February 2023

## Ulceby Parish Council CHAIRMAN'S QUARTERLY UPDATE

November 2022 – January 2023

At the November meeting it was agreed that there should be no increase in the precept for the financial year of 2023/24 and the figure of £20,000. will remain. A £20 voucher awarded under the heading of 'Most Improved Village' would be used to purchase further bulbs for planting in September 2023 and the sum of £500 has been awarded from NLC as part of the 'In Bloom' fund. There will be an additional grant to the Parish Council of £250 to be used for expenses occurring through Coronation celebrations.

The trial weight limit through Ulceby began in early November and, following the first two weeks of trialling, the number of HGVs through the village has drastically reduced, with one or two exceptions which are being monitored and will be reported to the Police if this practice continues. Indeed, Ulceby is beginning to return to the sort of village it once was. For further safety, a Road Traffic Order is to be sought to extend the double yellow lines outside Abdal's Restaurant on Spruce Lane, up to the village hall. Indeed, it was suggested at January's meeting that for additional safety, these lines should be extended to the commencement of Station Road. This suggestion will be considered further. The Community Speed Watch team are continuing to log vehicles passing through the village with more than 5000 having been monitored recently. There has been a distinct improvement in thru-village speeding since the Speed Watch team was introduced and more advanced equipment was now a possibility. Vehicles are overtaking in a dangerous manner when leaving the village enroute to the Truck Stop, and vice versa, and appropriate road markings or signs are required to remedy this practice.

Regarding the extension of the ABP and Air Products facilities proposed for the new Immingham Green Energy Terminal, it was agreed that the applicants should be advised to ensure that a robust traffic management plan was in place, that all associated traffic should avoid travelling through Ulceby and the prevailing weight

### Chairman's Report Continued from page 1

limit through the village should be emphasised. Following a complaint to NLC, the footpath from the Church to West End has been inspected and agreement reached that the level should be raised and the path upgraded when finances permit. NLC have been advised and have inspected the deep puddle which occurs on one side of the new Pedestrian Crossing following rainfall, and this problem will be rectified in due course. Cllr Clark agreed to request NLC to inspect all the footpaths in the village since some were falling into dangerous disrepair. The poor surface of the road between the Croxton bends and the Singleton Birch site was commented on and NLC Councillors advised that this stretch of road was earmarked for resurfacing in due course.

Further clarification of the lease from North Lincs Council of the land behind Station Road has been received and, after prolonged discussion in January, it was agreed that this project would now be taken forward, with the lease for the land being formally signed. The development of this area would be a long-term project, with monies released from the Parish Council as S106 funds became available, and as interest garnered from residents demonstrated the various facilities which they wished to see developed.

## ULCEBY WI

Since the last newsletter, our group thoroughly enjoyed a visit from Lindsay at Spire chocolates in October. She gave an interesting talk and brought everyone a pack of samples to try and to discuss. They were delicious. She also brought a selection of their products to buy, which many did.

Our November speaker had to cancel at short notice due to a family bereavement and fortunately Derek stepped in and brought another 6 antiquities for us to ponder over. Once again he was thoroughly entertaining and informative.

With financial constraints in mind, we opted to have our own "bring a plate" Christmas meal at the Village Hall. This turned out to be a wonderful evening. There was a wide selection of food and drink available and the tables looked wonderful, thanks mostly to Jean and Sally. We had Christmas music, a quiz, a raffle and a prize for the best Christmas jumper. No one left empty handed!

We started 2023 with a visit from Blyton Ice Cream, where we got a talk about how the company set up and has developed into a large ice cream parlour and several outlets and what flavours they now offer. We all enjoyed a tub of their ice cream afterwards.

On the 16th February we are looking forward to a talk and presentation from staff at the Far Ings Nature Reserve.

We have Hedgehog Rescue coming on the 16th March to talk about their work and maybe bring some of their residents. This will be followed by our AGM.

On April 20th we are going to be entertained by Iris Starkey who will be retelling amusing monologues. Other WI's speak highly of her and say she is very funny.

As you can see, there will be a varied mix of speakers, and visitors are most welcome to all of them. We would love you to visit as a friend and then hopefully become a member. Look out for posters outside the Village Hall and in the Co-op reminding you of forthcoming speakers.

We meet on the third Thursday of every month in the Village Hall at 7.30pm.

We look forward to seeing you all.

Sue Thwaites. President.

## ULCEBY POND

Prolonged cold weather, biblical rain and darkness have been features of this winter. None of which encourage the gentle sport of Angling. Yet, the pond still gets visitors, creating memories and smiles.

