Ulceby Parish Council CHAIRMAN'S UPDATE

April – July 2022

In April the Parish Council voted unanimously to object to the building of a solar panel farm at the old Zulu Farm in Carr Road, citing 11 major rejections. At the same meeting the Humber Low Carbon Pipeline was discussed when it was agreed that prior to this pipeline being established, it was necessary that a robust traffic management plan should be put in place which prevents vehicles for this project from travelling through Ulceby. The meeting also felt that both our village and the pipeline would be better served if it was located further West, away from Uceby completely.

In June, the building of an additional 27 houses on the site in Station Road where permission already exists to erect 90 dwellings was supported by the Developer, explaining that this addition would increase the number of 2/3 bedrooomed properties available and would increase the number of affordable homes from 9 to 12. Five conditions were attached by the Parish Council to this plan, including the siting of a pelican crossing in this area, all construction traffic must use the A180 and avoid the village, and that priority for the affordable homes should be given to residents of Ulceby or close villages. The matter of securing the S106 monies associated with the extra houses has been pursued by the Clerk (with input from Cllr Hannigan) and NLC advised that this money, since it has to be used for recreational purposes, would be for the erection (at the safe location of the Village Hall) of a teenage/adult gym trail.

The NAT's representative reported that the difficulty of fly tipping is an increasing problem. Examination of the Lease from North Lincs Council for the land behind Station Road, which the Parish Council proposed to adapt for allotments/communal garden/etc, was discussed but there were two important clauses which the Parish Council could not agree on. These related to NLC being able to revoke the Lease with only six months' notice to vacate the site,

Chairman's Report Continued from page 1

and also that the Parish Council be liable for any flooding which occurred. This matter will be carried forward to the September meeting when a full attendance by Parish Council members will occur and an agreed decision reached.

In July it was reported that the Ulceby Road Safety group have had a meeting with Inspector Jamie Allen who has promised more police presence in the village and this increased presence had been evident over the last few days. The Community Speed Watch team may be permitted to use locations used by Safer Roads Humber when not in use by them. The siting of the pedestrian crossing at the village centre has been the subject of a full safety audit by NLC of the proposed Parish Council's alternative siting, east of the crossroads. The conclusion of the audit was that, either the crossing was established at the original location to the west of the crossroads, as determined by NLC, or the siting of a crossing would have to be abandoned completely. This resulted in a vote of 7 in favour with 1 abstention, that the pedestrian crossing be established where NLC originally determined, at the west of the crossroads.

WHERE DOES YOUR MONEY GO?

Of the amount each household pays to North Lincolnshire Council in Council Tax, approximately £17 is passed to Ulceby Parish Council in the precept. A proportion of this is spent on essential items, and the remainder is spent locally to benefit the village, as the Parish Council thinks fit. Some is used to improve the appearance of the village, such as flower displays and grass cutting around the church and playing field, and some to support local groups and organisations. If you are involved in such a group which is in need of funding, or are interested in setting up a new group and would like to apply for some financial assistance, please contact Karen Pickering, the Clerk to the Council (details on back page).

The precept was set at £18,000 for 2021/22, but it has now been increased to £20,000 for the current year. For your information, the chart below gives a breakdown of how the precept was spent in 2021/22. As well as the precept, payments were received from North Lincolnshire Council for the costs of grass mowing around the village of £4404, and Section 106 money of £13,915 was received from Keigar to pass on to the village hall for the new play equipment.. In addition, some income is received from the cost of advertising in this newsletter, which more than covers the cost of its printing.

ULCEBY VILLAGE HALL

There was a Platinum Jubilee Celebration on Saturday 4th June when, despite the cold weather, many people attended to watch the Twirlers display and hear music performed by Robert Dadd and Jacqui. A good display of jubilee-themed artwork by the children of St Nicholas School was on show, and plenty of food and cakes were available. There were also bouncy castles, Bubbles the children's entertainer, and a number of sideshows and games to keep the children amused, as well as ice creams and stalls run by the Church and WI. Many thanks to the volunteers who helped make it a success, and funding from North Lincs Council and Ulceby Parish Council.

Our next event will be a Car Boot Sale on Saturday 10th September, and parties are planned for later in the year

Whatever some people may believe, there's no such thing as the dog poo fairy.

Dog fouling – whether loose or bagged – is offensive, disgusting and a potential health hazard. It is a widespread problem, but sometimes changing the behaviour of just a few thoughtless dog owners can make a big difference.

Nine out of 10 dog owners clean up after their dog, but there are still a few who don't. **Dog owners - bag that poo – any rubbish bin will do.** Together let's put an end to this offensive, harmful litter.

ULCEBY WI

Since our update in May, we have enjoyed a card making session where we all made our own card and then contributed towards a concertina card which was sent the Queen to celebrate her Jubilee.

The weather was no one's friend on Jubilee Day, and despite a gazebo over the stall, it was still a very cold day. However, it did not stop our hardy villagers and we had a steady stream of visitors, buying plants or raffle tickets and hearing about our group. We gave out vouchers for free entry to all interested parties and this paid off as five new visitors joined us for our June meeting where we heard all about The Ark Rescue Centre.

