## Ulceby Parish Council

### CHAIRMAN'S REPORT

August – October 2023

Whilst Ulceby didn't win the Best Kept Village competition, we did receive a Highly Commended award, so thank you to all those residents who helped, in any way, to keep our village litter-free and tidy.

The Community Speed Watch team, part of the Ulceby Road Safety Group, are still monitoring vehicle speeds through the village and the areas of most concern are Spruce Lane towards Immingham (14% speed violations – 76 mph max) and on Brocklesby Road (65% recorded speed violations – 85 mph max). Regrettably, we were not successful in our application for a grant towards the purchase of an additional speed sign for the village, and whilst the Give Way sign at the exit to the Truck Stop is quite clearly marked, after discussion at the September meeting, Coun Hannigan offered to speak to NLC officers regarding a review of the speed limit for the area from the roundabout to the Truck Stop in an endeavour to warn motorists about lorries emerging. He would also request the reinstatement of the side-of-road markings in this area.

The double yellow lines in front of Abdal's Restaurant will shortly become a no-loading-restriction area – meaning no parking on them for any period of time – and the addition of a disabled parking space in High Street is due for marking on 17 October. The request for further double yellow lines up to the Village Hall needs to be the subject of a new Traffic Regulation Order which will be investigated once the other mentioned planned restrictions are in place and assessed. The petition raised by residents of Abbey Road to make this area 'Residents Only' parking to counteract the excessive and inconsiderate parking currently

taking place along there is due to be heard on 21 of October. Advance warning has been received of the possible effects on the village of a National Highways roadworks plan on the A180 which is likely to result in overnight closures, leading to possible diversions through Ulceby.

Coun Hannigan advised that NLC are very much focussing on the issue of health and are disappointed that the NHS services for our area are being rationalised, the proposals for which NLC are opposing during the consultation period. Coun Hannigan further advised that a community diagnostic centre is opening in Scunthorpe in April, as well as a planned surgery centre.

A small group of Parish Councillors and village residents have expressed the wish to be part of a group to take forward the development of land behind Station Road which the Parish Council have now taken responsibility for. A meeting with the Landscape Gardener is planned. If any other residents wish to be included in this steering group, please contact the Parish Clerk, Mrs. K Pickering.

## ST NICHOLAS CHURCH

Our pattern of services has changed slightly and currently we have Evening Prayer at 6pm on the first Sunday of the month, Morning Prayer at 10.45am on the second and fourth Sundays, and Holy Communion on the third Sunday. When there is a 5th Sunday we join our friends at one of the other churches in the benefice. If you'd like to try a service please come along, everyone is welcome and we would love to see you. The church is also open daily for private prayer, or just to enjoy a bit of peace, usually during school hours.

The Knit and Natter group continue to meet in church every Wednesday at 2pm. This isn't just for knitting - you can do any sort of craft, or just come and chat!

The heritage group meet on Saturday mornings and are busy researching their second book on the history of the church and village.

Flower arranging also takes place on a Saturday morning and we would love more people to get involved with this.

The book/jigsaw/DVD bring and buy shop is open every day - we have a wide selection to choose from.

We desperately need more people to help with keeping the church clean. If you can spare an hour a week, or even once a month to do a bit of sweeping and dusting we would love to hear from you.

Don't forget that the photo competition is open until 30th November. Print out your best picture taken in Ulceby for the chance to win a £50 Amazon voucher. Entries cost £1 and you can enter as many times as you like. Drop off at Elderberry House Church Lane or Kessenyans, 2 James Place and make sure your name and phone number are on the back (and age if under 16).

There are also some special events coming up - see next page

The long summer meant the pond was lower than usual but that still did not stop the fish from hiding or giving themselves away. Yet 35 junior anglers have graced the bank this year in the club. It is great to see such interest not only in the fishing but in the pond ecosystem too. This year we had a joint venture with Allison Tillett and her STEM group. This concentrated on the pond environment other than just the fish, highlighting the creatures to be found. It was a great success and one I hope we can continue in future years.

