Volume 10, Issue 3
September 2020

ULCEBY PARISH COUNCIL CHAIRMAN'S REPORT SUMMER UPDATE - JUNE JULY AND AUGUST 2020

Because of Covid 19, the Parish Council has not been able to meet monthly in the usual way and has had to adopt the practice of 'Zoom' meetings. These meetings have followed their normal pattern with Councillors able to attend 'virtually' rather than physically, so there has been 'business as usual' from our own homes, rather than a collective in the Village Hall.

Cllr Hannigan reported that, although he had requested that the fields behind Station Road and along Brocklesby Road be removed as potential for development (as shown in the recently published Local Development Plan), the consultation process was still on-going and he would therefore need to report back further in due course. Councillors unanimously objected to the Keigar development on Spruce Lane known as 'Riseholme' because of concerns over highway access safety. At July's meeting, the Parish Council supported the request of the Ulceby Road Safety Group that a further meeting between themselves and North Lincs Council be arranged in order for them to pursue their safer road proposals, however, such a meeting would probably be another victim of Covid 19 delay. Community Speed Watch training for those volunteers willing to take part had been delayed due to the social distancing restrictions but would be undertaken very shortly. Discussions on the siting of two pedestrian crossings in the village prompted a proposal that (1) a controlled crossing be established near the old Co-op and lay-by, (2) that an uncontrolled 'raised' crossing be sited on Station Road, and (3) that the lollypop lady be retained to supervise a crossing on Front Street for those children accessing school through Hallcroft along the public footpath. This proposal was unanimously agreed and the Clerk would write to Highways at NLC advising of the Parish Council's request.

Chairman's Report Continued from page 1

The Village Hall Committee had been approached to seek their views on the siting of an adult gym trail on the recreation field. Subject to the Village Hall being successful in obtaining all the necessary grants for the refurbishment of the children's play area, the Committee were happy for a adult gym trail to be incorporated (subject to certain conditions) on the site but should their applications for monetary grants towards the work be incomplete, the Committee would require \$106 monies from the Parish Council in order to finish the project. The Clerk would enquire as to how the \$106 money can be secured for our sole village use, whilst the two projects are being progressed.

All residents of Abbey Road are urged to report unpleasant drainage odours to Anglian Water to try to eradicate the problems there. The damaged road surface between Ulceby and Croxton had been inspected and would be repaired. Flower baskets for the village signs on Brocklesby Road and at the Skitter would be ordered and installed next spring. A proposal had been received with a request that an Angling Club be established at the Village Hall, with some initial financial input from the Parish Council to cover insurance. The Parish Council were supportive of this proposal but would require more details and assurances that the village hall was also in agreement. The Developer of the land behind the Co-op invited suggestions for the naming of that site, preferably (in order to perpetuate historical interest) to include the words 'Brocklesby Ox' in the title. Following discussion, it was suggested that the name should be 'Brocklesby Ox Rise'.

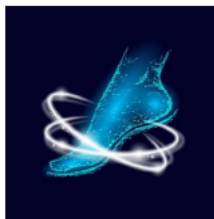

Dawn Macefield
Chair

Ulceby Parish Council meetings on the third Monday in every month at 7pm are currently being held by Zoom.

Everyone is welcome to attend - contact the Clerk for log-in details.

For more information on your volunteer Parish Councillors, meeting minutes and agendas please see ulcebyparishcouncil.co.uk

ULCEBY VILLAGE HALL

We are pleased to say that the village hall is now open for use, after a considerable amount of time and effort from staff, committee members and volunteers to ensure it meets all current government Covid-19 guidelines. The main hall has also been re-furbished.

Some activities have returned - exercise classes, computer club and Twirlers - and all are observing social distancing. The current 'Rule of Six' has restricted further use, and other groups who were hoping to start back have unfortunately been delayed.

The play area is open for use, but the equipment is not sanitised, so please ensure your children sanitise their hands after using it. A funding application has been submitted for the new play equipment.

Volunteers are repairing the fishing pegs at the pond, and are hoping shortly to set up a fishing group, with coaching - see page 9.

Football has returned to using the field for matches - see page 22 for the full report.

