ULCEBY PARISH COUNCIL CHAIRMAN'S ANNUAL REPORT May - July 2021

May saw us able to resume face-to-face Parish Council meetings.

The Public Footpath sign, a replacement dog waste bin and the siting of a replacement seat, all in the area of the recently developed old school site, is ongoing. Financial support for a wildlife habitat project in the area of the village hall pond was agreed and we are grateful to all the residents who took part in the recent 'spring clean' of hedges and paths in the village as part of the preparations for the Best Kept Village competition. NLC have advised that they propose remedial work in the area of the quarry underpass in order to make this area accessible throughout the year. Currently it is prone to severe winter flooding. Requests have been made to NLC to scrape back some pavements and grass cutting throughout the village, where it is the responsibility of the Parish Council, will be subject to a review. The Village Hall's request for financial assistance towards meeting the cost of grass cutting was agreed.

During this period we continued our support of the Ulceby Road Safety Group when, via Zoom and Microsoft Teams facilities, URSG and some members of the Parish Council were invited to take part in discussions with NLC Officers on two major topics – a Freight Strategy and a Route Assessment discussion. Regrettably, these meetings did not offer any resolutions to the problems of traffic through Ulceby; however, URSG will continue to press the case for a 7.5 cwt weight limit as a first step towards greater safety and the Parish Council will press NLC for a copy of the Freight Survey which was promised to us many weeks ago. A grant for the installation of two more comprehensive radar speed signs has been submitted to NLC and we await their reply. Information about the April

Chairman's Report Continued from page 1

footfall count at the crossroads in relation to the possible siting of a pedestrian crossing is also awaited. With the lifting of Covid restrictions, the community speed watch initiative has resumed with a number of motorists being shown to have exceeded the village speed limit, although there are limitations as to where they are permitted to operate. NLC will be approached to consider expediting making the additional speed calming road markings, promised to us several months ago.

A face-to-face meeting with an Officer from NLC to assess the need for a Neighbourhood Plan for Ulceby is to be arranged and we have extended an invitation to the group assisting with the Emergency Plan to address the Parish Council regarding the next steps. NLC have provisionally agreed to grant the Parish Council a 25-year lease on the land behind Station Road and to ensure we incorporate as many suggestions for its' use as possible (e.g. siting a gym trail, allotments, contemplation garden, wildflower meadow, benches etc), all of which have been approved by the Estates Officer, it has been agreed to seek to employ a professional designer to incorporate these suggestions before final approval for the layout is sought from NLC and details of a Lease duly agreed. Our NATS representative reported that the topic dominating the current round of meetings is that of fly tipping and urgent steps are being taken to eradicate this dreadful problem.

We have unfortunately received the resignation of 2 parish councillors, and advertisements will shortly be placed to fill their vacancies. Watch the notice board or website for details.

ULCEBY VILLAGE HALL

We are pleased to say that activities at the hall are slowly returning to normal - our monthly committee meetings are once again held at the hall at 6.15pm on the second Monday in each month, if anyone wants to find out more of what we do, please come along. Monday night bingo is back, fitness classes, computer club and Twirlers have returned. WI is starting up again on 16th September (see page 13), and the new Mother and Baby group is growing in strength. We are now open for parties, and can take bookings - please contact our Booking Officer on 07435 587394.

The football team now has a second team - see page 22 for the full report.

The play park is now closed for refurbishment, and we will enjoy seeing it all come together - see also page 23.

We are starting to arrange fundraising events, the first of which will be a Craft Fair on Sunday 26th September 12.00 - 4.00 pm - contact Dawn Johnson on 07435 587394 to book a table.

Then there will be an auction on Sunday 17th October - see page 11 for full details.

The Christmas Fair has been arranged for Friday 26th November 6.30pm.

We are also hoping to hold a Halloween Party and Children's Christmas Party. Details will be announced nearer the dates.

Looking forward to seeing you all soon,

Ulceby Village Association

ULCEBY PLAY PARK

Work begins

7th July 2021 - PRESS RELEASE

Work begins on new Children's play park in Ulceby

Building work is under way to create a new play park for children in Ulceby, North Lincolnshire.

The Ulceby village play park project is a step closer now that the construction team have arrived and the old equipment is due to be taken out at the site on Spruce Lane.

The project, which is being largely funded by a £70,000 grant from FCC Communities Foundation, will provide all new play equipment, including a multi-gym, trim trail, inclusive roundabout, swings and bouncers once it is open later this year.

Karen Denton, Trustee of Ulceby Village Association, project manager of the new play park is excited that the project is starting to take shape.

