Volume 13, Issue 3
August 2023

Ulceby Parish Council

CHAIRMAN'S REPORT May – July 2023

Firstly, may we make a plea to all those residents throughout the village whose gardens have hedges which front the pavements. Will you please endeavour to cut these back in order to avoid the possibility of harm to pedestrians (both adult and children) from scratches and thorns. Those members of our community who have to use disability scooters are also in danger and your co-operation in trimming your hedges would be much appreciated.

To update you regarding ongoing matters, we are awaiting delivery of a new litter bin in Abbey Road and, likewise, the sign at the Crossroads on Thornton Lane is awaiting repair by NLC. The Community Speed Watch team have reported motorists using Brocklesby Road at excessive speeds with one vehicle being recorded as travelling at 103 mph. The Clerk has applied for a grant to purchase additional radar speed signs and a response to this application is awaited. Likewise, a response is awaited from the approach by NLC to the Truck Stop Management regarding establishing a solid white line and 'Stop' signs at the exit on to Killingholme Road. At the July meeting, Cllr Hannigan advised that all parties involved are agreed that the weight limit zone trial has exceeded all expectations in effectiveness and it is hoped that the weight restrictions will remain in force following the trial period.

Consultation regarding extension of the double yellow lines along Spruce Lane is not yet complete, however, 'No Loading restrictions' and a parking bay for use by disabled drivers has been agreed. Following complaints at

Chairman's Report Continued from page 1

Cont'd from page 1

the July meeting by residents of Abbey Road about excessive and inconsiderate parking there, NLC Councillors suggested a petition of residents be filed with North Lincs Council for a 'residents only' parking area to be established, possibly, making part of the grassed area in front of Friarsgate into resident's parking. The attending residents agreed to raise such a petition. The War Memorial railings will be repainted and repairs regarding the entrance to Yarborough Court, including the need for a dropped kerb, would be reported to NLC.

The lease of the land behind Station Road has now been signed and the Parish Council became responsible for the same at the end of June. The Landscape Consultant from Goxhill will be approached again with a view to drawing up a formal plan for the area and it was noted that this will need to be an ongoing Parish Council project, completed in small stages over a period of time.

WHY NOT JOIN YOUR LOCAL LOTTERY?

JOIN THE 200 CLUB AND HELP RAISE FUNDS FOR
ULCEBY VILLAGE HALL

The cost is only £1 per month, and proceeds help towards the upkeep of the Village Hall. You will be allocated your lucky number which will be entered into monthly draws for £20, £15, £10 and £5. There is also a larger end of year draw - the amount depends on the number of members - the more members the bigger the prize! During Covid, we have been unable to do the usual draws at the Yarborough Arms, so the numbers have been drawn by an electronic number generator.

Here are the winners for the first half of 2023. It may take a while to distribute the prizes at the moment, but don't panic if you haven't had yours - we will get them to you eventually. We would like to thank everyone for their continued support - in 2022 you helped to raise £910! You can join at Judith's Fitness Classes, Bingo or telephone Shirley on 588671, or email ulcebyvillagehall@gmail.com.

ST NICHOLAS CHURCH

Thank you to everyone who came and supported our Summer Fayre in July. It was unfortunate that our event clashed with so many other local events but we still raised over £400 for church funds. Huge thanks to all our stall holders and to Jason Petch from Built for Living CIC who brought along a bouncy castle. Entertainment was provided by North Lincs Fiddle Club who finished playing just as the heavens opened!

We continue to have services every Sunday except when there is a 5th Sunday when we join our friends at East Halton. During the summer months (until the clocks change) on the first Sunday of the month there will be a short service of Evening Prayer at 6pm. Every other week the service will be at 10.45am, and on the 4th Sunday this will be Holy Communion. All are welcome - and don't worry if you've never been to church before, or haven't been in a while, we'd love to see you.

The church is generally unlocked from 9am to 5pm and you are welcome to use the space for private prayer - or just come and enjoy the peace and quiet of this beautiful building. The locking and unlocking is done by volunteers and occasionally they are unable to do it. If you find the church is locked during the day when you would like to access it, please try calling me, Liz Drury on 07539755531 and if I am nearby I can come and open up for you.

If you would like to find out more about the history of the church and the village, why not join the history group? They meet on Saturday mornings at 9.30am at the church and have recently published a book on the history of the church which is available to buy at £6 a copy. They are now working on a sequel! Contact Anne Shorland for more details about the history group or to order a book anneshorland56@gmail.com

The Knit and Natter group meet in church on Wednesday afternoons at the church from 2pm to 4pm. Anyone interested in crafts is welcome to come along - it doesn't have to be knitting!

