4. **Clerks Updates:**
 - Signs – Crossroad – The sign is in place from Carr Road, opposite the water/sewerage works on Thornton lane the sign is propped up on the wrong side of the road. This sign has still not been reinstated.
 - Pass wide and slow signs – The clerk has been asked to try and source these signs and provide a cost to the council to consider purchase. A discussion took place regarding where these signs would be situated if they were purchased.

 - i) Application 2023/1904 – Planning permission to change of use of part of redundant farm buildings to business, light industry storage and distribution. Uses classes E(g), B2 and B8 – Ryehill Farm, Ulceby Road, South Killingholme.
Councillors requested that this application be objected to as the granting of classes B2 and B8 allows a wide variety of industrial use and in the future this could allow usage of this site to an activity which might not be acceptable to the community. Cllr Hannigan advised that he had already requested that this planning application be considered by the planning committee.

Cllr Hannigan advised that the community grant pot has been included within the budget for 2024/5 with funds being made available to local communities.

b) Road Safety :

- i. Weight Limit for Ulceby and surrounding villages – It was noted that provision has been made to re-surface the A180 in the future. A discussion took place again about vehicles travelling from the A180 roundabout towards Ulceby and the problem of HGV's exiting the Truckstop. There are 3 issues associated with this problem – vehicles are travelling too fast, HGV's are pulling out when vehicles are approaching and by the nature of HGV's when they pull out this is a particularly slow manoeuvre.

c) Station Road – land for community garden/allotments: It was suggested that a site meeting be planned for March 2024. Clerks Note : The clerk has made contact with the landscape gardener and a meeting is planned when the weather improves.

d) New matters to report: No new matters to report.

b) Litter – Abbey Road – N.L.C will not provide a new bin on Abbey Road but will relocate one from somewhere else in the village if there is one which isn't used too frequently.

a) New village matters: The footpath from the zebra crossing up to the co-op store (LHS when travelling in this direction) is in a very poor state of repair. A mobility scooter user has informed a councillor that he finds it very difficult to negotiate this path as it is so uneven.

A discussion took place regarding the new cafe which is due to open shortly and a query raised regarding the necessary planning permissions for the proposed signs and the extractor fan.