She says: "It's great to see our vision for this vital community facility moving closer to reality. We are extremely grateful for the funding FCC Communities Foundation has given us and we're looking forward to opening it to the public."

FCC Communities Foundation is a not-for-profit business that awards grants for community projects through the Landfill Communities Fund.

Richard Smith, FCC Communities Foundation senior grant manager, says: "It's always nice to see something we have funded start to take shape. We're delighted to be supporting the play area improvement in Ulceby and look forward to it benefitting families and children for many years to come."

ULCEBY FC

So the season ended on a high, yet rather anti climactically for the boys!

The last report from ourselves saw us still within a shout of the title, albeit a slim one. Needless to say we didn't take it, falling short in the key games early on which saw us drift away leaving Ashby and App Frod to battle it out.

As it turned out the destiny of the title went down to the final game of the season which we were involved in, and in front of a bumper crowd down at Ulceby we put in a superb performance, coming from a goal down to defeat App Frod 3-1 and handing the title to Ashby who were in attendance themselves and celebrated with the trophy at the final whistle.

It was great to finish the season in the way we did after the stop/start shenanigans of the entire campaign, and the lads deserve great credit for raising their levels for those final few games, especially having nothing really left to play for other than pride.

It's given us a huge boost as we prepare for next season in which will hopefully be a much smoother journey throughout without having to take months out at a time.

There's no question whatsoever it affected us badly, but credit to the other teams who made the best of the situation and claimed some silverware.

As many people will be aware, we excitedly enter the 2021/22 season with two teams for the first time in some 20 years!

Simon Fox and Scott Lee will lead Ulceby FC 'B' into next season, beginning their life in Division Four and will be coming up against some established and new sides alike and I know as a squad they can't wait to get going.

It's been a long old journey for them from when they first formed, but they've done a brilliant job in assembling a huge squad of decent lads and kept themselves busy by playing plenty of friendly games which has really helped them gel as a team.

I'm sure they're going to surprise a few people next season and it will be great to see how they get on.

The season is looking likely to be underway by mid September so we'll probably be up and running come the next update, but I can tell you that both sides are working extremely hard already by putting the hard yards in in preparation and we both can't wait to hit the ground running.

As always feel free to keep up to date with all the news from within the club via our Facebook, Twitter and Instagram pages and please do give us a follow.

Valkyrie Wilderness Workshops

Valkyrie Wilderness Workshops, based in Keelby, was founded in 2020 by Army Veteran Steve Baxter

with the aim of providing support to Armed Forces Veterans and others in the community struggling with mental health issues, isolation or addiction. Participants take part in a variety of activities at our rural basecamp, 'Valhalla', and through these can choose to share their problems with others and gain peer support. Our support programmes are free of charge to those who need them.

The activities we regularly undertake include axe & knife throwing, wood tattooing, woodworking and archery. Participants in our recent projects have also undertaken groundwork and construction on the site. Our future plans involve a full renovation of a barn which forms part of the site into a Viking-themed indoor space. This project will be led by local interior designer Rob Fawcett, who has recently featured on BBC2's Saved and Remade series. People joining our Wilderness Wellbeing Workshops will have the opportunity to be involved in this work if they wish, learning new skills from Rob. We are also developing a pond on site for fishing, which we hope to have completed in the next few months, and plans are also in place for opening a Men in Sheds Group in the near future. Our open workshops will commence in June and take place every Tuesday, and are part funded by a grant from the National Lottery Community Fund.

Once a month we run weekend camps for Armed Forces Veterans, supporting those who are experiencing mental health difficulties or personal problems relating to their service. Participants undertake a day of activities before sitting down around the campfire in the evening to share their experiences. For 2021 we are inviting local businesses to sponsor our camps, or individuals to sponsor a Veteran's place on one of our camps.

To help fund our work we run open Axe & Knife Throwing sessions on Wednesdays 6pm-8pm and Saturdays 10am-12pm. Sessions cost £15 for adults and £10 for 12-16s. Our axe range is also available for private bookings for groups of over 8 people. If you, or someone you know would be interested in joining a workshop or veterans camp, a future Men in Sheds group or sponsoring our activities you can contact us via our Facebook page: www.facebook.com/valkyriewildernessworkshops; email us at: hello@wilderness-workshops.com, or visit our website: www.wilderness-workshops.com

Anyone interested in our axe throwing can find more information on the Valkyrie Berserkers Facebook page: www.facebook.com/ValkyrieBerserkers, or via the website.

ULCEBY POND

High Summer and the water lily plants are open and proud whilst the world and clouds move by. Dragonflies dance at the stems of the irises after rising from their nymph stage of metamorphosis. Quietly, almost silent, the tench from deep within the pond are blowing bubbles as the sun begins to rise further in the sky. Come along in early morning and you may see a solitary angler trying for those feeding tench or better still the heron looking for his breakfast. If there is an early morning mist then all the better, it just adds to the mystery.