OVER HANGING HEDGES, BUSHES AND TREES

As I walk around Ulceby I notice that there are an increasing number of hedges, bushes and trees that are affecting the use of the public footpaths. Some of these are the responsibility of land owners but an increasing number of offenders belong to home owners.

Did you know it is an offence under the Highway Act of 1980 to "allow, trees, hedges, shrubs and so on to obstruct the highway". Highway is classified as road and footpath. Whilst I appreciate that many hedges provide nesting places for birds, the hedge/shrub/ tree can still be pruned back to allow safe passage on a footpath without disturbing the nest. In fact once June has arrived any fledgling will have been ousted out to make its own way in life so nothing will be disturbed if trimming is undertaken.

Strictly speaking the growth should be trimmed back to the border line of the property but if there is grass below then trimming so it only overhangs your grass and not the footpath, would be acceptable.

As a last resort the council after giving notice, have the right to cut the hedge and charge the owner for doing so!

Nobody wants to go down this route so if you could check to see if your flora is overhanging a footpath and if so to trim it back, that would be great. I have to do this with my shrubs at least twice a year and to be honest it does the shrub a lot of good and no harm. It also helps to stop moss etc from growing on the path, as moss does love shady conditions!

Please, Let's keep our footpaths user friendly and not overtaken by overhanging greenery forcing people to have to walk on the road.

Thank you.

Highway, Road and Pavement Issues

If you see a problem with a highway road or pavement - pot hole, uneven surface, trip hazard or any form of repair please go to the web address below to report this matter to North Lincolnshire Council. If reported using this link N.L.C will inspect and action any repair necessary in a more timely manner.

ST NICHOLAS CHURCH

Cont'd from page 7

There is also a flower arranging group and if this is
something you would like to join in with, or have a go at, please
contact Rosemary Jackson rosemary.mirfield@yahoo.com

Our next event will be the Family Funday on Sunday 6th August
organised by Built for Living. The church will be open and we will have
ice creams, books, a tombola and possibly the bouncy castle again.

Tickets for our next concert - an acoustic night with Route 180 are
now on sale at the Built for Living CIC. This will be on Saturday 4th
November at 7pm in church.

Don't forget our photography competition! The theme is 'Ulceby' and
we are taking entries now. The closing date is 30th November and the
prize is a £50 Amazon voucher. Each entry costs £1 and you can
enter as many times as you like. Just print out your photo, write your
name and phone number on the back (and age if under 16) and leave
at either Elderberry House on Church Lane, or Kessenyans, 2 James
Place.

Blessings,

St Nicholas' Church

ULCEBY VILLAGE ASSOCIATION

We would like to thank the Co-op Community Fund for the funding
donated to install 2 picnic benches at the Village Hall playing field,
which has been possible with an additional contribution from Keigar
Homes. There is still another bench to put at the pond. We feel sure
these will be a great benefit to users, to be able to relax and enjoy the
surroundings, and watch any activities going on at the field, and keep
an eye on children using the play area.

ULCEBY POND

High summer and the pond is rocking with life, both in and around the waters edge. We have wild orchids growing in the corners, pushing their heads up to the recently departed sunshine. Hopefully it will return for the start of the school holidays. The fish are crashing and feeding in earnest, sit and watch a while to see masses of pin-prick bubbles creating a natural jacuzzi, these are from a scale of hungry tench feeding in the silt. You can imagine their olive bodies tilted and their little red eyes searching for the tiniest of morsels. The bugs are thriving in the hotels instigated by Rachael Gibbons, creating a real buzz (literally) and a hive of activity

The junior fishing club is going from strength to strength. We may seem to the outside world to have an ad-hoc approach to dates, but other events take precedent over ours. We have had up to 15 children per session which is fantastic. The only request that I have is that I need written permission for your child to attend, even better if parents can come along too. We hope to see many more of you on these sessions. They are still sponsored by the Angling Trust, Immingham Angling Centre and now Martin Clarke who is an Angling coach and gives his time free too. Above all many thanks to the Village Hall Association who kindly allow us to use the pond.

Ulceby WI August Update

We have had a few interesting talks since the last Newsletter and have gained a few more members, which is very encouraging.

In May, Keith Hanson gave a very professional talk on how he became a Yeoman, the various roles he has undertaken as well as all the important people he has had the opportunity to meet, whilst working and living at the Tower of London.

Our glass engraving session with Andy Carlisle in June was very well attended - with over 24 people attending. They all went home with an interesting engraving of their choice on their glass - for the princely sum of £1!! Many expressed how much they enjoyed it and were considering buying the basic equipment to do more.

In early June, many of our group went to East Halton WI to join with them in celebrating the King's Coronation. We had a wonderful buffet and listened to a band playing music from the 60's. A very enjoyable evening.

