Ulceby Parish Council

CHAIRMAN'S REPORT August 2025

I hope that you are all enjoying Summer so far.

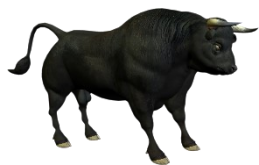

It has been good to witness the progress made on the community garden project. In addition to the substantial number of trees planted already this year, people have been coming forward to volunteer their help, offer plants from their gardens, and donated towards funding the work involved. Inevitably, work is seasonal and much of the planting still cannot be completed until later this year, so it will be some time yet before the benefits can be experienced.

Although much of the village is clean and tidy, litter continues to be a problem in a small number of locations. We are grateful to the people who collect and bag litter, often in the early morning. With the increasing village population, we have requested that North Lincolnshire Council review- and hopefully increase- the number of litter bins in key locations. It has also been brought to our attention that the layby on the B1211 at the west end of the village is frequently littered by drivers using it for overnight stopovers. There are no other similar laybys in the surrounding area and considering the 7.5 Tonne weight limit through the village we have requested that it is removed as a layby to eliminate the problem.

The planning application for the Battery Storage facility to the north of the village has been submitted. Although the specialist assessments required have been completed and approved by

Chairman's Report Continued from page 1

regulatory authorities, the Parish Council has raised an objection to the application regarding the proposed Traffic Management Plan since it would impose parking restrictions along Carr Road in Ulceby Skitter for an extended period, but offers no alternative parking arrangements and could cause great difficulty for those with limited mobility.

There are many people in the village who are impacted by the closure announcements of Greenergy and Prax. At the time of writing, the way forward is uncertain. We hope that resolutions will be arrived at, or suitable alternative employment opportunities created in the immediate area that will replace those lost.

ST NICHOLAS CHURCH

First of all we would like to say a HUGE thank you to everyone who helped with the Churches Festival back in May. We had a brilliant weekend and we couldn't have done it without the help and support of all our volunteers, cake makers, bellringers, singers, musicians, and of course all of you who came and enjoyed the event. Our profit was in excess of £950 which is a wonderful amount.

If you didn't join us for our following event - Chris Burrows as Elvis - then you definitely missed out! Chris gave us a wonderful show and we had people dancing in the aisles. There was a great atmosphere and everyone who came thoroughly enjoyed themselves. We raised over £450 from this event.

We are now gearing up for our next event which will be an Autumn Fayre and Scarecrow Trail on Saturday 20th September. There will be stalls and refreshments in the church (including bacon/egg buns) and you will be able to buy your trail map from here to help you find all the scarecrows. Then come back and vote for your favourite - there will be a prize for the one with the most votes.

The theme for the scarecrows is 'Lincolnshire' so get your thinking caps on and let us know where your scarecrow will be so we can add it to the map. The deadline for this is 15th Sept. Please email liz@lizdrury.co.uk with your name and address, or ring 01469 589187.

We have room for a limited number of craft stalls in the church. The cost is £5 per stall. Please email liz@lizdrury.co.uk if you would like one.

This year's harvest festival will be on Sunday 28th September and will be a Communion Service. All food items received will be donated to the Barton Food Bank. If you would like to make any donations of non-perishable items please bring to the church before that service. All are welcome to attend of course, and we will have a harvest lunch afterwards at 12pm of homemade soups and apple pie. You don't need to have been at the service to attend the lunch - just let us know you're coming.

WHERE DOES YOUR MONEY GO?

Of the amount each household pays to North Lincolnshire Council in Council Tax, a proportion is passed to Ulceby Parish Council in the precept. Some of this is spent on essential items, and the remainder is spent locally to benefit the village, as the Parish Council thinks fit. Some is used to improve the appearance of the village, such as flower displays and grass cutting around the church and playing field, and some to support local groups and organisations, and recently towards the development of the community garden. If you are involved in such a group which is in need of funding, or are interested in setting up a new group and would like to apply for some financial assistance, please contact Karen Pickering, the Clerk to the Council (details on back page).

The precept was set at £22,000 for 2024/25, but has been increased to £24,000 for the current year 2025/26. Considering the increase in the number of properties in the village, this amounts to very little per household, and the Parish Precept is now £3.20 per month for a Band D property. For your information, the chart below gives a breakdown of how the precept was spent in 2024/25. As well as the precept, payments were received from North Lincolnshire Council for the costs of grass mowing around the village of £4,732, and £800 from the Parochial Church Council towards cutting the grass around the church. In addition, some income is received from the cost of advertising in this newsletter, to cover the cost of its printing.

Little Brocklesby House Care Home, Great Limber DN37 8JL

Little Brocklesby House Care Home (DN37 8JL) is situated within 9 acres of gardens & woodland in the small village of Great Limber. Formerly belonging to Brocklesby Estates, it has been a privately owned care home for some 35 years and provides services for the over 55's in respect of residential, basic nursing, bariatric care, respite & palliative care, and challenging dementia.

We also have the unique selling point that several of our rooms are large enough for married couples, so that, even though only one partner may need care, both partners can reside with us to avoid being parted. This has been a very popular choice over the last 5 years.

