## Ulceby Parish Council

### CHAIRMAN'S ANNUAL REPORT April 2022 – March 2023

Of all the progress I have to report on this year, two of the most important concern road safety.

Firstly, a commencement of an eighteen-month trial period of a 7.5 cwt weight limit through the village. Approximately 10 companies continued to flout this rule initially, however those involved were approached by the Police and duly agreed to redress this situation. Secondly, after many years, we at last have been able to establish a pedestrian crossing at the High Street/Spruce Lane junction. These two significant changes will, hopefully, improve the safety of all villagers. Neither of these achievements would have been realised without the support to the Parish Council of the Ulceby Road Safety Group.

The introduction of further planned speed monitoring signs, and a possible extension of the double yellow lines between Abdal's Restaurant and the entrance to the village hall, should reduce the problem of dangerous and inconsiderate parking and further aid village safety.

As promised last year, the purchase of three waterfall-design planters was made to mark the late Queen's Jubilee and we are considering the purchase of an ornamental metal sculpture to mark the King's forthcoming Coronation. Queries regarding use of the land behind

### Chairman's Report Continued from page 1

Station Road have now been resolved and the lease will shortly be signed. As finances allow, and resident's suggestions received regarding its possible use, this land will be steadily developed. We continue with our charitable donations and other monies are primarily used to enhance village life and amenities including flower beds, grass cutting, support for the village hall etc.

You will recall that, last November, it was decided that we would not increase the precept for the current financial year but continue to improve the village amenities, whilst remaining within our current budget.

Your Parish Councillors work ceaselessly, without gain or credit for themselves, towards improving the well being of all village residents and it is a privilege to be a member of this caring group of people.

## ULCEBY VILLAGE HALL

The village hall committee have continued with events to raise funds to maintain and improve the facilities at the village hall. We held an auction which made the fantastic amount of £1,643.10, and we would like to thank all who helped in the organising, and those who attended and gave their support, and those who donated items for sale.

We hope that you will find some forthcoming events of interest to you.

## Ulceby WI April Update

Since the last newsletter, we have enjoyed a well presented and informative talk including a slide show by Leanne Smart from Far Ings Nature Reserve in Barton. We learned how the wetlands were created and how they are now managed. She also told us about the improvement in biodiversity as a result and what needs to happen to maintain the wetlands.

Unfortunately, the Hedgehog Rescue were unable to visit in March, but luckily at short notice a relative of one of our members offered to talk to us about his long career in the food industry. He was entertaining and interesting and gave background information on the food we find on the shelves, as well as lots of biscuit samples!

This meeting was followed by our AGM, where the Committee members agreed to remain on the committee and the president was re-elected.

Iris Starkey is visiting us on April 20th, and entertaining us with her monologues and occasional jokes. We are looking forward to a good chuckle.

We are then looking forward to a talk by Keith Hanson on his life being a Yeoman on 18th May.

On June 15th we have a practical session where we will be shown how to engrave glassware by Andy Carlisle. We will then be able to engrave our own glass and take it home with us.

To round up the first half of the year, we will be learning about the training and work of Hearing Dogs for the Deaf on July 20th, before our summer break where we will have our summer meal in August.

As you can see, we have another varied few months ahead of us and visitors are most welcome to one or more of the sessions.

I imagine that there will be events at the village hall and St Nicholas Church where we will have a stall - and we would love you to come and chat to us. We have gained several new members as a result of these events last year.

We meet on the third Thursday of every month at 7.30 in the Village Hall. Posters advertising each speaker can be seen in the coop, on social media, outside the village hall and on the Ulceby News website.

We would love to see you at one of our meetings. If you would like more information, please contact the Secretary Lyn Brister on [bristerlynda49@gmail.com](mailto:bristerlynda49@gmail.com)

Sue Thwaites - President.

## ULCEBY POND

Spring is upon us...at last! The frogs have been busy and, if you know where to look, spawn can be found with a few early tadpoles. Fish are stirring and starting to feed whilst the flora is turning green. If I may make a request it would be to leave the weed to grow this year, it is the life of the pond, containing fish eggs, daphnia, bloodworm and all other creatures that the fish gorge themselves on. I have had people say, it is poisonous but this is untrue. It can get in the way of fishing but I am sure skill and thought can overcome this.

Local builder Lloyd from LJM building services has offered to rebuild the fishing stations and when these are done we will start with the Junior fishing club. I have taken the opportunity to put a junior team in the Grimsby Club championships this year, kindly paid for by the Event organisers. Hopefully we can raise a team of young anglers to participate. The Angling Trust are in the process of donating some equipment to allow us to compete to a good standard. In addition, the Village Hall Association continue to allow us to use the pond. Along with Immingham Angling Centre, who supplies the bait. We are blessed by the generosity of others. I thank you all.

Shaun

## ST NICHOLAS CHURCH

St Nicholas' Church continue to hold services every week except when there are 5 Sundays in the month (as on a 5th Sunday we join our friends at East Halton for a service there). The fourth Sunday of each month is a Communion service. Anyone is welcome to come to any of our services, and we always finish with refreshments and a chat!

The Knit and Natter group has started again now that the weather is a bit warmer. They meet on Wednesday afternoons from 2pm at the church and anybody who likes knitting or other kinds of crafting is welcome to come along.