On June 17 we had a stall at the Church Fayre in the village. We sold plants and table - top flower arrangements. There was a bookmark colouring competition for youngsters and a "guess the weight of the cake" competition for all ages. We also held a bottle bag raffle which was very popular. We had lots of visitors to the stall - many of them new to the village. We hope they will join us in the coming months.

In July we were thoroughly entertained and educated on the establishment and now success of the charity Hearing Dogs for Deaf People. Our speaker was Christine and she brought along her third dog Hector - who was extremely well behaved. She brought lots of leaflets too and made us aware that it is possible to visit their training centre in Bielby near York.

Our August meeting is a "bring a plate" event in the garden of one of our members. This was a huge success last year as it removed the need to find a large amount of money for a meal out in these financially difficult times. Should it be wet, we also have the village hall booked.

Building on a Big First year

As we relaunch Built for Living after 12 months of actively working within our communities. Huge positive changes are afoot.

Firstly is our Fair on the 6th August to involve all of the 3 public sites in our village. Ulceby Village Hall, St. Nicholas Church, Ulceby and of course Built for Living at Halmshaw's Yard.

Secondly is the renovation of our building for our head office and business support centre for anyone with business ideas who require access to our computers and offices as well as a new welcoming reception.

Our community garden is now in full swing with much prep work taking place in the rear garden too. Planting has begun out front and the pile of soil is now being sieved and utilised as top soil for our planters.

If you require any further information don't hesitate to contact me at Built for Living CIC, Halmshaws Yard, Ulceby, DN39 6TG or by Telephone on 07936 756021. New website on its way.

We are really looking forward to our September speaker - Nicola Crewe from Lincoln University, talking to us about DNA and Forensics.

Some of us recently joined Goxhill WI to hear a speaker from the North East talk about the intricacies of fingerprints and her life as a forensic scientist. She was an entertaining speaker and brought equipment to extract our own fingerprints from a tile. She also brought sheets and ink papers to take the full set of fingerprints for anyone who wanted them. This was both messy and exciting.

Our October speaker is Debbie from Andrew's Hedgehog Hospital near Broughton. She will be bringing a hand reared, blind hedgehog that cannot be released, so he is kept as a pet and used to illustrate talks. We look forward to meeting them both.

In November we plan to hold a session making our own table decorations in preparation for Christmas!!

Our December meeting will be another "bring a plate" meal in the village hall. Last year's was delightful. The tables were very pretty and we all had lots of options of food choices.

We hope that the forthcoming speakers may entice you to join us in the coming months. If not, we are already thinking about prospective speakers for next year. Maybe some of those will inspire you. We would love to see new visitors and returning visitors. If you would like more information, please contact the Secretary Lyn Brister on bristerlynda49@gmail.com

Look out for posters in the Coop, on the external notice board, on Ulceby News Facebook page, and our own Facebook page - just see what we get up to!

Have a happy, safe summer.

We would love to see you at one of our meetings.

Sue Thwaites - President.

Sweet Occasions

New florist business
opening in Ulceby.

Lincoln & Lindsey Blind Society

If you have a sight impairment or know someone who may be struggling with their eyesight then the Lincoln and Lindsey Blind Society may be the able to help. Based in Louth, our charity is entirely independent serving visually impaired people throughout North and North East Lincolnshire, East and West Lindsey and Lincoln City.

Severe visual impairment such as blindness or partial sight that cannot be corrected by spectacles is extremely debilitating because you lose your sight and you can lose more than just your ability to see. It can feel like your world is falling apart. Those who have lost some or all of their vision always welcome empathy from people who care but they also need equipment, practical advice and training so they can get on with their lives despite sight loss.

Sufferers do not have to be registered with a visual impairment or even have a referral from a doctor or optometrist to get our help. The person themselves, a family member or a friend can telephone, email, call in person or write to us and we will send a Sight Impairment Officer to visit and carry out an assessment, our contact details are at the bottom of this article.

As well as our Sight Impairment Officers we have an army of volunteers who receive on-going support, guidance and training and can take on a range of roles, from helping at Social Groups, recording our talking newspapers, Befriending, helping at Eye Clinics, or with administration, fundraising, IT support or as a Trustee. If you would like to become a volunteer please contact our Volunteer Administrator Eve Roach on 01507 605604 or by email eve@llbs.co.uk to learn more.

At present we serve 1460 people in our area, 75% of whom are over 65, with new referrals coming in every week. Many more use our services but are not on our formal register. We are a local independent charity and we receive no government, local authority or statutory funding, all our funds come from bequests, charitable donations and charitable grants. If you would like to make a donation to help us carry on this vital work please call us on 01507 605604, email info@llbs.co.uk or go to our website www.llbs.co.uk for more information.
