ULCEBY PARISH COUNCIL

CHAIRMAN'S ANNUAL REPORT

April 2020 – March 2021

I will give here a brief overview of the activities of Ulceby Parish Council, covering the above period.

As a Parish Council, we are hopeful that, following lockdown, we can begin to hold 'face to face' meetings in the summer. Until that time, and during the whole reported period, we have held 'zoom' meetings which, although not ideal, has meant that we could continue with the Parish business. Recently we have been advised that NLC have decided that the land behind Station Road, previously designated for housing development, has been identified as an 'important open space'. In the coming months we will canvas your views on its' future village use. In December we were able to establish the siting of an illuminated Christmas tree at the War Memorial, and last Autumn we ensured that the Humber Flyer, travelling daily on a regular basis between Hull and Cleethorpes, was rerouted to include the village, meaning that there is now an excellent daily service for our residents between these venues.

We have continued to support the Ulceby Road Safety Group in their campaign to make our village roads safer and, if possible, make the main road through the village, the subject of a 7- ton weight limit. Another URSG proposal is to be investigated on 22/23 April in a 'count' of people crossing the road in the area of the Lollipop lady, in the hope that a Pedestrian Crossing can be established here, pending sufficient footfall. Volunteers have been trained to undertake village speed watch activities but more volunteers are needed, and if you would like to be involved, please contact the Parish Clerk. The monitoring will resume following the release of covid restrictions. The surface of

Chairman's Report Continued from page 1

Abbey has had temporary repairs and, following further planned drainage work, a total resurfacing will take place. We have lobbied successfully for the resurfacing of Croxton Road, and the previous DRUE arrangements for one way traffic via Habrough during A180 closures, recently withdrawn, is to be raised again with Highways England. The purchase of solar operated speed cameras for the village, which also allow downloading of stored information, are being explored and a North Lincs Freight Strategy meeting, across all the Ferry Wards, will be held remotely in early April at which members of the Parish Council and URSG will attend.

Financially, using S106 monies arising from housing developments in the village, we have helped to support the Village Hall in refurbishing the children's play area and, when further funds are available to us, we intend to establish an adult gym trail nearby. A village Emergency Plan and a Neighbourhood Plan are both being pursued and the £250 grant from NLC for 'Spring in Bloom' will be used to add baskets to the village signs at Skitter and Brocklesby Road, and a new seat will be established at the end of Martins Road.

During this whole covid time, your Parish Councillors have had the welfare, comfort and safety of Ulceby residents at the centre of their thinking and actions, and they are to be commended for their care and attention which they give for you so freely. Being part of this group is a privilege.

ULCEBY PARISH COUNCIL

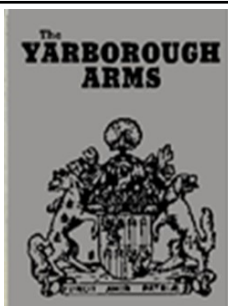

WHERE DOES YOUR MONEY GO?

Of the amount each household pays to North Lincolnshire Council in Council Tax, approximately £22 a year is passed to Ulceby Parish Council in the precept. A proportion of this is spent on essential items, and the remainder is spent locally to benefit the village, as the Parish Council thinks fit. Some is used to improve the appearance of the village, such as flower displays and grass cutting around the church, and some to support local groups and organisations. If you are involved in such a group which is in need of funding, or are interested in setting up a new group and would like to apply for some financial assistance, please contact Karen Pickering, the Clerk to the Council (details on back page).

The precept was set at £18,000 for 2020/21, and this was boosted by a North Lincolnshire Council precept grant of £1,118. We have tried to keep it as low as possible for a number of years, but due to rising costs it was felt necessary to increase it in that year, but have kept it at £18,000 for the current year. In addition, some income is received from the cost of advertising in this newsletter, which more than covers the cost of its printing (see also page 15). For your information, the chart below gives a breakdown of how the precept was spent in 2020/21.

ULCEBY VILLAGE HALL

EASING OF LOCKDOWN

Step 1 of the Easing of Lockdown started on Monday 29 March. Following Covid-19 Government Guidelines UVA are delighted to announce Ulceby Football Team commenced playing on Easter Sunday.

Step 2 of the Government Guidance - the village hall will re-open on Monday 12 April. This initial opening is for some children's activities, with restricted numbers, in a controlled environment and again adhering to Covid-19 safety rules applicable to the hall.