On a slightly different note I have been assured that the stagings will be done around the pond - we received a generous offer of time and resources and rather than expect immediate work we should remember that somebodies' livelihood comes first.

However for those who are observant you will notice a new bench in a central location. It is a great place to sit and take time out. Also, some boards have been installed giving information identifying tree leaves, bugs, birds and pond life, funded by the Parish Council.

Finally 8 juniors represented the village in the annual Grimsby club championships. They did exceptionally well on the, up to then, wettest afternoon of the year. They all caught fish and gained admirers in the Angling community. Well done to you all. The next venture is for us to find the Ulceby junior champion by having a local match.

## Ulceby WI November Update

Since the last newsletter we have enjoyed a lovely, dry evening buffet in the garden of one of our members. We enjoyed a wonderful selection of food and drink and a quiz with prizes.

In September our brain cells were given a full workout by Nicola Crewe from Lincoln University as we learned all about the two types of DNA and how DNA profiles are created and compared with samples from the scene of the crime or suspects to help to build a case.

On the 15 October, we held the first joint Ulceby Village Hall Association and Ulceby WI Macmillan Coffee Morning from 11.30 to 2pm in the Village Hall. It was very successful. We were well provided with a wide range of cakes, items for the raffle and helpers on the day. Lots of people attended throughout the morning, resulting in us raising £429! Well done and thank you to everyone who helped in any way.

In mid October, Debbie from Andrew's Hedgehog Hospital near Broughton gave us a fascinating talk about how hedgehogs have become endangered over the past decade. She recommended that we should all at least put fresh water out in our gardens in case one uses our garden. She also recommended leaving out cat food, in biscuit form, as their lifestyles have been disrupted by the changing climate and so are awake for more of the year and in need of food. Sometimes they have a second litter of babies but they struggle to put on enough weight in time to get through the winter.

They have already had lots of young hedgehogs admitted to the hospital recently as they have been found abandoned by their mother (she leaves them to make sure she gets enough food to get through the winter!) The evening was rounded off by meeting Carlos, their rescued hedgehog. He arrived at only 96 grammes and was nurtured back to health, but as he developed, they realised he was blind. As he is unaware of night and day or seasons and could not be released, he is taken with Debbie to talks and used to help with education.

Hello everyone,

We have completed a full year of support here at the Hub. 77 homes furnished with donations and support from our local area. Thank you, as without your support we would have been unable to achieve and indeed exceed our goals.

Our rear garden is now almost cleared and ready to start work on the community garden and market garden.

I want to answer the questions asked about the caravan. All construction sites now have to have a welfare unit on site. This includes hand washing, cooking (microwave) shower facilities and toilet. The caravan provides this for us on site.

The double decker bus: downstairs windows are out of the bus and the removal of the staircase is taking shape, ready to strip the inside walls ready for insulation.

The single decker bus known as Hank the Bus is currently up for sale on Facebook and other mediums too.

The horse box is stripped and ready for the chassis painting. Wheels are heading for sand blasting.

The front bed to the right is ready for planting thanks to Dawn, Michael and Chris. The brick wall to the left of the site is ready for rebuilding. The yard is clear of waste wood and the area in front of the building that's falling down has been cleared.

The inside work will also begin soon with the toilets being the first job.

We are also about to launch our Christmas campaign to support our families and Santa is due to visit the Hub on December 20th 2023.

Check out our Facebook page for up-to-date info.

In November we will be making table decorations for Christmas, and on 14 December we will be having our "bring a plate" Christmas meal.

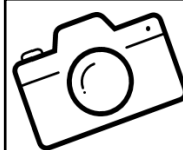

We already have the start of next year booked and our speakers include Chair Yoga, a talk by a Yeoman on The Jewels and Ghosts in The Tower, Donna Nook staff talking about Grey Seals and a visit from staff at the Ark Rescue Centre.

We hope that one of these will encourage you to join us for the evening.

Should you require any more information, please contact our Secretary, Lyn Brister at [bristerlynda49@gmail.com](mailto:bristerlynda49@gmail.com)

We would love to see you at one of our meetings.