ULCEBY VILLAGE HALL

Supporting Your Village Hall

There are a number of ways that you can help to support these facilities, and keep them in a good condition for everyone to use

- If you see an act of vandalism – please report it to the police
- If you walk your dog on the playing field – please clean up after it
- Join the Committee (a monthly meeting and helping at occasional events)
- Shop at the Ulceby Co-op and help raise funds for the village hall
- Book the hall for your children's party or other event -
- Join the 200 Club (see our website or contact Shirley on 01469 588671)

FOREVER AGAINST ANIMAL TESTING

2021/22 season to run alongside the first team. Due to an unbelievable response after putting some feelers out regarding interest, we held a couple of training sessions and were bombarded with players who were all keen to get involved.

Off the back of this, we've began organising friendly games of which the first will take place in Ulceby on Sunday, October 4th. It will give the new management team of Scott Lee and Simon Fox a chance to see some of the players in match action and if they're worth pursuing them for when things get more serious.

If any players reading this believe they can bring something to this team, then please do by all means look us up on facebook @ulcebyfc and drop us a message. We may also be looking for future sponsorship for the B team, so again if this is something that may be of interest, or you know someone who may be interested, again please let us know.

It's exciting times for the club and testament to the structure in place and all of the hard work that goes on by so many people to make it a club that people want to play for.

Throughout the season ahead, please do keep a check on all of the happenings from within the club which can be found on our social media platforms over on Facebook, Instagram and Twitter.

I'd like to wish everyone all the best and as always it would be great to see people from within the village down at the pitch cheering us on.
 Up the Ulceby!

Mark Chapman (Manager).

ULCEBY FC

So the 2020/21 Sunday league season finally got the go ahead, and on 27th September we head out to Scunthorpe to take on Balin Sport in our opening game of the season. To say we're all excited is an understatement, especially having played so many friendlies.

Pre-Season has gone well, with six wins from our seven games played, so fitness levels are high and we head into the season in confident mood hoping to carry on from where we left off last season.

Next season sees four divisions in the Scunthorpe League, but only seven teams in each - this was a cautious decision made by the league committee given the tentative stage of the Covid 19 pandemic, so whilst it is a little disappointing to be playing just twelve league games, during these times and the uncertainties going forward it will just be nice to get some games played which will hopefully result in a fulfilled campaign.

This coming season also sees us venture into the Lincolnshire Sunday Cup for the first time. This is a competition which includes the very best teams from around the area, and we've been handed a home first round tie against Humberston based Division Two side Fosse Water Treatment FC. This will be an unbelievably tough game, but hopefully we'll have a strong side out for it and give ourselves a chance of progressing into round two.

Back in August, we held our annual presentation day at the Fox Inn which was a lovely afternoon spent in glorious sunshine out in the beer garden. Despite the season being cut short, it was still a wonderful effort from everyone involved and the entire squad all played their part to get us to where we were, and it was great to see some of them rewarded with some silverware for their front rooms. There were trophies for the following players :

Captains Player of the Season : Chris McConnell

Special Achievement Award : Jason Maddison

Golden Boot : Daniel Cook (24 Goals)

Manager's Player of the Season : Luke Crofts

Players Player of the Season : Daniel Cook

Away from the first team, it's great to now report some more exciting news from within the club with the planned inclusion of an Ulceby B Team for the

Handy Lady

I am an honest, reliable, friendly person who enjoys housekeeping.

Do you struggle with any of the following-

Cleaning, laundry, ironing, shopping,

I am also a qualified and experienced hairdresser. Do you have problems getting to a hairdressers? I do shampoo and sets, trims, blow-drying and perms.

References and recommendations available. If I can be of help with any of the above, please call for a chat.

## TRANSPORT ARRANGEMENTS FROM 7<sup>th</sup> SEPTEMBER 2020

The 450 bus service terminated on 29<sup>th</sup> August and it's replacement transport, operated by North Lincs Council, is called 'Just Go North Lincs'. This demand-responsive service can be accessed via the app as follows: <https://www.justgonorthlincs.co.uk> where your journey can be booked, or by telephone on 01483 592959.