The water is lapping the top of the bank and we have to wonder why we panicked so much in the summer when the levels were so low. Perhaps this year will be the same, who knows?

Plans for the pond in 2023 are simple, get as many juniors involved in fishing as possible. The Angling Trust have been in touch and invited an application of matching funding. Initially I struggled with this idea until I read they had put a price on my tuition, the bait from Immingham Angling Centre and the pole float donations from Paul Power. All carry weight and in theory equal funding is a possibility. It will all go towards gaining more equipment for the youngsters. Sadly, this cannot be used for new pegs around the pond. Therefore, I have a plea for anybody who is able to help with the fixing of the stages when the water goes down a little. If so, contact me at [bshaun67@gmail.com](mailto:bshaun67@gmail.com).

Hopefully we will meet on the bank soon.

Shaun

## A SINCERE THANK YOU

To all the Village Hall Volunteers and their willing co-opted helpers who made the Over-60's Christmas Party on 9th December such a success. It was obvious that much thought and planning had been expended in organising this occasion, with really delicious food and refreshment and superb entertainment. The event was held from 12.30 until 4.00 pm and everyone attending pronounced themselves delighted with the whole afternoon. Children from St Nicholas School attended after the meal and sang Carols and, prior to this and following the children, party-goers were entertained by guitar music and singing from 'Kettle and Co'. A raffle had also been organised and the profits from this helped towards the cost of the event which had been subsidised by Ulceby Parish Council.

Because of restrictions with Covid, this was the first occasion that it had been possible to hold a Christmas party since 2019 and it was also the first time that the Village Hall Committee had taken over the responsibility for providing the same. This fact only added to the praise from those attending. "Thank you ladies for a glorious afternoon".

## ST NICHOLAS CHURCH

Thank to everyone who supported our Elvis tribute night in the run up to Christmas. Chris Burrows put on a fantastic concert (and if you closed your eyes you could believe you were listening to 'The King'), and everyone who came enjoyed themselves. We had a decent sized audience despite the fact that we clashed with an England football match (that nobody could have predicted), and we hope to host more concerts in 2023.

Our Christingle Service and Carol Service were popular as always, and on Christmas Day we joined our friends at St Lawrence's in Thornton Curtis for a special Communion service.

Sunday services continue every week at 10.45am, except when there is a 5th Sunday in the month when we attend East Halton church for a group service. The 4th Sunday of every month is a Communion service here.

If you are wanting to book a wedding or a Christening, please contact Rev Julie Donn on 01472 560916 or 07885 843207 or [julie.donn@lincoln.anglican.org](mailto:julie.donn@lincoln.anglican.org).

To enquire about a funeral please contact Rev Nick Nawrockyi on 01472 459218 or [nick.nawrockyi@lincoln.anglican.org](mailto:nick.nawrockyi@lincoln.anglican.org)

For any other queries please contact the Churchwarden Anne Shorland on [anneshorland56@gmail.com](mailto:anneshorland56@gmail.com)

The church is generally unlocked during daylight hours and you are welcome to use the space for private prayer - or just come and enjoy the peace and quiet of this beautiful building. The locking and unlocking is done by volunteers and occasionally they are unable to do it. If you find the church is locked during the day when you would like to access it, please try calling me, Liz Drury on 07539755531 and if I am nearby I can come and open up for you.

If you would like to find out more about the history of the church and the village, why not join the history group? They meet on Saturday mornings at 9.30am at the church and have recently published a book on the history of the church which is available to buy at £6 a copy. They are now working on a sequel! Contact Anne Shorland for more details about the history group or to order a book [anneshorland56@gmail.com](mailto:anneshorland56@gmail.com)

## BUILT FOR LIVING CIC

We at the Community Hub in Ulceby opposite Co-op offer a friendly approach to all.

The entire purpose of the project is to collectively bring together communities to create solutions going forward. People are important and our social skills have all but gone. We are the connection back to communication, common sense and respect for each other. This helps ease depression, physical health and emotional well-being. We have worked on the systems for over 8 years now with a 60% success rate.

Having opened to coincide with last year's Street Boot, our support services have now grown.

We offer a takeaway coffee shop, a computer shop, community support shop, furniture support and man with a van service, we take clothing and all household donations, community gardening, community cleaning and light building work, as well as many community events that will be advertised on Social media and the local Co-op throughout the year.

You can find us at Halmshaws Yard, High Street, Ulceby, North Lincolnshire DN39 6TG.