Flexible care is provided either 24/7, to cover relatives' holidays or for day respite; so for example, a bed & breakfast option ranging from 1- 10 nights starting from £65 pn.

Holding 5 Care Quality Commission "Good" grades consistently for many years, Little Brocklesby has gained a good reputation for person centred, rather than task focussed, care and we place great emphasis on regular activities and regular visiting entertainers. One of our other USPs is our Namaste programme which provides relaxing sensory based care for all residents but in particular for those who cannot be engaged by the more traditional forms of activities.

For those who are wondering whether residential care is suitable for their loved one, please call either the Registered Manager, Jayne Coulam (07872 824979) or the owner, Bernadette Taylor (07966 014443) to arrange a taster experience.

For those who are interested in a career in care, please note that we are always looking for caring, talented and enthusiastic staff who enjoy teamwork.

Looking ahead we are planning a Murder Mystery night with the South Bank Players on Saturday 15th November at 6.30pm. It will have a 1980's theme, so lots of opportunity for dressing up! There will be a meal of baked potatoes with various toppings, and apple pie. Tea and coffee available or bring your own drink! Let Liz know if you are interested in booking.

The Christmas Tree Festival will open on 5th December. It costs £5 to decorate a tree and we are looking for community groups, businesses or individuals who want to take part. We have a few trees to loan, or you can provide your own. Trees can be put up between 29th November and 5th December, and the festival will open at 6pm on the Friday evening. You are encouraged to come and vote for your favourite! The winner will be announced at the Carol Service on 19th December. This year we will welcome back renowned organist Lawrence Tao to play for this service, and of course we will have mulled wine and mince pies as usual.

In between we will have our annual Christingle Service on Sunday 7th December at 4pm - another date for your diary.

Regular events that are ongoing include Knit and Natter on Wednesday afternoons, Heritage group on Saturday mornings, Flower arranging on alternate Saturday mornings, and bellringing practice. We hope you are enjoying hearing the bells again.

Our pattern of Sunday services is as follows:

1st Sunday - Evening Prayer at 6pm

2nd Sunday - Coffee morning with songs of praise at 10.45am

3rd Sunday - Morning Prayer at 10.45am

4th Sunday- Holy Communion or Songs of Praise at 10.45am

5th Sunday - Abbey Group joint service at East Halton 10am

EDITOR'S NOTE

(This letter was received in April 2025 from Mr Limb, father of Thomas Limb, a former pupil of St Nicholas Primary School until about 1998. It was posted to Mrs Macefield of Ulceby who was the Office Manager of the school during this time. Mr Limb did not include his current address so we are not able to reply to him)

Dear Mrs Macefield

Just a quick note to you about a former pupil from St Nicholas School who lived in the village as a child and young boy till University.

Thomas Limb age 37 now. He recently received an MBE from King Charles III at Buckingham Palace on February 25th 2025. He also received an OBE from HRH Princess Anne on April 16th 2025 at Windsor Castle. He's now a Colonel in the SBS and highly decorated for Service to the Nation.

If you remember him could you pass on a message to Pat who lived in Abbey Road and used to be Manageress at the local shop in Spruce Lane.

Hope you are all well.

Thomas was so proud to have come from Ulceby, North Lincs and told the King where he started in life. He's currently abroad. Best wishes to you all.

ULCEBY POST OFFICE SATURDAY CLOSURE

Today was Saturday 21st June and I was going to drop off my parcel at the post office. It was a sunny day so I thought I would walk the half mile or so. Imagine my surprise to find it CLOSED when I got there!!

Luckily for me I was able to deposit my parcel as it was Pre-Paid and the lady serving was trained up to deal with them (not all staff are as yet!). I could also have purchased stamps if I'd wanted any.

I was informed that although the Official website indicates they are still open on Saturdays, they had put a notice on facebook advising of the closure. Now although I have a fb page I don't use it very often so I was not aware of this change and I am sure I was not and will not be the only one!

SO BE ADVISED.... FULL POSTAL SERVICES AT ULCEBY WILL NOW ONLY BE MONDAY TO FRIDAY 8.30am to 5.30pm

Apparently the shop and post office are not used enough to warrant full P.O service or the wide selection of stock we used to see! What is the world coming to?

August Update from Ulceby WI

What a summer we are having! I hope it continues now that the schools have finished for the summer. With just a little rain for the farmers and gardens ideally overnight?

Since the last missive, I am delighted to announce that we won the first prize for our "knitted picnic" that we submitted for the Federation Day. We were amazed. I think the fact that we all contributed towards it helped the judge's decision.

Unfortunately our speaker from the British Heart Foundation had to cancel at short notice in May, but we hope to hear from the charity next year. Kelly from Immingham Rescue Centre was very interesting as she explained the circumstances that led to her setting up the centre. During her talk we all played "pass the chihuahua" - a delightful little dog that was at the vets when the owner abandoned her as she had an infection that was fatal unless she had emergency surgery. The vets called Kelly and Kelly said, "do it, we will find the money" and they did. The dog is a delightful reward for efforts made by everyone.