The heritage group are working on a sequel to their first book about the history of the church. If you're interested in learning about the history of the church and the village why not come along on a Saturday morning and find out more. There are still some copies of the first book available at the back of church at a cost of £6 each.

There is also a flower arranging group and if this is something you would like to join in with, or have a go at, please contact Rosemary Jackson [rosemary.mirfield@yahoo.com](mailto:rosemary.mirfield@yahoo.com)

On Easter Saturday we joined forces with the Built for Living Hub for an Easter egg hunt. It was lovely to see so many families out and about enjoying the sunshine and searching for the hidden eggs.

On Saturday 17th June we will be holding our Summer Fayre in and around the church so please save the date. There will be stalls, refreshments and entertainment, and on the same day the Built for Living Hub are having a display of static steam engines, so there will be something for everyone! If anyone is interested in having stall we will be offering limited spaces for £10, and if anyone can help us with baking for the cake stall then we would love to hear from you. Please contact Liz Drury on 01469 589187.

# BUILT FOR LIVING CIC

Built for Living at Halmshaw's Yard in Ulceby have beaten all expectations and we aren't even a year old yet since opening last July. We are truly proud of our efforts as a community and believe we have shown what is possible if we work together to find solutions.

Your recycling items have been amazing. Household batteries and small broken electrical items, scrap metal from local businesses, computers, laptops and ink cartridges all supporting us to carry out the work we do. Visiting the shop, tea shop and bringing donations for us to use to sell, support or refurbish. Attending our events which are free to our communities to remove exclusion. We appreciate all you do, value your participation and your donations. Without you we are nothing at all. You have supported people suffering disability, homeless, domestic violence, and children in the families affected by poverty or violence. You have far surpassed the expectations of a dreamer and this is just to say we appreciate you. You have spoken up against the circumstances facing our neighbours, friends and families.

Here's to the next year at the Hub - imagine the possibilities of another year as we grow together. We can't wait to join you on the journey.

Jason Petch Built for Living CIC

## BEWARE DOORSTEP TRADERS!

If you are visited by anyone whom you don't know or are suspicious of, speak to them through a window, if possible, or from behind the front door. If you don't want to speak to them politely say 'No, thank you and you are not interested.' You don't have to open the door.

DON'T DEAL WITH COLD CALLERS such as Nottingham Knockers.

Do not make up-front payments to any cold callers.

NEVER allow them into your home.

If you are aware of such traders visiting your neighbourhood, please report any such activity to the Police immediately, using the non-emergency number, 101. Give as much information as you can such as times dates, descriptions and vehicle registration numbers. By doing this you may help prevent crime.

Report any suspicions about other types of door-to-door selling to Citizens Advice consumer helpline 0808 223 1133, giving as much information as you can, such as business names and addresses.

## ST NICHOLAS CHURCH

Cont'd from page 9

On Saturday 29th July, Chris Burrows will be returning to perform as Elvis once again at 7pm in the church. Tickets will be £5 in advance (from the Built for Living Community Hub) or £7 on the door. This was a very popular concert last year so get your tickets early!

On Saturday 4th November, we will be hosting an Acoustic Night with local band Route 180. Tickets will be available in advance from the Built for Living Hub on the High Street for £5, or on the door for £7. Last year's acoustic night was a great success and everyone who came thoroughly enjoyed it, so we are really looking forward to this.

Don't forget that the church is usually open from 9am to 5pm daily and we now have a large collection of books and puzzles for sale. There is also a colouring table for the little ones, so they can keep busy while you browse!

## PHOTO COMPETITION

Calling all keen photographers! We are planning to hold a photo competition to be judged near Christmas. There will be categories for children and adults and prizes will be £50 Amazon vouchers. All photographs must be taken in Ulceby and show some aspect of the village. We thought we would announce this now so that you've got plenty of time to take some lovely pictures! Photos must be printed out so we can display them - digital entries will not be accepted. The entry fee will be £1 per photo and you are welcome to enter more than once. Entries will be accepted from now. Simply print out your photo (on photographic paper if you can), write your name and phone number on the back, and your age if you are under 16, and pop in an envelope with your £1 entry fee per photo. Envelopes can be dropped off at Elderberry House, Church Lane (opposite the church) or Appletree Cottage on the High Street (near the crossing).

Blessings,  
St Nicholas' Church

Humberside Police

Humberside Police are proud to be supporting the national StreetSafe online tool that lets people anonymously pinpoint on a map a location where they don't feel safe. You can access the online tool here on the Police UK website <http://www.police.uk/streetsafe>

StreetSafe has been introduced as part of the national response to tackling Violence Against Women & Girls and to identify areas where there are fears caused by other things such as anti-social behaviour & environmental issues. This is just one step in a national approach to tackling Violence Against Women & Girls and the initial pilot has now been extended.

**Anyone who has concerns about a particular location is encouraged to flag it through the tool.**

The online StreetSafe tool is very easy to use and includes a short series of sections to complete, with guidance every step of the way. To pinpoint the area of concern, you can place a pin in the online map or enter the location.

**If you have any concerns about a particular location, we invite you to flag it through the tool.**

This information will be considered alongside the extensive evidence base already gathered by police forces and used to inform the community safety activities of police and partner agencies such as local authorities. No crime needs to have been committed to enable you to indicate where you feel unsafe, and it is important to remember that the StreetSafe tool should not be used to report crimes.

**In an emergency, where lives are in immediate danger or a crime is in progress, please dial tel: 999.**