The Ulceby Twirlers returned on Saturday 17 April at 2.15pm plus a new Baby and Toddler Group started on Monday 19 April at 9.30am, look out for the adverts on Facebook.

Adult activities may re-start on Step 3 which is no earlier than Monday 17 May, again with restricted numbers, in a controlled environment and adhering to Covid-19 safety rules applicable to the hall.

During April Ulceby Village Association contacted their regular user groups to find out their plans for re-starting, and will give updates when they have the information.

It is hoped that the current timeline for coming out of the lockdown happens as laid out by the government's plan and that all restrictions will be lifted on Monday 21 June.

In the interim, we can take provisional bookings for all activities after Monday 21 June, please contact our Booking Officer on 07435 587394.

IN NEED OF URGENT MEDICAL ADVICE?

The NHS 24 111 service provides urgent health advice out of hours, when your GP practice or dentist is closed.

It's sometimes referred to as 'unscheduled care services'. This means that the service is there for you, in the out of hours period when other sources of support such as your doctor or dentist are closed. You should only phone 111 if you're too ill to wait until your GP practice reopens.

Medical emergencies

If you think that someone's life is at risk you should phone 999 immediately. The 111 service isn't suitable for medical emergencies.

ULCEBY FC

It was finally great to back out on the field during the month of April as the government began the easing of the nationwide lockdown, and as a club we dusted off the cobwebs by playing a couple of in-house friendlies between both of our teams.

It was a useful exercise for both squads of players as both match sharpness and fitness were understandably at rock bottom, but now hopefully we can move forward and our respective teams continue to improve.

On April 18th it was back to the serious stuff with the visit of league leaders Appleby Frodingham to Ulceby. In a tight game of few chances, the away side were leading 1-0 before an unfortunate clash of heads early in the second half between a Frod player and our defender Luke Hylton ultimately resulted in the abandonment of the game. Fortunately Luke escaped with relatively minor injuries considering the nature of the incident, but it just goes to show how dangerous the sport can be.

Luke is now out of hospital recovering and everyone at the club wishes him well, and we'll hopefully see him again soon.

The game has been ordered by the league committee to be fully replayed at a later date, and who knows how crucial an encounter it could be given how tight the league table is at the time of writing.

The upcoming weeks show little let-up, with each Sunday seeing us come up against the top three sides in the table. It will certainly keep us on our toes and will go a long way to shaping how the final table will look, hopefully we finish the season strongly just as we did last season and we'll be right there in the mix - our next update will hopefully be bringing good news on that front, we'll see.

Known dates for the diary are : April 25 v Ashby FC @ Ulceby (KO 10.30) May 2 v Ashby FC @ Baysgarth School (KO 13.30), May 9 v Appleby Frodingham @ Ulceby (KO 10.30), May 23 v Trinity FC @ Ulceby (KO 10.30), May 30 v Crown Inn @ Ulceby (KO 10.30) - May ? v Appleby Frodingham @ Appleby Frodingham (TBA.)

The Reserves will continue their development as a team with a plethora of friendly matches that will last throughout the Summer, they will also be training weekly too so if anyone fancies dusting the boots off and getting themselves into

## ULCEBY POND

The cold is slowly turning to warmth and the days are getting longer. The fishing on the pond should be picking up but the nights are cooling the water before it has any time to warm. Therefore the fish feed in fits and starts and so it seemed during the first junior fishing session. This has been a long time coming but the sunshine, and more importantly the easing of lockdown, allowed a few children to venture down. Many bites were given but all aspiring anglers need these before they work out how to hook the piscatorial creatures of the deep. As time passed Roach, Bream, Rudd and a solitary big Ide<sup>1</sup> graced the nets and smiles filled the faces of both parents and children alike.

Thank you to Andy for opening up the gate, Judith and Bridget for calling in to check proceedings and not forgetting Owen for his gentle and insightful teaching style.

In the meantime the Water- Lilies are starting to come back to life and the first shoots of greenery are visible from the Iris plants poking through.

Come and enjoy the surroundings, it is there for us all.

If you are interested in finding out more, please email [bshaun67@gmail.com](mailto:bshaun67@gmail.com).