A mystery that is not lost on the children who attend the Saturday morning sessions. Listening to Ellie giggling, as she puts the fish back is wonderful, with or without her sidekick Sophie. Riley shouting the amount of fish he catches or Spencer asking a million questions, it is great fun. Not forgetting the brotherly rivalry between Harley and Jack whilst Harry and Lewis watch on amused. These two are poised and ready to strike at the slightest movement of the float, Megan is equal to them and concentrates, if only she would look where she is stepping though, as the pond is a little wet. Laughter ringing around the pond, mostly from little sister Amy and a typical session has taken place.

Finally, thank you to the ladies and gents who have donated old usable fishing gear to the children, all is gratefully received and passed on.

WHY NOT JOIN YOUR LOCAL LOTTERY?

JOIN THE 200 CLUB AND HELP RAISE FUNDS FOR
ULCEBY VILLAGE HALL

The cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £20, £10 and two of £5. There is also a larger end of year draw - the amount depends on the number of members - the more members the bigger the prize! During lockdown, we have been unable to do the usual draws at the Yarborough Arms, so the numbers have been drawn by an electronic number generator.

Here are the winners for the first half of 2021. It may take a while to distribute the prizes at the moment, but don't panic if you haven't had yours - we will get them to you eventually. We would like to thank everyone for their continued support - in 2020 you helped to raise £939! You can join at Judith's Fitness Classes, Bingo or telephone Shirley on 588671, or email ulcebyvillagehall@gmail.com.

ST NICHOLAS CHURCH

Dear Friends,

Robert Burns talked about "the best laid plans of mice and men" Well I am not sure what plans the church mice had but the plans of mankind was to get back to normal from the 16th June. So that we could worship without the inhabitation of distancing, face masks and not being able to sing in our worship. But all of that changed when the easing of lockdown restrictions was put back a month, until the 19th July. So sadly there is not much to report from the church this time. However if those plans come into fruition then we should have more to report including news about our church and community book exchange. Don't forget our community coffee mornings on a Wednesday at 10:20, at which you will be very welcome.

Yours Peter
Vicar of the Abbey Group of Churches.

I can be contacted on 01469 589525 or email: vicarabbeygroup@gmail.com

Little Brocklesby House

- Little Brocklesby House is a small, relaxed and friendly care home registered for 36 residents;
- Located in the charming village of Great Limber, North Lincolnshire;
- Sheltered in 9 acres of beautiful mature wooded grounds next to the Brocklesby Estate;
- Acquired in September 2020, and is now undergoing an extensive and sympathetic refurbishment to restore much of its former glory;
- A specialist sensory programme – Namaste;
- Namaste means “to honour the spirit within” and provides a practical, approach to meet the physical, sensory and emotional needs of people living with advanced dementia;
- Namaste can be particularly helpful to reach and provide comfort to those who cannot respond or join in with more traditional activities;
- Tailored made activities using an interactive sensory machine (rarely found in smaller residential care homes), often referred to as a Magic Table, which enhances eye to hand cognitive ability and provides residents with many engaging activities;
- We care for adults over the age of 50 and specialise in many areas such as Dementia, Stroke, Heart Conditions, Diabetes, Physical & Emotional conditions, Peg Feeds;
- Flexible respite facilities; from one day to several weeks;
- Person centred care specifically focused on tailored activities and interest;
- We offer care services to people in Lincolnshire, NE Lincolnshire & North Lincolnshire;
- We can facilitate both privately and local authority funded residents;
- View our regular facebook video postings

PARKING ON THE HIGHWAY

Tips on safe Parking

Remember...

The highway is for the free flow and passage of moving vehicles.

If you park on the road:

Do it correctly, with all wheels on the roadway;

Do not inconvenience other road and footway users.

If you have a driveway, please use it

Correctly parked vehicles on the highway can help to reduce other vehicles' speed.

Your co-operation is essential, to make North Lincolnshire roads safer.

Humberside Police can prosecute for dangerous or unnecessary obstruction - BE WARNED!

Some people are parking vehicles on the road, preventing residents getting in and out of their drives and also causing inconvenience to other road users.

To make sure you don't cause problems:

Do not park:

on a footway or verge
where the kerb has been lowered
within 10 metres of a junction
where it will obstruct other road users

at night: facing oncoming traffic
without lights on roads where the
speed limit is more than 30mph
without lights if your vehicle weighs
more than 1,525kg unladen (ie
30cwt approx)