Also the 250 bus service has been re-routed to stop off in Ulceby. A copy of the new 250 timetable is included on later pages.

Many residents are not pleased with the new arrangements, as the only stop in Ulceby is at West End, which is a considerable distance from most parts of the village. Also the timings are not suitable for everyone for travel to work. There have also been problems in downloading the app for Just Go, which hopefully are just teething problems, and will improve.

The Ward Councillors have provided an explanation for the changes - see page 15.

## ULCEBY POND - FISHING

The lake, our pond, the dog puddle. Call it what you like but it is an asset for us all. Many of us enjoy a late summer blackberry harvest, a place to walk the dogs or even somewhere to sit and let the world go by. Nature is very kind to us painting such a landscape in our village but she needs a helping hand every now and then. Andy, passionately tends to the grounds around the pond and Gav has looked after the pond for a good while. We now have others on board to turn this watery gem into a fishing haven for the residents and their guests of Ulceby. The aim is to create a safer environment for the younger members to fish in. We have got some willing volunteers to run a small junior angling section and a qualified, DBS certified angling coach.

The first job is to get the pond ready by restoring and creating fishing stations for all to enjoy. This will be helped by the grateful donation of pallets, posts and some decking from Keigar Homes and Shel and Mark. We hope to have everything ready by October half term.

If you are interested in finding out more, please email [bshaun67@gmail.com](mailto:bshaun67@gmail.com).

## ULCEBY WI

Not much has been happening because of the strange life we're living.

We started the year with two lovely meetings.

January we did pebble painting. which allowed us all to show our artistic talents.

February we had a lovely talk about the local charity Not Home Alone, which gets people living alone with no family, to get together for a meal at Christmas and other times in the year.

We had planned to start meeting again in September but unfortunately Covid put paid to that.

At this time we don't know when we'll be able to start again. Hopefully it won't be too long.

## ST NICHOLAS CHURCH

As for almost every one things have been very strange over the last few months, and at church that was no exception. For the first time in living memory or even in the whole of history we were not allowed to use the church building or meet as a church (I know the building has been closed for renovation but the body of the church, the people were still able to meet together and worship).

Instead people were able to worship in their homes with our filmed services from "The Vicar's Kitchen" being available on YouTube.

The good news is that the church is now open again and not only on a Sunday. The church is open for private prayer and meditation every day from 9-5, so do feel free to use this wonderful place for quiet and meditation, after all it is your church.

Sunday worship has now resumed at 10:45 each week were a warm welcome awaits. The experience of worshipping in face masks and trying to guess who is behind them is a new one but only a small price to pay if it means we can worship again.

I look forward to meeting more of you in church and around the village as the restrictions are eased.

May God bless you all

Yours Peter

I can be contacted on 01469 589525 or email: [vicarabbeygroup@gmail.com](mailto:vicarabbeygroup@gmail.com)

To comply with Department for Transport guidance, this service connects at Barton Interchange.  
The connection is guaranteed and passengers may stay on the vehicle.

10. Share the roads: No one owns the roads, so being courteous to others is great. If you come up behind a dog walker, a runner, a horse rider or a family out for a stroll, always make sure you shout a warning and slow down, they are less likely to jump in your way.

This is by no way an exhaustive list of what you need to do or have for a safe ride, but it's a great place to start.

If you would like to join local free guided rides then a great place to start is [www.letsride.co.uk](http://www.letsride.co.uk). On here you can find information about Guided Rides, where anyone can attend, and Breeze Rides, which are just for women. These are all lead by volunteers and cover a wide range of speeds and distances so there is always something for everyone.

## MONDAY EVENING BINGO UPDATE

As everyone is aware, it has been a difficult six months and decisions have had to be made to ensure safety to all our members.

A meeting was held with all the Bingo helpers where it was unanimously agreed to postpone bingo at Ulceby Village Hall until March 2021, as consideration for the elderly bingo players and the difficulty in safe distancing has had to be a major concern. The winter months and dark evenings also present their own problems if the weather is poor.

IF the situation should improve after Christmas, we may bring the re-start date forward, but plenty of notice will be given to everyone. All the bingo helpers are looking forward to meeting everyone again and we would be pleased to welcome any new members.