In early July we were invited to have a stall at St. Nicholas' Summer Fayre. This time the weather was better and we saw many different people to those we saw at the Jubilee. Many bought raffle tickets or tried to guess the weight of the cake and also stayed for a chat about our activities. Again we gave out vouchers and hope they will encourage new visitors to our July session where we will hear how Fen Bank Greyhound Sanctuary look after retired greyhounds.

There is no planned meeting for August but those not busy or on holiday try to go out for a meal together. We are aware that members have additional finance constraints this year and so will finalise what we will do at July's meeting. It may be a "bring a dish" event.

In September we are making clay decorations and then we are learning about and tasting Spire Chocolates in October.

We will be making a festive wall hanging in our November meeting and hope to have a Christmas meal together in December.

Hopefully by December we will have encouraged many more villagers to visit us, and maybe become members.

That will be the end of our first year as a reformed WI. We now have an established committee and a consistent group of members which we hope to build on in the coming years. Please pay us a visit and help us to achieve this. Meetings are held at the village hall at 7.30pm on the third Thursday of the month.

If you would like more information, please contact the secretary, Lynne Brister at lyn.brister@lynbrister.com.

ULCEBY POND

The weed is not so prominent this year and although it can cause the angler a degree of challenge it does provide cover, food and oxygenation. It also offers shade in our unprecedented heatwave. Our major challenge is keeping the water and our piscatorial friends happy.

The fishing is hit and miss, but it is great to see so many youngsters enjoying the sport. However, please take away your rubbish, it is unsightly. Also the likes of discarded tin lids and hooks give way to expensive vet bills.

Visit the pond at present and get to the waters edge. The smell of fresh water mint is quite something in the heat. The raspberries are all but gone and in their place are the blackberries. Come enjoy, sit a while and fill your wares. We really do have a little oasis in the village.

Dog care in summer - Advice for dog owners

Never leave dogs in hot cars, conservatories, or outbuildings on a warm day.

Use pet-safe sun cream on exposed parts of your pet's skin to avoid sunburn.

Ensure pets always have access to shade and fresh drinking water.

Give your pet damp towels to lie on or an ice pack wrapped in a towel.

Groom them regularly in warm weather to brush away any dead or excess hair

Walking your dog on hot weather

Dogs need exercise, even when it's hot. Walk your dog in the morning or evening when it's cooler to reduce the risk of heatstroke and burning their paws on the pavement. Try the 5-second test - if it's too hot for your hands, it's too hot for paws!

You can also look out for signs of heatstroke - heavy panting and difficulty breathing, excessively drooling, the dog appears lethargic, drowsy or uncoordinated, collapsed or vomiting

If you suspect your dog has the signs of heat stroke you must act quickly.

Weight Restriction for Ulceby, Thornton Curtis and Wootton

We are pleased to update you on proposals to secure a weight limit except for access arrangements throughout the above villages. This means that HGV vehicles passing through would be prohibited access, however those delivering to local shops and businesses within the weight limit would still be able to access the area.

Initially the proposed scheme would operate under an experimental order, to ensure the effectiveness of the proposal. The Scheme would be implemented in October/November 2022 for a period of up to 18 months.

We consulted residents on proposals for a weight limit before covid and we received some positive feedback. The next phase of this process includes a consultation with local businesses who may be affected by these changes. Once we have received their comments a formal decision could be taken to implement the experimental order.

Works would include updating a number of the road signs in the villages and on major roads in order to indicate these changes.

We are working on proposals to enable local residents and the enforcement agencies to carry out the appropriate enforcement procedures.

Once we have received the consultation feedback we will be back in touch to confirm the next steps.

In the meantime, if you have any questions on this or any other issue please do make contact with any of your local team.

ST NICHOLAS CHURCH

News from St. Nicholas Church

A big thank you to all who came and supported the church at the summer fair on 2nd July, it was lovely to see so many people there, for the first fund raising event that we have been able to have for a couple of years. It was lovely to see all the children's jubilee art work from the school, which is still on display in the church if you missed it.

The fair saw the launch of the new history book "St. Nicholas Church A walk through time" which has been an ongoing project for a small band of people for some time.

On Wednesday morning we continue to have the short service at 10 followed by coffee, chat and refreshments, whilst the knit and natter group meets at 2pm on Wednesdays all are welcome at both these events.

For details of all our church events please see the church Facebook page or call me for more details.

God Bless

Yours Peter

FB—Debbie Elder Celebrant

What is a Celebrant ?

We write and deliver bespoke religious & non-religious ceremonies for any life event, mainly funerals & weddings but other things too, baby naming, coming of age etc

All services are written by me, with you, so that you get what you want.

We can conduct a wedding ceremony anywhere, at any time, on any day.

Funerals are mainly at the crematorium but can also be at graveside and in green cemeteries

Mature Carer available to work in Ulceby and surrounding villages from February 2021

20 years' experience in caring to include:
