Ulceby Parish Council CHAIRMAN'S ANNUAL REPORT April 2021 – March 2022

Throughout all the trials of the various lock-downs during this period, the Parish Council continued to hold their scheduled meetings but it was a relief to us all when, finally, we could actually see each other to discuss the various topics, without the need to be 'masked up'. However, there is no doubt that the pandemic has adversely affected our ability, and that of North Lincs Council, to fulfil the projects and tasks which we have been able to complete. Three projects which have still been pursued are the establishment of a community garden on the land behind the properties on Station Road, the preparation of a village Emergency Plan and the siting of a pedestrian crossing, although the actual positioning of the crossing at the central village junction is still under discussion.

We have also established the practice of siting a lighted Christmas tree in the War Memorial enclosure and have continued the verge grass cutting and flower display planters throughout the village. Additionally, to mark the Jubilee we have decided to site two 'waterfall' design planters within the confines of the Memorial to supplement the planters already there. The Ulceby Road Safety Group have continued their speed watch programme and an additional speed sign has been sited on Brocklesby Road. The preparation of a Freight Report from NLC is still awaited but we have been advised that when it is received, regretfully, it still may not benefit our traffic difficulties. The URSG continue, with support from the Parish Council, their pursuit of a 7.5 ton weight limit through the village.

Chairman's Report Continued from page 1

Financially, we have helped to support the village football team and made a very large contribution towards the refurbishment of the children's play area at the village hall. We also took responsibility for the grass cutting there and have also added to the hall's funds by a £500 donation towards their plans for a village Jubilee Celebration in June. To ensure the safety of our more senior village members, we ensured that the pavement in the area of the older properties in Hallcroft was replaced this Spring and that the concerns of local residents regarding signage and flue extraction at the new Abdal's Restaurant were duly acknowledged and supported. From the above, you can see that your Village Representatives have continued, despite Covid 19, to promote the welfare and interest of all residents. The Parish Councillors are good people; they are a diligent and supportive group who always put the concerns and welfare of village residents at the centre of their actions and they are most deserving of the thanks of us all.

Best Kept Village Competition – The Village needs Your Help...

Ulceby village has once again been entered into the CPRE Best Kept Village Competition. Although we score well every year we would love for the village to be placed in the top 3 in its category.

The competition isn't just about a clean and tidy village, "Judging takes into consideration a number of criteria with the emphasis on community involvement" meaning that people's own garden planting and maintenance of their hedges and boundaries all matter to the score. For us to pick up those vital few points to push the village into the top 3, your help is needed.

You can support the competition by maintaining, weeding and sweeping the road side of your property boundary, assisting with litter picking when out and about, (if you'd like any bag hoops or litter grabs, please contact the parish council clerk), clean the areas of the village that 'trap' debris and dirt like twigs, leaves and weeds.

If you have any questions, comments or suggestions, please contact the Parish Council Clerk.

Many Thanks - Ulceby Parish Council

ULCEBY WI

Ulceby WI are continuing to meet at 7.30pm on the third Thursday of the month. We are still a small group of diverse ages and interests but all with a desire to keep the group going for the benefit of all women in the village. Here is a summary of what we have done and what is to come. Hopefully we can tempt you to one or more of our sessions in the Village Hall.

Our February session on "Tax, Care and Toy Boys" was entertaining and well received and several members arranged a follow up visit.

In March we were treated to a serene demonstration of tai chi followed by practical sessions. Surprisingly, the sessions carried out whilst sitting were very energetic, but we all enjoyed them and completed them to our individual abilities.

In April we had an entertaining talk from Derek about curious objects that he brought with him. This was delivered in the form of a quiz, which was amusing and informative.

Our May 19 session includes a demonstration of making Greeting Cards, followed by an opportunity to make our own.

June 4 we are having a table at the Village Hall on Jubilee Day. Please come and say hello and find out more about us.

In June 16 we welcome a speaker from Ark Rescue Centre, near Donna Nook. Which should be both informative and uplifting. They do not charge a fee but ask for donations of pet food or bedding, so if you would like to join us and want to support them, bring something along.

Our July 21 session is a visit from Fen Bank Greyhound Sanctuary and again they are grateful for food and bedding donations.

We do meet in August, but it is usually a lunch out as people are on holiday and have other demands on their time.

We would love you to come and join us. Please look out for posters around the village advertising each month's activity.

If you would like more information, please contact the secretary, Lynne Brister at lyn.brister@lynbrister.com.

ULCEBY POND

Having kept an eye on the pond over the winter it is great to report that it is in a healthy state. The fish are thriving, if not reluctant at times to show themselves. They take maggots readily and the larger fish can be seen bubbling over larger particles introduced by dog walkers and anglers a like. The Bream already have spawning nodules as the water warmed quickly in the last week of March, sadly the North wind and its snow flurries cooled the pond. Now we will see a race against time for the Bream to release their eggs, it is not unknown for them to struggle after a cold front.

The willow saplings added a touch of excitement to the future, they just need a chance to establish and the cover they will offer should provide nature's arm of protection around the area. Credit should be given to the vision of the Village Hall Association.

Finally the fishing club. For those enquiring - I hope to restart after Easter. Last year was about introducing the sport to as many youngsters as possible, this year will see challenges set and badges awarded. Sadly Owen is now of working age and unavailable on a Saturday morning. So for now, it is just me...

Hoping to see you around our little oasis in the near future.

Update on the tree planting mentioned in the last issue

Unfortunately a number of the supporting stakes and protective covers for the saplings have been removed by individuals who felt it a good idea to throw them into the pond, and some of the saplings themselves have disappeared, but hopefully those that still remain will be allowed to grow bigger and enhance the appearance of the area and benefit the wildlife. There are some cherry, elder and rowan trees that will blossom in the spring, and provide berries for the birds in summer and autumn.

VILLAGE TRANSPORT LINKS

Recently I had an accident and was unable to drive. With transport from family and friends, this was brilliant but I wanted to be independent so I found out about 'Just Go'.

I booked a dental appointment and a visit to a tea room. 'Just Go' picked me up at the 'bus stop opposite the old Co-op store and arranged a time to bring me back. They have been brilliant; for anyone living in North Lincs, you just pre-book. 'Just Go' will also take you to Brigg Garden Centre.

I also used the Humber Flyer (Stagecoach) to take me to Grimsby. This runs every hour. It travels to Keelby, Laceby and then Grimsby. I would recommend this travel to anyone unable to drive.

Regards

Time to get walking again!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

Walking in Lincolnshire <https://www.walkinginengland.co.uk/lincs> has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Lincolnshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

A MESSAGE OF THANKS TO ULCEBY BINGO GROUP

A big thank you to all the members of the Monday night Bingo Club in Ulceby who responded so magnificently to the appeal by Barrow Church for 'comfort' items for the Refugees leaving Ukraine. You helped us to collect three car loads of bags, full of all sorts of personal items for ladies, gentlemen and children, and we transported these to the collection points in Barton and Hull.

You were all so generous and responsive to the plight of the people of Ukraine that some of the volunteers who were collating the donations, were moved to tears. Thank you ladies of Ulceby Bingo Club from everyone involved in the passage of the gifts.