## Top Tips for Getting on your Bike

With the government backing to get Britain cycling, as a newcomer it can be difficult to know where to start. Whether you prefer to cycle alone or want to join a group then here are a few invaluable tips to help you along your way...

1. Check your tyres: If your bike has been in the shed for a few months the tyres may be flat or even perished, pump them up, just so when you squeeze them there is a little give in them, if you have a pump with a pressure gauge, the recommended pressure for your tyres will usually be found on the tyre itself.
2. Check your brakes: pull on your brake levers and rock your bike back and forward - it shouldn't move. If you are in any doubt as to the safety of your brakes you should seek professional help before venturing out.
3. Perform an 'M' check before you leave: This is a general safety check of your bike, instruction for this can be found widely on the internet.
4. Wear the correct gear: you don't have to be dressed in lycra - just make sure your clothes aren't too loose, they are appropriate to the weather and you have a correctly fitting helmet.
5. Take food and drinks: you never know when dehydration or lack of energy will strike, it's always best to be prepared if you're out and about.
6. Take a light and a lock: anything can happen, it's best not to be unprepared, you may want to pop into the shop for an extra drink (don't forget to take your mask if required) or be delayed after dark by a puncture. Personally, when riding along roads, I'd always recommend using at least a rear light to increase visibility.
7. Kit to carry: You need to carry a puncture repair kit - this could be patches or a spare inner tube, a pump that works with your bike and tyre levers. It is also a good idea to keep some cash with these too, just in case. This can be easily carried on the bike with an under-seat saddle bag or even in an empty sports water bottle.
8. Plan your route: start small, don't take on Elsham Hill on your first ride! There is a huge number of country roads at our disposal in this area. Great for building confidence and exploring the glorious countryside.
9. Make friends: say Hi to your fellow cyclists, everyone likes a nod or cheery 'Hello' as you go past. You could also join a local club or guided ride if you don't want to go it alone.

## Qualified Foot Health Practitioner

providing a complete service to you and your family,  
looking after their feet in the comfort of your own home

Also finger nails cut and filed

All treatments include a complimentary foot massage

Home visits by appointment

Days, Evenings and Weekends

Telephone (Mobile) : 0786 4860 486

Telephone (Home) : 01469 589 378

## Just Go North Lincs and the 250 Bus Service

North Lincolnshire Council is committed to working with bus companies to provide the best possible public transport for our communities. As time has gone by and most people now own cars, rural bus services have gradually become unprofitable for the bus companies. In response to this North Lincolnshire Council have provided large financial subsidies to assist the bus companies to continue to keep rural services going.

As passenger numbers have fallen year on year it is disheartening to see 50 seat buses running mostly empty whilst burning large quantities of diesel fuel. It makes no economic sense and is damaging the environment. To improve this situation North Lincolnshire procured a demand responsive bus service known as Call Connect. This service used smaller, cleaner buses and made journeys only when requested.

Whilst largely successful it was recognised that passengers needed more flexibility and improved reliability particularly when booking essential journeys such as visits to hospitals and doctors. North Lincolnshire Council has therefore commissioned a new demand responsive service known as Just Go North Lincs which became available on September 7<sup>th</sup> 2020. This service can be booked up to one month ahead or on the day it is required.

The best means of booking the Just Go bus is by using the Just Go app which can be downloaded from Google Play or the Apple App Store. Alternatively buses can be booked by dialling 01482 592929.

COVID 19 has caused many problems for public transport and Just Go has been affected because social distancing has limited the number of passengers to 7 per vehicle. This has sometimes limited the flexibility of the service but there will be sufficient capacity for all users once restrictions are lifted.

Another unfortunate consequence of COVID 19 is that passenger numbers have fallen to such a degree that Stagecoach are no longer able to run the 450 service which ceased on 29<sup>th</sup> August 2020. There is however good news as the 250 service has been diverted to include Ulceby, Wootton and Thornton Curtis linking these villages to Grimsby, Cleethorpes and Barton on a more regular basis.

Your ward and parish councillors have advocated strongly for reliable bus services that link our villages to larger towns so please don't hesitate to contact us to provide feedback on the new services.
