I think scrabble) to entertain you. If you don't fancy any of these sit and chat or Anne can help you with knitting or embroidery. Still don't fancy it well if you have a hobby come along and introduce it, there may be others who may be interested. There is also internet connection available if you wish to browse, book a trip on the **CallConnect** or send emails to friends or family.

It's all down to you to get involved give it a try!
You may be pleasantly surprised!!

ULCEBY PARISH LINK

This newsletter is now entering its 10th year of production, and has increased in size from 20 pages to 32! This is thanks to the support of the advertisers, who have funded its production and generated a small profit each year. It was felt that profits should be used to assist charities and small groups in the village. The total profits raised over the last 9 years has amounted to £3124, and donations have been made to the Chat Club, and paid for the repairs to the safety surfacing at the play area. If any other group is in need of assistance, please contact the Parish Council.

More community groups are also making contributions, which we hope adds to making interesting reading, as well as being a directory of local tradesmen, should you need one - we try to keep a balance of the two. If anyone would like to make a contribution that you feel would be of interest or benefit to others, please send it in.

much in our own hands. Eleven league games remaining, win them all and we're champions! Easy eh.

Of course it will be difficult, but I can assure everyone that we will be giving our all over the final few months to give ourselves the opportunity. There's nothing in the division to worry us too much, we're one of four excellent sides in there, we just have to make sure we're on point every week from now on and we'll see where it takes us.

Since the last update we managed to secure a brilliant sponsorship deal with Beverley based company Big Box Intralogistics, it's an excellent deal and testament to the club that we're able to attract support from these big companies, the money provided by them will help us enormously as we build into next season.

Sponsorship plays such a key part in helping small community clubs like ourselves to continue, and we're thankful to each and every one of our sponsors who have helped us out this season. Much love to them all.

The next update will be towards the tail end of the season, where hopefully we'll still be up there and fighting for the title. As always it will be great to see local people down at the pitch on Sunday mornings cheering us on.

Information on upcoming fixtures and news/photos/videos of the team can always be found on our Facebook page at <https://www.facebook.com/ulcebyfc/> - please give us a follow and say hi!

All the best.

Mark Chapman (Manager).

ULCEBY FC

There's been mixed fortunes for the Ulceby FC lads since the last update, seeing us exit both cup competitions at quarter-final stages, but still chugging along nicely in the league.

The Ireson Cup was disappointing – a game against Frodingham which was finally played following weeks of postponements due to the horrendous weather, and being switched to their home ground in order to finally get the game played.

There's no doubt whatsoever that the delays and venue switch cost us, as we struggled to get going in that game on a heavy pitch despite taking an early lead. Events conspired against us throughout including the referee being injured after five minutes, seeing stonewall penalties not given, perfectly good goals disallowed – it sounds like sour grapes, but there's no hiding the disappointment from everyone within the club with how the game unfolded.

We made the last eight of the Challenge Cup by thumping Duffs Dynamos 12-0 in the quarter-finals, but sadly were then drawn away to the excellent Mulligans - a team full of semi-professional footballers, who, over 90 minutes just proved too strong for us.

We gave as good as we got and gave an excellent account of ourselves - the lads should be proud of their efforts and hopefully we can use the experience to help keep the pace up in the challenge for the title.

We have been invited once again to take part in the prestigious Hett Cup – a charity-focused competition that initially dates back to early 1900's with each fixture taking place at The Hawthorns, the home of Brigg Town FC.

Last season we were comprehensively beaten by Division One side Broughton WMC who went on to win the competition and the Division One title.

Well, we've been drawn against them again in the quarter-final stage, but with a stronger squad in place this time around, providing the key players are available, hopefully we can give them a much tougher game.

So, back to league events and we currently sit in second place just three points behind the leaders Trinity who we're still to play twice, so everything is still very

**POWER CUT?
CALL 105**

Keeping your power on

Investments in our network mean the chances of power cuts have reduced dramatically in recent years, but in winter, storms, floods and other extreme conditions can sometimes cause damage to your local power network.

Northern Powergrid make sure the electricity you buy from your chosen energy supplier gets to you safely and, if your power supply ever gets interrupted, we're here to fix things 24/7, 365 days a year... whatever the weather.

We keep the lights on, the kettles boiling and the phones charged for 8 million customers across 3.9 million homes in the North East, Yorkshire and northern Lincolnshire.

If there's a power cut visit our power cut map www.northernpowergrid.com/power-cuts or CALL 105 free of charge.

We can help you and keep you informed throughout the power cut.

Do you, or someone you know, need a little extra support this winter?

If you have any concerns about how you, or someone you care for, would manage during a power cut due to your personal or medical circumstances, please join our free Priority Services

Register by registering online at

www.northernpowergrid.com/care or by calling 0800 169 2996.

Local Independent Computer Repairs for the home user.

CountrySide Computers provides one off call outs to full support subscriptions. We are an independent local company based in Keelby supporting the Humberside area with hundreds of satisfied customers. We come to you, so problems can be sorted at your convenience.

- No fix no fee policy
- Normal call out is within 48 hours
- No job too small no problem to big
- Established in 2003

Full subscription services include Antivirus software, Unlimited Online Storage, Free Labour and unlimited callouts. See the website for a video guide on what we do.

ST NICHOLAS CHURCH RESTORATION UPDATE FEBRUARY 2020

The grant from the Lottery Heritage Fund which has allowed the Friends Association to organise the restoration of St Nicholas Church, concluded at the end of January 2020! The last item chargeable to the HLF was the installation of the display cabinets along the North Aisle.

By the time this copy of the Link is printed, work will have begun on installing new electrics and lighting, courtesy of a grant from Wren (Communities Foundation) and work on new flooring should have been added to replace that beneath the removed pews in the North and South aisles, courtesy of a Community Grant from North Lincs Council. This latter project was also subsidised by the Friends from funding raised through your local support of us. We must also not forget our local Ulceby Co-Op from whom the Friends charity, in November, received the amazing sum of £1692.12, again through your support of our cause.

The Friends of St Nicholas Church came into being in September 2012 as a result of a public meeting to try to stop the closure of our beautiful Grade I listed village church. It has been a long and hard struggle, (not without its' many heartaches and disappointments) to ensure that all the things we set out to achieve that autumn were realised. By this Spring our church will be water-tight, have hot and cold running water in the new servery area, the facility of a disabled toilet, and gas central heating installed throughout. It will be enhanced by new electric wiring and atmospheric lighting, and the old and rotten pews will have been removed and replaced with new flooring. New, upmarket chairs and tables have been purchased so that the church's 'newly-released' community space area is available for events. Of course, there are other, smaller projects we wish to complete over time so our fund raising will continue with various events we shall stage, but the really hard work, thanks to the Heritage Lottery Grant and our wonderful supporters, is behind us.

There are so many people to thank, both individual and in groups that it is too difficult to know where we should begin. Suffice it to say that we realise that without your support, we could never have achieved what seemed, in 2012, the impossible. This is a time to celebrate now and we hope, before the end of this New Year of 2020, to hold a 'thank you' event in church, to which you will all be invited (details to follow later). In the meantime, why don't you attend one of our Sunday Services to see for yourself what determination and commitment from a village can achieve !!

Thank you all.

The Friends of St Nicholas Church Association