## Best Kept Village Competition – The Village needs Your Help...

Ulceby village has once again been entered into the CPRE Best Kept Village Competition. Although we score well every year we would love for the village to be placed in the top 3 in its category.

The competition isn't just about a clean and tidy village, "Judging takes into consideration a number of criteria with the emphasis on community involvement." Meaning that people's own garden planting and maintenance of their hedges and boundaries all matter to the score.

There is a lot of great work already going on, we thank the village for that, and we hope that we can gain more support to get the final few points we need.

For us to pick up those vital few points to push the village into the top 3, your help is needed.

As a village resident you can support the competition in the following ways:

- Maintaining, weeding and sweeping the road side of your property boundary.
- Assisting with litter picking when out and about, if you'd like any bag hoops or litter grabs, please contact the parish council clerk.
- Clean the areas of the village that 'trap' debris and dirt like twigs, leaves and weeds.

Due to the current COVID restrictions, we are unable to organise any events to progress this, so any individual help that people can safely give will be greatly appreciated.

If you have any questions, comments or suggestions, please contact the Parish Council Clerk.

Many Thanks.

Ulceby Parish Council

### PRESS RELEASE

Funding approved for new Children's play park in Ulceby, North Lincolnshire.

Children in Ulceby are set to get a new and improved play park thanks to a £70,000 grant from FCC Communities Foundation.

The money will be used to buy play equipment at the Ulceby Village Hall on Spruce Lane.

Karen Denton, Trustee of Ulceby Village Association, project manager of the new play park believes the facility will make a huge difference to the lives of people living in the area.

She says: "This project will provide a real boost to the people of Ulceby. It's fantastic that FCC Communities Foundation has awarded us this money and we're really looking forward to our new children's play park taking shape over the next few months"

FCC Communities Foundation is a not-for-profit business that awards grants for community projects through the Landfill Communities Fund.

FCC COMMUNITIES FOUNDATION Grant Manager, Sophie Cade says: "We are delighted to be able to support the redevelopment of Ulceby village play area; a great project to give a new lease of life for the park in time for summer."

Karen Denton hopes the new play park will be ready to use by the summer.

## ST NICHOLAS CHURCH

Dear Friends

Easter is the most special time in the church's year, and this year with the current situation it was even more so. Last year the church was closed during the Easter period and the online services from "the Vicars Kitchen" as they became known was the only form of service. This year we were delighted to be in church again as we celebrated the highs and lows of Easter. Good Friday is always an emotional service with its feeling of helplessness and hopelessness as Jesus is crucified and dies on the cross. In church all the flowers hangings and decoration are removed to remind us of the solemnness of the day. Then on Easter morning there is light, warmth and colour as we celebrate the resurrection of Jesus and understand that love has come again. This is enforced by the lovely flower displays that our dedicated team of 'young' ladies have produced for us again, along with the gold and red of the altar hangings. This year we were very pleased to have a wonderful Easter display by the children of the primary school whose work was so prolific that it not only filled the porch but also the display boards inside as well. As the church is open during the day do pop in and have a look.

Looking forward we are hoping to resume our community coffee mornings on Wednesdays once restrictions have lifted further.

God Bless

Yours Peter  
Vicar of the Abbey Group of Churches.

## ABOUT THIS NEWSLETTER - ULCEBY PARISH LINK

Ulceby Parish Council started producing this newsletter in 2011, as the monthly newsletter that was run by the local churches came to an end. Since then, it has been produced on a 3-monthly basis, and delivered free-of-charge to every household in the village - around 800 properties. They have been delivered by volunteers, and we would like to thank them for carrying out this service. More copies are available for visitors to pick up at the Co-op, tearoom and village hall (Covid permitting).

It started off as a 20-page booklet, and now regularly has 28 pages, and sometimes 32 if there are a lot of articles submitted, or it is a busy time of year when there are many events taking place.

It is good to hear how groups in the village are getting on, and we like to receive articles from them. Residents are welcome to submit news of any personal celebrations or achievements they would like to share.

Over the years many businesses have placed advertisements, which has funded the cost of printing, and even a small profit has arisen. This has enabled the Parish Council to give donations to help organisations. We would like to thank the businesses for their continued support.

In its first 10 years, Ulceby Parish Link has made profits totalling £3493, and donations have been made towards helping the Chat Club, and repairs that were needed to the safety surfacing of the play area.