Joy Wood recently gave us a talk on how she moved from being a nurse to a manager and following sudden redundancies, became a writer! She also talked about how her writing has evolved (and improved) over the years.

The following evening was our Fashion Show. We were anxious that we wouldn't sell enough tickets for the company to consider it worthwhile and so started advertising early. We still didn't sell many, but happily in the last month the sales crept up and after a few last minute orders and tickets on the door, we sold over 70 tickets!

The evening was a busy (noisy), entertaining success! We raised lots of money for our WI and most people had a good chuckle and went home with at least one bargain. Thank you to our models and to all the WI members who helped it to run smoothly by helping with setting/clearing up, refreshments, ticket or raffle sales, jewellery sales or getting clothes to buyers. Thank you also to everyone who came. It was all worthwhile!

PARKING ON THE HIGHWAY

Tips on safe Parking

Remember...

The highway is for the free flow and passage of moving vehicles.

If you park on the road:

Do it correctly, with all wheels on the roadway;

Do not inconvenience other road and footway users.

If you have a driveway, please use it

Correctly parked vehicles on the highway can help to reduce other vehicles' speed.

Humberside Police can prosecute for dangerous or unnecessary obstruction - BE WARNED!

ULCEBY POND

Another article, another story of success and frustration, yet the pond still brings joy and long may it continue.

Our numbers have swollen to a magnificent 55 young people on the books. We have encouraged all to protect and admire their surroundings and yet we have others who come from elsewhere with nothing but malice. A small group of youths from a town not far away have smashed pegs, rode their bikes into the pond and been aggressive to others. I was contacted by a resident of Wootton who shared a tale of youths on bikes doing the same at their village pond. I have had this confirmed by our local police too. We are informed that we should report anti-social behaviour, otherwise nothing can be done. Another thing to monitor is the setting of fish traps. If you see twigs or posts with trailing line the chances are there will be a hook on the end. If you feel safe to do so please remove and discard them. There are posters around the pond showing operation Traverse and what we can do to help - again police need informing of these traps. It is illegal to remove fish from the pond.

However, the pond itself is still a fantastic place to sit. We have low water but the fish are still thriving. When you read this there should have been a work party in order to remove some of the reeds. The plants are ace but they all drink water, as do the trees. Hopefully the rainfall we are having as I write this will help.

Finally, I now only fish for short periods of time. I go down with a plan in mind. Perhaps, it is to catch a big perch on worms or prawn or maybe to catch the bream on sweetcorn over groundbait. I set my own challenges and measure my successes in single specimens. It is easy with such a wonderful facility on our doorstep. Let's hope we can keep it that way.

We are treating our members to a trip to Breezy Knees Garden near York on the 7th August. This is an interesting place for budding gardeners. It started out as a few potato fields around 15 yrs ago..... and look at it now! Well worth a visit, it's a good walk round, but not a formal garden. Lots to see with a great cafe and plenty of plants on sale too.

On the 21st August we are having a talk from Rachel Edwards from Humberside Police on SCAMS and how to avoid them.

On the 18th September we will hear all about Lindsay Lodge from Selina Doyle, on how it has developed and all it can offer.

On the 16th October Keith Hanson returns for yet another interesting talk from his time as a Yeoman of the Guard. This time his topic is Ghosts in the Tower. !!

You will be delighted to know that Alan from Chocolate Drop in Market Rasen is returning on 20th November to tell us about making chocolate and will be bringing lots of samples so bring your Christmas List!!

During the Autumn we also have plans forScarecrow display for the festival, a stall at the Autumn Church Fair, a display of poppies and wreath for the cenotaph for Remembrance Day and a WI tree in the Christmas Tree Display at the church. That should keep us busy. Hopefully some of these events will encourage you to visit us and get to know us. Look out for posters outside the Village Hall, in the Coop , on Ulceby News and Ulceby WI Facebook page and in windows dotted around the village.

We hope to see you soon. Have a great summer

Sue Thwaites. President, Ulceby WI.

COMMUNITY GARDEN UPDATE

Further to the last update in the link regarding the field that sits behind Station Road and accessed from Martins Road; progress continues at pace!

The Team working on the establishment of the Community Garden have made a further successful application for 270 saplings from the Woodland Trust which will be planted in the Autumn and also established an agreement with Community Payback who will undertake routine maintenance and fill in the holes that have been created by young people before we started the project (so no blame intended). We have received a donation of tree protectors for the saplings – thank you this is a big help.

The field grass has been cut, baled and taken away and the next task is the rotavating of the areas set out for wildflowers. We have the seeds waiting to be planted once the soil is prepared thanks to donations from the village and the Parish Council. We have also received the donation of a wide variety of wild plants and saplings from a villager – thank you.

We are now working on sourcing financial support to buy some seating.

Thank you so much to everyone who has donated resources and time to this exciting development for the village and our wildlife.

How can you help?

If you would like to get involved we may need to hand sow the flower seeds and we will need a hand to plant the saplings in the Autumn and will advertise the dates as they approach on the Ulceby Parish Council website/Facebook site and the Ulceby FB site. Or get involved with the planning by joining our small Team. Or donate towards, or sponsor, a bench or tree by contacting:
