Ulceby Parish Council

CHAIRMAN'S REPORT May 2025

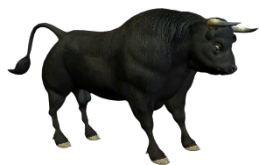

First of all, thank you to all of those who give up their time to engage in voluntary activities to support the village community in any way. We can always think of excuses and reasons why we cannot do something, but only one reason that we can and that is that we believe it is the best use of our time at that moment.

Although there may be one or two exceptions, the volunteers are people who have lived in Ulceby for a long time. I hope that as the village population continues to grow, those who have moved into the village in recent years will be encouraged to come forward and volunteer for activities both to help them feel part of the community and to improve the number and level of things that can be done.

There have been several developments in and around the village either put forward for planning approval in the last 12 months or that are now in the construction phase. These include a major housing development between Ulceby and Ulceby Skitter, a road haulage development beyond the Parish boundary, to the east of the rail station, and a proposed solar farm energy storage installation to the north of the village. It will be interesting to monitor and evaluate the impact these have on the village both during construction and subsequently following completion.

Chairman's Report Continued from page 1

A group of volunteers are now working in earnest to turn the plot of land set aside for the community garden area into a valuable area for all of us to enjoy, with several hundred young trees already planted including fruit trees for an orchard and areas set aside for wildflower planting and preserving a meadow. There is also an area set aside for allotments in the future if there is sufficient demand for them from within the village.

ULCEBY VILLAGE HALL

The recent auction was a great success, making a profit of £1132 towards the upkeep of the hall. We would like to thank everyone who donated goods to sell, those who came and bought the wide variety of items, and everyone who helped in the preparation and on the day.

Sadly, the Annual General Meeting was poorly attended - no-one from the public attended, which was disappointing as we desperately need more people to join the committee.

Karate sessions are about to start with Wado Ryu Karate on Thursdays 5 - 6pm and 7.15 - 8.15pm

ST NICHOLAS CHURCH

You may have noticed that the bells are ringing again! Now that the tower is stable and we have made some repairs, we can once again ring the bells for special occasions. If you would be interested in learning to ring please let us know as it would be great to have a team in the village. Mick Toyne is our Bell Tower Captain so please either speak to him, or contact me and I will pass on your details. (Liz Drury 01469 589187 liz@lizdrury.co.uk)

The 'Tower of Change' is still ongoing as there are always repairs to make. There is a box at the back of church containing jars that can be filled with your loose change. If you'd like to help, please come and collect a jar (church is usually open from around 9am to 3pm) or just use a jar you have at home. When it's full please either bring it back to church or leave it at the Post Office. Every little helps!

Our next fundraising event is the Churches Festival on 17th and 18th May. This is a huge event involving churches all over the region and we expect visitors from across Lincolnshire. We will have several things going on including BBQ lunches on both days (Lincolnshire sausages and homemade burgers), a large book sale, bric-a-brac stall, cakes, organ music, heritage display, the school choir, and more. If you can help in any way, please let us know. We need people to man stalls, make tea, cook sausages, make cakes, donate books and items to sell, and generally help us welcome people to our village.

We are considering holding a Christmas Tree festival this year but need to know how many groups/businesses/individuals might be interested. We have a few trees we can loan (4 or 5) but after that people would need to provide their own. The idea is that you decorate your tree and then everyone votes for their favourite which will win a prize. Please let me know if you'd like to enter.

ELVIS is returning soon! Chris Burrows is giving another of his amazing Elvis concerts on Saturday 7th June at 7pm. Tickets are available from me and cost £5 in advance or £7 on the door. Tickets can also be bought during the Churches Festival weekend.

Colour Run - We are looking forward to hosting our very own colour run in the Summer term!

Art Exhibition - We are looking forward to hosting our Ulceby Art Exhibition with framed artwork from every member of our school community in the Summer term. Watch this space!

Cultural Day: We are organising our first World Culture Day to raise awareness of the diverse cultures within our school and local area. We invite parents to contribute ideas and practical support to make this event a success.

New Books for Our Library: We are thrilled to receive over £1000 worth of new books for our newly refurbished school library, thanks to the Ulceby Endowment Fund.

VE Day Celebrations: Students will complete an Easter holiday homework task to decorate bunting for the Ulceby War Memorial to celebrate VE Day - 80 years. We look forward to seeing the bunting sewn together at the cenotaph!

Whether you are a parent, a prospective parent of the future or an interested Ulceby resident, we hope that you will enjoy hearing from our staff and children. In the meantime, you can always find out more about our lovely school and incredible trust through our websites by scanning the QR codes below.

Wishing you a wonderful month of May!

ST NICHOLAS CofE SCHOOL

Dear all,

We hope you all had a joyful and restful Easter break. As we enter sunnier days, we are filled with hope about the future and the Summer term that lies just around the corner. We are excited to share some wonderful highlights from Ulceby St Nicholas C of E Primary School's Easter activities and give you a glimpse of the exciting plans we have for the upcoming term.

Easter Activities Recap

This Easter, our school was incredibly busy celebrating in lots of different ways. Here are some of the highlights:

Easter Bingo - our incredible Friends of Ulceby School raised over £700 for our school through the Bingo night. It was a great fun event enjoyed by over 100 people!

Easter Craft Morning: We had a delightful Easter craft morning, where students, parents, and grandparents came together to create beautiful Easter items. We had over 50 eager volunteers. The sewing proved a bit of a challenge, but the children were proud of everything they created.

Easter Service: Our beautiful Easter service was a memorable event. The children sang and spoke so well, making us very proud.

Easter Egg Hunt: The Easter egg hunt was a special occasion, with younger siblings joining in the fun. The children were thrilled to find their hidden treasures. Many thanks to the Friends of school for donating the eggs.

Upcoming Plans

As we look forward to the new term, we have an exciting line-up of events and activities planned:

Trip and visits - There are lots of exciting plans for the Summer term, including trips to the Lincolnshire Show, a local farm visit and the Horrible Histories show in Hull Theatre.

Cont'd on page 21

Cont'd from page 7

Looking ahead we are proposing to have a scarecrow trail on Saturday 20th September (do let me know if you're interested as we'll need to make a map!), and possibly a Murder Mystery night on 15th November.

Our current pattern of services is as follows:

First Sunday – Evening Prayer 6pm

Second Sunday - Coffee morning with songs of praise 10.45am (come and request your favourite hymn).

Third Sunday – Morning Prayer/All Age Worship 10.45am, with an organist!

Fourth Sunday - Holy Communion when we have a priest, or a coffee morning with songs of praise.

When there is a 5th Sunday in the month we have a joint service which may be at Ulceby or at one of the other churches in our group.

If you're not sure what time the next service is, it's always displayed on the noticeboard in the churchyard and the one inside the porch.

Blessings,

COMMUNITY GARDEN UPDATE

The Parish Council have been working for some time on leasing the field that sits behind Station Road and accessed from Martins Road, from North Lincolnshire Council. The field has been prone to flooding into properties on Station Road and also attracting fly tipping. The plan being to turn the field into a community asset for residents and nature and prevent flooding through planting.

A small group of residents and Parish Councillors have formed an action group to progress the project and we have made significant progress after the long period of waiting for the legal processes. There are now well over 200 tree saplings of mixed varieties planted as a result of our partnership with Humber Forests and a generous grant from Singleton Birch, including mixed fruit trees. We are now turning our attention the rest of the plan for the field which includes a wild flower and herb garden, hedging, further trees, a seating area and allotments subject to demand.

How can you help?

Join our small Team and help decide on the project development;

Sponsor/donate a tree or wild flower seeds;

Donate seating perhaps in memoriam of a loved one;

Contact carole.phillips@communityvision.org.uk for more information, we would love to hear from you.

May Update from Ulceby WI

Isn't it lovely to feel the sun on our faces again - without that awful cold wind.

We had an entertaining evening in February in the company of Joey Howard. He told us all about his career and interspersed it with lots of chuckles. It was nice to see our ladies' partners in the audience as well as a few members of the village. We are considering booking Joey for a cabaret - style evening in the autumn.

Our March meeting included the AGM where I was re-elected as President for a further year. I hope to serve the ladies and the village well during that time.

In April we were given a presentation by Richard Lawson from our Community Police team, along with two of his colleagues. Our members found the session very interesting and informative.

We have submitted a "knitted picnic" as a joint effort from all members of our WI to the hobbies competition at the Federation day in April. It has been great fun learning or remembering how to knit or crochet. We hope we may win some prize, but the reward has been that we now have an established group that meets every two weeks to work on crafts of their choice, or just have a natter. Thanks again to Chums for hosting us.

On 15th May we have a speaker visiting from the British Heart Foundation to talk to us about women's heart health and the signs of a heart attack in women which is considerably different to those in men. All women from the village and surrounding area are welcome to attend.

On June 19th we welcome Kelly from Immingham Boarding Kennels and Rescue Centre to tell us all about their work and how we can support them.

On July 17th we will be hearing from a local author called Joy Wood who will be telling us how she became a writer in her later years and what inspires her for her books.

On the following evening we are holding a FASHION SHOW in the village hall to raise funds for the WI. This is organised by Lincs Fashions. They provide clothing from well known brands such as M&S and Next, which are at the end of a season and sold at discount prices.

ULCEBY POND

The swallows have arrived and are darting over the pond, their wings outstretched as they glide in the sun. What better way is there to establish that summer is on the way? However, more worryingly is the rapid decrease in the water depth. We are in desperate need of rain, the pond is at late summer levels already. If you can do a rain dance, now would be the time.

The junior club in its first three sessions, two in partnership with STEM have seen a huge increase in participants. So far 28! We are halfway to last years total.

In addition it is good to see that the brambles have been cleared back a little so we can get all the way around the pond-side. Thanks should be given to the village Hall for organising this. The pegs are now in hand and we have been promised they will be done by early May. Many thanks to Martin Clark for his kind donation of funds to make this happen. Martin is a qualified angling coach and used to run the Grimsby Junior boys club, he now gives up his time to support us in Ulceby.

Once again, if you are down by the pond and want to know anything just ask. The children were fascinated to see the difference between male and female tench. There is always something to learn.

Sue Thwaites. President Ulceby WI

Did you know that Ulceby Village Hall is owned by you – the residents of Ulceby?

It is not run by the Parish Council, as many people believe, but by Ulceby Village Association, a registered charity consisting of a small committee of dedicated volunteers who manage the running and maintenance of the hall, play area, pond and playing field for the benefit of the many users. The hall is in good health both physically & financially, and we ensure that it is well maintained by the caretaker, the cleaner or outside agencies. This committee is getting dangerously low in numbers, and needs some new members to join it, but at the recent Annual General Meeting, not one resident attended, which was disappointing.

We need some volunteers from the community to step forward to become a part of the UVA. Come and get involved, bring your enthusiasm, energy and new ideas to the committee to help develop this great venue for the future. There is a genuine risk that the committee may be unable to continue in the near future without some new blood. It would be a tragedy if the village allowed the hall to close after the work of so many people and the happy experiences of children and adults alike, over so many decades.

If you are interested in getting involved send an email to ulcebyvillagehall@gmail.com and we will be happy to speak to you about what being a member of UVA entails. Let's make sure the hall is available for all in the decades to come.

BEST KEPT VILLAGE COMPETITION

In the 2024 CPRE Best Kept Village competition, Ulceby was successful in being awarded third in the overall medium village category and a first for Best Community Planting. It was a joy to go to the presentation evening and receive the village plaques celebrating these successes. The village is entering again for this year and it would be fantastic to improve on these results.

ULCEBY is a beautiful village and there are lots of tasks to do to maintain this. Once a year a village clean is organised to spruce things up ready for the competition. But there is always something that can be done at any time.

A few of the larger problems the village faces are litter and dog mess being left. Education is the key to prevention; teaching our friends, families, children and visitors respect, pride and responsibility to keep our village clean and tidy. Take your litter home or carry it till you find a bin, always pick up after your dog to prevent the spread of disease and infection. In some circumstances the council can impose fines of up to £1000 for littering and irresponsible dog walkers.

There are lots of ways you can help to keep our village tidy. If you go for a walk, why not litter pick at the same time. Closer to home, trimming roadside hedges and weeding the roadside of your boundary is a simple task that can make a huge difference.

Or you could join us on one of our organised cleans where we will be concentrating on trap-points of the village, such as the bus shelter, the war memorial, Parish pump area and bench area opposite the Co-op, depending on the number of volunteers who come forward.

Did you know if your child is a member of Rainbows, Brownies, Guides, Scouts, Cubs or Beavers, they could join in and earn a badge from their group as a reward, another reason to support the village clean.

Keep a watch on the Ulceby News Facebook page for details of the village clean dates and times, and follow the Ulceby Parish Council Facebook page for updates of meetings and helpful information.
